PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.
☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.
☐ confessed to _____ admitting to the below facts.
☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 18 day of February, 2023 at 22:25 (Specifically include facts constituting cause for arrest.)

On 02/18/2023 at approximately 2225 hours, this Officer was conducting speed measurement in the area of N Military Trl and Heritage Dr, PBG, FL, when a vehicle was observed traveling at an increased rate of speed north bound in the outside through lane. Body worn camera and in car video were used.

This Officer`s initial visual estimation of the vehicle, was approximately 70 MPH in a posted 45 MPH zone. Using RADAR Stalker DSR2X (DB001317), front antenna (KC086606) this Officer received a steady tone and reading of 70 MPH. The RADAR calibration was last checked on 12/28/2022 and was due on 06/28/2023. Prior to this tour of duty on this date, this Officer ensured the RADAR was in working order, to confirm the accuracy of the unit. At the end of this tour of duty, this Officer did the same. This Officer received RADAR/LIDAR certification on 05/31/2008, in Cannon AFB, NM. This Officer entered the same lane as the vehicle and attempted to close distance. This Officer observed the vehicle making a abrupt lane change into the middle through lane around another vehicle.

This Officer initiated a traffic stop on the vehicle, a Chevrolet utility (PKZJ79/FL) on Military Trl and Regions Way, Jupiter, FL. This Officer made contact with the driver, identified via Florida Driver License photo, Sean Serafin (OF), while he was still in actual physical control of same. Serafin had a flushed red face, thick slow and slurred speech, low droopy eyelids, bloodshot watery eyes, and the strong obvious odor of an unknown alcoholic beverage emanating from his breath at conversational distance. This odor increased as Searfin spoke with this Officer. Serafin said he was coming from Palm Beach Gardens, on 11th Lane and was on his way home. Serafin admitted to consuming "a couple" drinks on this night.

Based on this Officer`s observations, Serafin was asked to exit the vehicle to ensure he was not under the influence, to which he complied. Once Serafin exited the vehicle, he

PROBABLE CAUSE STATEMENT

was uneasy on his feet and walked with an unsteady gait. Serafin said he did not have any medical conditions which would affect the exercises performed.

The first exercise conducted, was the Horizontal Gaze Nystagmus. The stimulus used was a Stylus Streamlight with an illuminated red tip. This Officer observed a lack of smooth pursuit in both eyes and sustained involuntary jerking in both eyes at maximum deviation. Serafin also had the onset of Nystagmus prior to 45 degrees in both eyes, as well as Vertical Gaze Nystagmus in both eyes. Throughout the exercise, Serafin was swaying back and forth.

The second exercise conducted, was the Walk and Turn. The line used was a strip of yellow tape placed upon the pavement by this Officer. During the instructions, Serafin stepped out of the starting position. During the first set of steps, Serafin raised his arms more than six inches from his sides. On the eighth step, Serafin stepped off the line with his rear foot. During the return set of steps, Serafin paused to regain balance on steps two and four. Serafin kept his arms raised more than six inches from his sides and took 10 steps rather than nine.

The third exercise conducted, was the One-Leg Stand. During the exercise Serafin raised his left foot. Serafin swayed throughout the exercise and raised his arms more than six inches from his sides. Serafin also placed his foot down three times, thus ending the exercise early.

Based on this Officer`s observations, Serafin was placed under arrest at 2242 hours. At PBSO BAT, Ofc Badolati 552 requested Serafin provide a breath sample for the purpose of determining its alcohol content, to which he consented. At 2343 hours he blew .165 and at 2347 hours he blew .157.

Based on the results of the investigation, this Officer has probable cause to prove Sean Serafin operated a motor vehicle, in the county of Palm Beach, in the state of Florida, while under the influence to the extent his normal faculties were impaired, with an unlawful breath alcohol content in violation of FSS 316.193(1)(C). The degree to which Serafin was impaired by alcohol was in violation of FSS 316.193(4).
