Agency Report #	24-092749	CRIMINAL REPORT AFFIDAVIT/ HILLSBOROUGH COUNTY, FLORIDA	CRA #:	TP24002490

The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:
On 02/16/2024 at approximately 2319 hours, I observed a green Rivian Pick-up, bearing FL Tag "AK57US", traveling east on the upper deck of the Selmon Expressway at a high rate of speed and unable to maintain a single lane crossing each lane several times. I estimated the vehicle's speed to be 79 MPH in a posted 50 MPH zone and confirmed the speed using my Stalker Dual DSR Radar (SN D530871).

I attempted to conduct a traffic stop, activating my emergency lights and siren, near the intersection of W Gandy Blvd / S Dale Mabry Hwy however the vehicle abruptly turned down S Himes Ave as I followed with my emergency lights and siren activated. The vehicle continued to drive and as I continued to activate my siren, the driver of the vehicle held his hand out of the window. After several blocks, the vehicle finally stopped near the intersection of W Hawthorne Rd / S Mound Ave and I contacted the driver/defendant of the vehicle, identified via Florida Driver's License as Sean McGlinn. When asked why he refused to pull over, the defendant stated he wanted to wait to get home before he pulled over. The defendant stated he was coming from his girlfriend's house however stated he did not want to talk about it due to having cameras at his house. During my initial contact with the defendant, I observed multiple indicators of impairment to include, glassy eyes, slurred speech and a strong odor of an alcoholic beverage. As the defendant exited the vehicle, I observed his balance to be unsteady and I detected the same odor of an alcoholic beverage from his breath as he spoke when he was outside his vehicle.

McGlinn participated in SFSE's and multiple clues of impairment were observed. Based on the totality of the circumstances, the defendant was placed under arrest for DUI and transported to central breath testing. Once at Central Breath Testing, the defendant refused to provided a lawful breath sample after being read implied consent.

It should be noted, the defendant spontaneously stated that he had left his 10 year-old son alone in the house as he went to his girlfriends house and requested that we contact his father to pick up his son.

A D.A.V.I.D query of the defendant's driver's license showed a prior refusal to submit to testing on 04/14/2018 reference: REFUSE SUBMIT BREATH/URINE/BLOOD TEST : Citation/Case #: A8HLU0E

The defendant was issued the following citations:
AF0FI7E – DUI
AIUK0ZE – Refusal to Submit to Testing
AIUK10E– Unlawful Speed

The defendant was positively identified via Florida Driver's License.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
