Probable Cause

I. WHAT: Boating under the influence
II. WHEN: 04/12/2014 at approximately 2029 hrs
III. WHERE: Intracoastal waterway and Veterans park N of Atlantic Ave. bridge
IV. WHO: Shaughn Timothy Webb 5/4/1989

V. Other information Relating to BUI

Florida vessel FL 1996 LM. The observed vessel operator was Shaughn T. Webb 5/4/1989. It was past sunset and the weather was clear.

VI. DETAILS OF BUI

A. Phase 1 - Initial Observation of vessel in operation

Officer Klein, Gillmore, and I, Officer Defeo, Of the Florida Fish and Wildlife Conservation Commission (FWC) were on patrol on the Intracoastal waterway (ICW) when we observed a vessel drive right by a "slow speed minimum wake"sign and continue on plane. We activated our blue lights, and the operator didn't seem to notice or react and continued without changing speed. I then activated the emergency siren and the operator hesitated and then slowed down. We approached the vessel and gave loud instructions to put the boat in neutral. The operator seemed confused and hesitated for several moments before stopping the vessel. We pulled along side and tied to the vessel. I informed him for the reason for the stop and identified the operator by his name and date of birth as Shaughn T. Webb 5/4/1989.

B. Phase 2 - Personal Contact with operator of vessel

Webb had just lit a cigarette and was standing at the helm of the boat with a blank stare and a confused look on his face. His eyes appeared wide and slightly bloodshot. In plain sight there were several empty High Noon cans and occasionally I could smell the odor of an alcoholic beverage. I asked Webb to retrieve the registration for the vessel and a passenger on the boat interjected and stated that he was the owner. I asked Webb if he knew where the registration was, and he pointed toward the center console. After some confusion on whether or not Webb could retrieve the registration, I asked the owner to get it for him. I then asked both subjects to show me the required safety equipment. As Webb followed the owner toward the front of the vessel to assist with the safety equipment, he moved overly cautiously and seemed unsteady on his feet. I asked Webb if had been drinking and he stated that he had 2 or 3 High Noons at Banana Boat.

After completing the safety inspection, I asked Webb why he didn't slow down at slow speed sign he stated that he didn't want people on the boat to fall. At this point I could smell the odor of an alcoholic beverage coming from his person as he spoke. I then asked Webb how intoxicated he felt on a scale from 1-10, with 10 being drunk to the point you are going to be sick and 1 being not drunk at all. He replied 4. I then requested Webb to conduct SFST's and read him Taylor warnings. He agreed to conduct SFST's and boarded our vessel.

C. Phase 3- Pre-arrest screening and observations of Operator
