The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On 03/24/2025 at approximately 0352 hours, I observed a white Acura, bearing Florida tag "23EMXG", traveling east on Adamo Dr near the intersection with N 34th St. The vehicle was traveling approximately 20 mph below the speed limit and was driving in the middle of two lanes. As I continued behind the vehicle, I observed it having difficulty maintaining a single lane, crossing over both lane lines multiple times and at one point the vehicle passenger side tires were off the roadway and in the grass median. Due to the reasonable suspicion that the driver was ill, tired or impaired, I activated my emergency equipment to conduct a traffic stop near the intersection of Adamo Dr and S 50th St. The vehicle continued east on Adamo Dr and turned south on S 50th St seemingly unaware of my emergency lights and siren. The vehicle stopped on S 50th St south of Adamo Dr and as I approached the vehicle, the defendant began to drive forward, and I ordered the defendant to place the vehicle in park and she stopped the car. I approached the vehicle and contacted the driver/defendant, identified via Florida Driver's License as Shelina Persad.

During my initial contact with the defendant, I observed multiple indicators of impairment including glassy eyes, slurred speech, fumbling fingers and an odor of alcohol being emitted from the vehicle. As the defendant exited the vehicle, I observed her balance was unsteady and I continued to detect the odor of an alcoholic beverage coming from the defendant's breath as she spoke. The defendant stated she was "Bar Hopping" in the nearby Ybor City Bar District and when asked, admitted to consuming alcohol prior to driving.

Persad participated in the SFSE's and multiple clues of impairment was observed. Due to the totality of the circumstances, the defendant was placed under arrest for DUI and transported to Central Breath Testing. Once at Central Breath Testing the defendant was read implied consent and verbally refused to provide a lawful breath sample.

The Defendant was charged with DUI and issued the following citations:
AJJ5FWE – DUI

The defendant was positively identified of via Florida Driver's License.
