PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☐ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 31 day of August, 2023 at 01:09 (Specifically include facts constituting cause for arrest.)

On 8/31/22, at approximately 0039 hours, Officer Casas and I were stopped in the parking lot of The Standard (187 SE Mizner Blvd) when we were flagged down by people in the parking lot stating that a white Toyota C-HR (bearing FL Tag NYTX31) had just struck two vehicles and was now fleeing the scene. I observed the vehicle leave the parking lot and drive southbound on SE Mizner Blvd with the lights turned off in violation of FSS 316.217 (1A). I was able to catch up to the vehicle at the intersection of SE Mizner Blvd and South Federal Hwy. The vehicle then made a left turn to travel southbound on South Federal Hwy, and I observed the vehicle swerving in and out of its lane while primarily traveling in the center lane. Based on the information that the vehicle had been involved in a hit and run, the violation of FSS 316.217 (1A), and the vehicle`s inability to maintain a straight course, I initiated a traffic stop on the vehicle and the vehicle came to a final stop in the area of 1500 South Federal Hwy.

I spoke with the driver of the Toyota, Sissi Medina, who was still sitting in the driver`s seat of the vehicle. When I asked Medina to explain what happened, she stated that she was trying to drive home. I then asked Medina if she was aware that she had been involved in a crash and she stated "no". While speaking with Medina, I observed that her eyes were red and glassy, she was confused and disoriented, and she did not understand what had happened. It should be noted Medina stated she had consumed "three cups of wine" during our conversation.

Upon completion of my crash investigation, I informed Medina that my crash investigation was complete and that I would be conducting a criminal DUI investigation. Medina stated she understood. I then informed Medina of her constitutional warnings (Miranda), and she stated she understood those too. It should be noted that Medina had exited her vehicle by this time, and I observed that she was unsteady on her feet. I could also now smell the odor of an unknown alcoholic beverage emanating from Medina`s breath when she opened her mouth to speak. Medina stated she did not have any problems with her eyes that are not correctable by glasses or contacts.

Based on the manner of her driving, the subjects telling me that they witnessed a hit

PROBABLE CAUSE STATEMENT

and run, my observations, and Medina`s confession of having consumed alcohol, I suspected that, at the time of the crash and at the time of the stop, Medina may have been operating a vehicle within the state while impaired by alcohol and/or chemical or controlled substances. I then asked Medina to submit to Standardized Field Sobriety Exercises to dispel any suspicion that she was driving impaired, and she agreed to participate.

The first exercise was Horizontal Gaze Nystagmus. I administered the instructions and Medina stated that she understood. I first ensured that Medina`s eyes had equal pupil sizes and tracked equally. I then continued with the exercise. Medina displayed lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and the onset of nystagmus prior to 45 degrees in both eyes. Medina had to be reminded to not move her head at the beginning of the exercise. Lastly, I observed that Medina was swaying during the exercise, and I could smell a strong odor of an alcoholic beverage emanating from her breath.

The second exercise was the Walk and Turn. I administered the instructions and demonstrated how the exercise should be completed. Medina stated that she understood. Medina had slight difficulty getting into the starting position and began the exercise before being told to do so. During the exercise, Medina missed heel to toe numerous times, stepped off the line, used her arms for balance, made an improper turn, and took an incorrect number of steps.

The third exercise was the One-Leg Stand. I administered the instructions and demonstrated how the exercise should be completed. Medina stated she understood. Medina swayed, used her arms for balance, and put her foot down during the exercise.

The fourth exercise was the Finger to Nose. I confirmed that Medina knew her left from her right by asking him to show me her left hand and then her right hand. I then administered the instructions and Medina stated she understood. The pattern was L-R-L-R-R-L. Medina only raised the corresponding hand and never once brought her finger to her nose.

The final exercise was a modified Romberg balance exercise. I administered the instructions and conducted the exercise. Medina estimated the passage of 30 seconds in 22 seconds.

Based on my investigation, and the totality of the circumstances, I found probable cause to believe that, at the time of the stop, Medina was operating a vehicle within the state while impaired by alcohol and/or chemical or controlled substances. Medina was placed under arrest for DUI per F.S.S. 316.193(1A).

While conducting my investigation, Officer Stephenson responded to 187 SE Mizner Blvd and made contact with the owners of the two vehicles that were struck by Medina`s vehicle, Jose Suero-Urena and Kevin Ralton. Officer Stephenson also reviewed CCTV video recording from The Standard (187 SE Mizner Blvd) which shows Medina`s vehicle backing into the two victim vehicles, a white Audi sedan bearing FL tag 38AYZQ and a black Ford pick-up truck bearing FL tag 78GKE. Lastly, Officer Stephenson met with witness Marissa Marill who stated she witnessed the crash and described the driver to be a white female with dark curly hair. It should be noted that the description provided by the witness

matches Medina`s physical description. Based on this information, Medina is additionally being charged with two counts of leaving the scene of a crash per FSS 316.061(1) and two counts of DUI causing property damage in violation of FSS 316.193(3C1)
Medina was transported to BRPD booking for post arrest processing and the administration of a breath test. Officer Price (ID840) (Breath Test Operator) responded to BRPD booking and assisted with the BAT room procedures. Medina was asked to provide a sample of her breath for the purpose of determining the alcohol content and she agreed to submit. Medina provided two valid breath samples of 0.200 and 0.200. I then informed her of her constitutional warnings, and she stated that she understood. Medina answered all of my questions and her statements were documented in the DUI incident report.
