The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

The defendant was driving a white 2021 Audi SUV eastbound on W. Platt St, coming out of the Soho bar district area. While driving, she was randomly varying her speed between 30 MPH and 45 MPH in a posted 30 MPH speed zone. I confirmed her speed by pacing behind her in my unmarked police vehicle for several blocks. While pacing her, I also observed her to weave back and forth, leaving her lane several times and at one point, driving in the bicycle lane.

During the traffic stop for the suspicious driving patterns, the defendant was identified via a FL DL and exhibited several clues of impairment, to include: watery/bloodshot eyes, blank/dazed stare, slurred speech, fumbling fingers, confusion with her paperwork (she couldn't find her vehicle registration while holding it in her hand), she said that she was coming from a friend's house and didn't have any alcohol to drink tonight, and she emitted a distinct odor of an alcoholic beverage from her breath as she spoke.

The defendant was arrested for DUI following a physical refusal to participate in SFSEs and was transported to booking.

While at CBT, she was read Implied Consent and was given the opportunity to take a breath test. When sat in front of the Breathalizer instrument, she became argumentative and refused to provide a breath sample.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
