The undersigned certifieds and swears that he/she has just and reasonable grounds to believe, and does believe that the above named defendant committed the following violation of law

On the **14** of **February 2025** at **9 50 PM** (Specifically include facts constituting cause for arrest) | BOND NO BOND

P C Exists for Charge(s) | Judges's Signature | Date

On 02/14/2025, at approximately 1958 hours, officers responded to a battery at 375 Emerson Plaza #1111 Upon arrival, officers made contact with both parties, who were positively identified by their Florida driver`s licenses as Stephen J Calvacca and Susan J Cochran

Let it be known that officers had already made contact with both parties in a previous call (reference event #20250452285) with the Seminole County Fire Department (SCFD) Both agencies responded for a male patient, Calvacca, who had fallen on glassware and sustained lacerations to both arms and hands Dispatch advised that Calvacca was acting belligerently and would not let SCFD treat him Calvacca was also upset at Cochran for calling EMS Members of SCFD then treated Calvacca, and officers on the scene advised Calvacca and Cochran to stay separated for the rest of the night due to both parties being irate and intoxicated It is to be noted that at this time no crime had occurred

Cochran stated the following, captured by my department-issued body-worn camera

Cochran and Calvacca were eating dinner at which point Calvacca was injured, prompting Cochran to dial 911 to report his injuries Once SCFD left the scene, Calvacca became frustrated due to his blood stains on the carpet and was also upset at Calvacca due to her calling 911 Cochran then went to the bathroom, at which point Calvacca followed her and forcibly grabbed Cochran by her arms, turning her to face him Calvacca proceeded to shake Cochran and yelled that it was her fault that he sustained injuries Cochran then dialed 911 again and alerted police of the disturbance Cochran did not allow officers to photograph her arms and shoulders due to her wearing a nightgown

Cochran also completed a written sworn statement but only advised that she did not wish to persecute She also refused safehouse when asked

I then made contact with Calvacca, who explained that he did not remember everything that happened Calvacca explained that he and Cochran were eating dinner and consuming alcoholic beverages Calvacca advised that at one point, they began to argue about the dishes Calvacca stated that the argument began to escalate but advised that it did not get physical at any point I attempted multiple times to get Calvacca s full recollection of the incident, and how he sustained his injuries, to which he advised he did not remember most

of it

Calvacca advised that he and Cochran have been in an intimate relationship for the past eleven years

Let it be known that whilst speaking with Calvacca, I visually observed that he was not able to stand without leaning on the wall behind him, Calvacca was also slurring his words as he spoke to me Calvacca had glassy, watery eyes, he had a pronounced orbital sway, issues balancing, and a strong odor of what is commonly associated with the impurities of alcohol coming from his person While speaking to Calvacca I could smell an even stronger odor of what is commonly associated with the impurities of alcohol coming from his breath

Based on the totality of circumstances, along with a written sworn statement by Cochran, there is probable cause to charge Stephen J Calvacca with the following

F S S 784 03 BATTERY-TOUCH OR STRIKE - DOMESTIC VIOLENCE - Due to Calvacca forcibly grabbing Cochran by the arms during their argument

Calvacca was secured in department-issued handcuffs that were checked for proper fit and double-locked Calvacca was then placed in my marked police vehicle and transported to AdventHealth Altamonte Hospital for medical clearance Calvacca was medically cleared and then transported to the John E Polk Correctional Facility and transferred to jail staff without further incident

I am respectfully requesting that Calvacca be placed under EMPACT GPS monitoring

My department-issued body-worn camera was activated for the duration of this call

Statements made by defendant prior to, during, and after arrest as related to each charge
