PROBABLE CAUSE STATEMENT

☒ **Marsy's Law CVI**
FL. Const. Art.1 § 16(b)

In the City of Belle Glade, Palm Beach County, Florida, the following incident occurred:

On Friday, April 28, 2023, at approximately 6:29 PM, I responded to the NAPA Performance business in reference to an assault. Upon my arrival, I met with [redacted], who advised me of the following, which was taken on a recorded statement not be taken as verbatim: Earlier in the week, on approximately Tuesday, April 25, there was an incident between her a coworker Steve Hatton W/M While she was working in the warehouse portion of the building [redacted] was moving various items around the warehouse, and she then became exhausted and decided to take a short break. At this point, she then took a seat on nearby boxes; during this time, [redacted] advised that Hatton walked into the warehouse where he saw her sitting and then approached her. [redacted] then advised that Hatton said, "What's wrong with you, baby? You look like you're about to fall out. Let me give you mouth to mouth." He then grabbed her face with his hands and pulled her face towards his own. [redacted] then told him no, that it was not necessary while making a motion that she was pushing his hands away. Hatton then walked away from her, laughing off the encounter.

[redacted] advised that lips never made contact; however, he used both hands to grab her face and forcefully pull her face towards his, to the point where he bent down and got close to her face. [redacted] said it was unwanted and did not want Hatton to touch her. She said he had previously touched her in the same manner, such as grabbing her shoulders or waist, where she would push him off and tell him that it was unwanted. [redacted] said she was not physically hurt but felt highly uncomfortable after the incident. [redacted] advised no one was in the immediate area; however, the incident was captured on video.

[redacted] advised that Hatton works for the same parent company as NAPA Performance. [redacted] advised that Hatton does not work directly at the S Main St. location; however, he is there frequently to pick up parts and deliver them to various areas. She said that Hatton was her supervisor previously in 2021 before he left for another position. She also advised that she and Hatton had no relationship outside the workplace.

I was able to obtain he video footage of the incident. In the footage, [redacted] can be sitting down on boxes. Then an older white male, which [redacted] identified as Hatton, can be seen walking up to her and immediately using his hands to grab [redacted] bending down and getting close to her. Next, [redacted] visibly shifts backward to distance herself from him, her legs swinging in the air to balance herself while keeping him away. Hatton then backs away, stands for a moment, then walks away from [redacted]

Based on the above investigation, I determined that there is enough probable cause for the charge of battery Pursuant to F.S.S 784.03(1)(a)(1). I was unable to make contact with Hatton about the incident. Pending contact with Hatton, this case will be submitted for a warrant request. This case is inactive at this time.

This incident was captured on my Body worn Camera
