PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law
The Person taken into custody

☒ committed the below acts in my presence
☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.
☐ confessed to _____ admitting to the below facts.
☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 9 day of August 2024 at 22:40 (Specifically include facts constituting cause for arrest.)

On 08/09/2024 at approximately 2240 hours, this Officer arrived in the area of Northlake Blvd and Keating Dr, PBG, FL, to assist Ofc Komara 511 with a traffic stop. Body worn camera and in car video were used.

Ofc Komara said he first observed the vehicle, a Jaguar E-Pace utility (HJGF84/FL) traveling south bound on Interstate 95 just south of PGA Blvd, PBG, FL. Ofc Komara stated the vehicle abruptly changed lanes into the lane in front his marked unit and was traveling at a high rate of speed. Using marked unit 24450 Ofc Komara paced the vehicle at 83 MPH in a posted 65 MPH zone. Ofc Komara attempted a traffic stop, to which the vehicle appeared to disregard until it was stopped at a traffic light at the above location. Ofc Komara expressed concerns to this Officer that the driver may be impaired, including but not limited to driver`s inability to provide required documents, asking multiple times why she was stopped and varying responses to how much alcohol she had consumed.

This Officer approached the driver window and made contact with the driver and sole occupant, later identified via Florida Driver License photo, Suzanne Slate (OF), while she was still in actual physical control of same. Slate had a flushed red face, red watery eyes, low slurred speech, and the strong obvious odor of an unknown alcoholic beverage emanating from her breath at conversational distance. This Officer requested Slate`s driver license, since she appeared to have difficulty locating it per Ofc Komara and Ofc Alshaier 572. Slate was unable to locate her driver license when requested by this Officer as well. Slate said she was on her way home and was coming from "Lewis Steakhouse". This Officer asked Slate if she felt alright, to which she replied "I`m good". Slate stated she consumed two glasses of wine on this night, which was contrary to what she told Ofc Komara of zero and one.

This Officer expressed concern to Slate about her possibly being under the influence and

PROBABLE CAUSE STATEMENT

asked her to exit the vehicle to participate in Standardized Field Sobriety Exercises, to which she complied. Slate said she did not have any medical conditions which would affect the exercises performed.

The first exercise conducted was the Horizontal Gaze Nystagmus. The stimulus used was a Streamlight Stylus with an illuminated red tip. Slate had a lack of smooth pursuit in both eyes as well as involuntary jerking at maximum deviation in both eyes. Slate also had the onset of Nystagmus in both eyes prior to 45 degrees as well as Vertical Gaze Nystagmus in both eyes. This Officer had to remind Slate to keep her head still, follow the stimulus properly and keep her hands at her sides.

The second exercise conducted was the Walk and Turn. The line used was a strip of yellow tape placed upon the pavement by this Officer. During the instructions, Slate exited the start position three times then remained out of the position despite being told to get back into the starting position. At one point, Slate placed her left hand onto the police car to assist with balance. During the first set of steps, Slate stepped off the line on her second step and had to be told to continue. Slate then missed heel-to-toe on each of the following steps and missed the line on three other steps. Slate also raised her arms more than six inches from her sides. Slate conducted an improper turnaround by way of swinging her leg around rather than taking a series of small steps. During the return set of steps, Slate missed heel-to-toe on every step and kept her arms raised more than six inches from her sides.

The third exercise to be conducted was the One-Leg Stand. Slate then argued against the exercise saying it would be difficult on a "good day". Thus this Officer moved on to the Finger to Nose as the third exercise. During the exercise, the following was observed: First command of Left, Slate touched her nose with the pad of her finger and had to be told to lower her hand. First command of Right, Slate touched the right side of her nose and had to be told to lower her hand. Second command of Left, Slate again touched the right side of her nose and had to be told to lower her hand. Second command of Right, Slate touched her nose with the pad of her finger and had to be told to lower it. Third command of Right, Slate touched her nose with the pad of her finger and had to be told to lower it. Third command of Left, Slate touched her nose with the pad of her finger and had to be told to lower it.

The fourth exercise conducted was the Rhomberg Alphabet. Slate recited the alphabet properly.

The final exercise conducted was the Modified Rhomberg Balance. Slate estiamted the passage of 30 seconds in approximately 42 seconds.

Based on this Officer`s observations, Slate was placed under arrest at 2258 hours. At the PBSO BAT this Officer conducted the 20 minute observation period noting no issues.

PROBABLE CAUSE STATEMENT

This Officer requested Slate provide a breath sample for the purpose of determining its alcohol content, to which she consented. At 0005 hours she blew .158 and at 0009 hours she blew .163.

Based on the results of the investigation, this Officer has probable cause to charge Suzanne Slate with driving under the influence to the extent her normal faculties were impaired with an unlawful breath alcohol content, in violation of FSS 316.193(1)(C). The extent which Slate was impaired by alcohol, was in violation of FSS 316.193(4).
