Probable Cause

On Saturday, November 9th, 2024, at approximately 01:38 A.M, I, Trooper Aison Desuyo (ID #5157) was on routine patrol in a fully marked Florida Highway Patrol Agency assigned vehicle with painted insignia (FHP0778 2C3CDXAT8JH295207 Calibration date 05/20/2024) traveling south on Interstate 95 (State Road 9) southbound, north of Palm Beach Lakes Boulevard when I observed a white in color Buick Encore SUV (Sport Utility Vehicle)(that was displaying a Florida tag number of PDER78) traveling in the inside lane (HOV Lane). I observed the white Buick SUV begin to drift to the left, with the left side of the vehicle crossing the yellow marked lane line separating the inside lane (HOV Lane) and the left inside shoulder, and then drift to the right, with the right side of the vehicle crossing the 2 dotted white marked lane lines separating the inside lane (HOV Lane) and the inside center lanes of travel. I then visually estimated the white Buick SUV to be traveling at 75 Miles Per Hour (MPH) in a posted 65 MPH speed limit zone. After visually estimating the speed of the white Buick SUV, I then began to pace the white Buick SUV using my patrol vehicle. I was able to successfully pace clock the white Buick SUV at 78 MPH in a posted 65 MPH speed limit zone for approximately a quarter mile. I then observed the white Buick SUV change lanes from the inside lane (HOV Lane) to the inside center lane, at which point I then accelerated to position my patrol vehicle directly behind the white Buick SUV to initiate a traffic stop on the vehicle. While directly behind the white Buick SUV, I then activated my emergency blue lights and sirens to conduct a traffic stop on the vehicle. Upon activating my emergency blue lights and sirens, the white Buick SUV began to slow down until reaching a stop on the right outside shoulder.

I then exited my patrol vehicle and approached the driver's side of the white Buick SUV. Upon my initial contact with the driver (who was identified by her Florida driver's license H400802778770 as Tatiana Bido Hull with a DOB of 10/17/1977), I observed her eyes to be glassy and watery, and there was an odor of an unknown alcoholic beverage emitting from with the vehicle. I then asked Ms. Hull where she was coming from. She advised she was coming from Palm Beach Gardens with her friends. I asked Ms. Hull where she was going. Ms. Hull advised me she was attempting to go to her residence in Lake Clark Shores. I then asked Ms. Hull to step outside her vehicle. Ms. Hull complied and exited her vehicle. I then asked her if she consumed any alcoholic beverages before driving. Ms. Hull advised me she consumed two glasses of Rose wine approximately 2 hours prior to driving. I asked Ms. Hull how long ago did she leave Palm Beach Gardens. She advised approximately 40 minutes. I asked Ms. Hull if she consumed a meal with the two glasses of wine. Ms. Hull advised me she consumed a full course meal with her friends at a restaurant while consuming the two glasses of wine. It should be noted that while Ms. Hull spoke to me, I was able to detect an odor of an unknown alcoholic beverage emanating from her breath and her speech was slurred. I then asked Ms. Hull if she was willing to perform the

voluntary Standardized Field Sobriety Tasks to make sure she was safe to drive. Ms. Hull asked what the tasks consisted of. I advised her the tasks I was requesting her to perform were the Horizontal Gaze Nystagmus task, the Walk and Turn task, and the One Leg Stand task. I asked Ms. Hull if she was willing to perform the tasks I advised her of. Ms. Hull advised she was willing to perform the voluntary Standardized Field Sobriety Tasks. I asked her if she was willing to be relocated to a safer location. Ms. Hull advised she was willing to be relocated to a safer location. Ms. Hull was then relocated to the Marathon gas station on Palm Beach Lakes Boulevard, just east of Interstate 95 (located at 1840 Palm Beach Lakes Blvd, West Palm Beach, FL, 33406). It should be noted that as Ms. Hull sat in the rear seat of my patrol vehicle, I detected an odor of an unknown alcoholic beverage that was emitting from my patrol vehicle that was not there prior to Ms. Hull sitting in the back seat of my patrol vehicle.

The SFST's were conducted at the Marathon gas station parking lot where it was a flat and level surface, that was well-lit from the parking lot lights and my patrol vehicle's white lights.

Each task was explained and demonstrated prior to the defendant performing.

The following tasks were conducted with the corresponding clues of impairment listed below:

Horizontal Gaze Nystagmus (HGN) (Blue stimulus light pen used)

- Equal size pupil observed in both eyes
- Equal tracking with both eyes
- Lack of Smooth Pursuit observed in both eyes
- I observed distinct and sustained nystagmus at maximum deviation in both eyes

It should be noted that Ms. Hull had to be reminded to keep her head straight and to follow the stimulus with her eyes only on multiple occurrences.

Walk and Turn Task (A yellow marked line was utilized during the exercise on a level surface free from any debris).

- Fails to maintain starting position
- Missed Heel-to-Toe steps (9 times walking forward, 9 times walking back)

NOT A CERTIFIED COPY

- Steps off the line (1 time walking forward, 1 time walking back)

- Uses arms for balance (Raises arms more than six inches from sides)

- Stops walking to steady herself (2 times walking forward,

- Incorrect number of steps (11 steps walking forward, 10 steps walking back)

- Improper Turn

One Leg Stand (A watch was used to count the 30 seconds.) Left Leg raised.

First Attempt

Left Leg-

- Puts foot down (1 time)

- Sways to the right

- Uses arms for balance (raised arms more than 6 inches from sides while performing the task)

It should be noted that after 21 seconds passed, Ms. Hull placed her foot down and stopped the task. I then asked Ms. Hull if she was sure that she understood the instructions. Ms. Hull advised she was sure she understood the instructions but wanted to reattempt the task. I then granted her request.

Second Attempt

Left Leg-

- Puts foot down (1 time)

- Sways to the right

- Uses arms for balance (raised arms more than 6 inches from sides while performing the task)

Based on the evidence collected through my investigation and the totality of the circumstances, I determined that there was probable cause to believe that Ms. Hull committed the offense of driving under the influence and by being in actual physical control of the vehicle while under the influence of alcohol, and or any chemical substance, and or any controlled substance while her normal faculties were impaired.

The defendant was placed under arrest for DUI at 02:10 A.M. She was then placed into an FHP marked patrol vehicle. The vehicle was then towed from the location of the stop by Priority's Towing. All items inside the vehicle were inventoried and documented accordingly by Trooper Trenton Prather (ID #5269). The defendant was then transported to the Palm Beach County Breath Alcohol Testing (BAT) facility. At the BAT facility, a 20-minute observation period was conducted by me where she did not ingest anything by mouth or regurgitate (mouth was confirmed to be empty prior to beginning of the observation period). Ms. Hull was then taken to the Intoxilyzer room where she was asked to provide a breath sample to determine the level of alcoholic content within her body. Ms. Hull refused. Florida's Implied Consent was read. I then asked Ms. Hull if she understood Florida's Implied Consent. Ms. Hull asked if I could explain Florida's Implied Consent better. I then advised her that if she refused to provide a breath sample, her license would be suspended for one year for a first offense, and her refusal could be used against her in a court of law. I asked Ms. Hull if she understood Florida's Implied Consent. Ms. Hull advised she understood Florida's Implied Consent. I then asked Ms. Hull if she was willing to provide a breath sample. Ms. Hull agreed to provide a breath sample. Ms. Hull's first breath sample was .161. Ms. Hull's second breath sample was .169.

Ms. Hull was then booked into the Palm Beach County Jail without further incident and charged with the following:

Violation of F.S.S 316.193(1) – DUI Alcohol or Drugs

Violation of F.S.S 316.187(2) – Unlawful Speed 65 Highway/ Turnpike

All the above events occurred within Palm Beach County, State of Florida.

The incident was recorded with my In-Car Camera (FHP0778) which will be made available upon request.
