Upon Deputy Herbert's contact with the defendant, he observed multiple indicators of impairment. While in direct contact with the defendant, I observed him to have bloodshot watery/glassy eyes, he had slurred speech, he had a red in color face, he was unsteady on his feet, and I smelled the strong odor of an alcoholic beverage emitting from his breath. The defendant refused to participate in the field sobriety exercises. After taking the totality of the circumstances and the defendant's indicators of impairment into consideration he was placed under arrest for DUI. As a result, he was read Implied Consent and he continued to refuse. It should be noted, my assigned vehicle is equipped with an intoxilyzer and it was readily available throughout this investigation I further identified the defendant via his DAVID photograph.
