The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:
On the above listed date and time I responded to the above listed location for a two vehicle traffic crash. One of the involved vehicles was a white Infiniti QX50 bearing Florida tag 72DHTM and I identified its driver as the defendant by her Florida Driver's License. I determined during my crash investigation that the defendant caused the crash resulting in property damage. I observed signs of impairment from the defendant to include bloodshot, watery, and glassy eyes and a lethargic attitude. The defendant also spoke with slurred speech and a thick tongue. The defendant made post-Miranda statements admitting to drinking alcohol prior to driving and being the driver and sole occupant of the Infiniti at the time of the crash. During the interview I detected the odor of an alcoholic beverage on her breath. Standardized Field Sobriety Exercises were performed and impairment was observed. I placed the defendant under arrest and transported her to the Hillsborough County Jail. The key to the Infiniti was located in the defendant's purse. Once at the Hillsborough County Jail and after conducting a twenty minute face-to-face observation period, the defendant provided two samples of her breath to the Hillsborough County Jail's Breath Test Operator determining her breath alcohol content to be 0.263 and 0.263.
**Video footage from this incident and SFSEs were captured on my, Trooper A. Carrasco (5152), Mobile Video Recorder (MVR) in FHP1107.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
