NARRATIVE:

On February 2, 2023, I was assigned this case for further investigation upon review of the report completed by Deputy Casteleiro #7860 I learned the following information related to the case:

On February 1, 2023, at 1525 hours Deputy Casteleiro responded to Lake Worth Beach located at 10 S Ocean Blvd in reference to a call for an aggravated assault.

On Wednesday, February 1, 2023, at approximately 1400 hours, while on duty as a parking enforcement officer for the City of Lake Worth Beach, Mr. Santiago was patrolling the upper south end roundabout by the south bathrooms when he encountered a husky white male 25 to 30 years old, approximately 5'10" 200 lbs, with short brownish hair and a scar on the right side of his face above the eye. The male also had a tattoo on his left arm around the shirt sleeve area which had a feather appearance. The male had an orange cruiser-style motorcycle parked in a no-parking zone on the roundabout. Mr. Santiago advised the male to move his motorcycle or he would get a citation. The suspect appeared to be on his cell phone but did respond to Mr. Santiago by telling him to give him ten minutes. Mr. Santiago again advised the male to move or he would be given a citation. Mr. Santiago pointed at the signs posted along the roundabout, which stated "no parking," to show the male.

The male became aggressive and started walking toward Mr. Santiago insulting and cursing at him. Mr. Santiago told the male to stop and leave. The male stopped walking towards Mr. Santiago, then turned around and took a few steps away. The male, while walking away from Mr. Santiago, pulled out a knife with his right hand from an unknown location on his body and turned around towards Mr. Santiago. The male had the knife in his right hand in a low position alongside his

body. Mr. Santiago stated to the male, "Are you serious, you pulled out a knife." The male turned back around and started walking towards his motorcycle. The male, before getting on his motorcycle again, turned back around towards Mr. Santiago and squatted in a low position stating something but Mr. Santiago did not hear what was said to him. The male drove down the south end of the parking lot, making a left southbound on South Ocean Blvd. Mr. Santiago told me that he was in fear for his life when he saw the knife because of how close the suspect was to him. Mr. Santiago can identify the suspect and wants to prosecute.

On February 2, 2023, I met with the City of Lake Worth IT department to get a copy of the surveillance footage from the incident. While reviewing footage I noted at 1400 the orange motorcycle parked in the roundabout with a white male wearing a gray shirt and khaki shoes talking on the phone and walking around in the area. At 1401, Santiago comes into the area and talks with a subject in a silver Honda asking him to move his vehicle also parked in the roundabout. After that vehicle moves Santiago is seen talking in the direction of the male subject standing by the motorcycle.

You can clearly tell that verbal words were exchanged back and forth and the white male subject ignores Santiago and walks off. Santiago walks over to the motorcycle to possibly begin issuing a citation for the parking infraction. The white male subject then walks over to the motorcycle and more verbal words are exchanged with Santiago. It appears Santiago was showing the subject signs posted in the area for no parking. The white male then walks over to his motorcycle, turns around, and begins to continue the verbal altercation with Santiago. Santiago begins stepping backward while facing the white male.

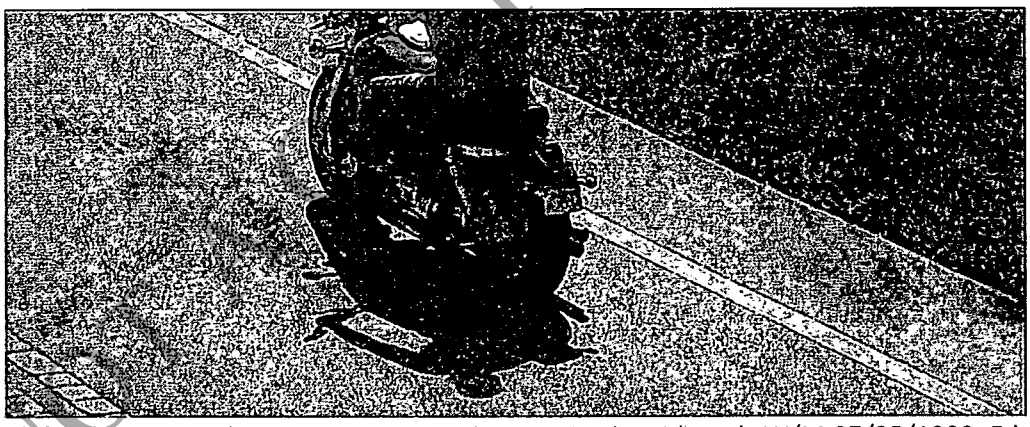

The white male then walks over and gets in the face of Santiago as he is slowing backing away. Santiago reaches for something in his bag on his side, which I later learned was where Santiago kept his radio which he used to call for help. The white male then turns away and quickly is seen grabbing at his right pocket and presenting the knife that Santiago spoke about, holding it by his side. I also observed that the white male was within 1-2 feet of Santiago at this point, which would have given him the intent to use the knife in a deadly manner. The white male then walks over to his motorcycle and again quickly turns around and this time points the knife directly at Santiago while crouched down.

NOT A CERTIFIED COPY

At 1404, the male is seen riding away on his motorcycle, which is when Santiago says he followed trying to get a tag number for the vehicle for suspect identification purposes. Santiago also said that the motorcycle was last seen heading south on S Ocean Blvd after leaving the beach.

With this information, I used investigative resources and located a license plate reader hit (LPR) dated 02/01/2023 at 1407, where the camera was located on South Ocean Blvd. This coincided with the information provided in the report for the direction of travel for the suspect after the altercation. The LPR hit also provided a photo which showed a white male riding an orange motorcycle bearing Florida tag# MSCX37. This also match the suspect and vehicle description Santiago provided.

Upon a records check for the tag number, it was registered to Travis Alan Edwards W/M 07/25/1993. Edwards had a last known address of 810 S L St in the City of Lake Worth Beach. I reviewed a report completed on December 18, 2022, where Edwards as an other and was documented in a disturbance. The report noted that Edwards was riding his golf cart in the downtown area when he was yelled at for driving too fast. Edwards stated to Deputy Hall that he circled back to confront the person who yelled at him. An altercation happened as a result of Edward's actions. The subjects fled in a vehicle and Edwards followed until deputies arrived.

NOT TIFED C

NARRATIVE CONTINUATION

When Deputy Hall interviewed the other subjects they stated the same information but that Edwards pulled a small blade or box cutter and displayed it at them while driving in circles on his golf cart. No criminal charges were filed in this case.

Believing that the registered owner was the same subject in this case as he had matching physical characteristics provided by Santiago, I completed a photo lineup and met with Santiago at Lake Worth Beach. I asked that Deputy Herzog respond as he was unfamiliar with the case and complete the photo lineup. Prior to conducting the photo lineup, I did a sworn statement with Santiago confirming all the information provided in the initial report. Deputy Herzog then read all instructions stated on the front of the photo lineup and Santiago stated he understood and sign each one. [redacted] said that Santiago opened the packet, took approximately 3 minutes to review and, selected photo two which he circled and signed with the date. When I was given back the photo lineup Santiago had selected subject two which was in fact, Travis Alan Edwards. The photo lineup was recorded on Deputy Herzog's in-car video.

On this same date, I responded to 810 S L St which was the last known address for Edwards in an attempt to interview him about the incident. While standing at the front door after knocking, I observed in plain view under a canopy the orange motorcycle observed in the video and on the LPR hit. Edwards answered the door and I asked if he would be willing to speak with me about the incident that had happened at the beach. Edwards provided a verbal yes and exited the front door and closed it behind him. I then explained that I was going to begin an audio recording for the interview and read Edwards his Miranda warnings as he was a suspect in a criminal investigation. Edwards then stated that he wanted a lawyer present for the interview. I then explained that was fine and I would no longer be asking any questions related to the case. As I was leaving, Edwards then spontaneously uttered, that it was no big deal he only pulled the knife because the guy reached into his bag so Edwards believed he had a weapon also. I then explained again to Edwards that it was in his best interest to stop talking as he requested a lawyer and I was not asking any more questions. Edwards then said that he would be willing to provide a statement and no lawyer was needed. I then began my audio recording, where I read Miranda warnings and Edwards stated he understood. I asked Edwards to confirm that he had previously stated he wanted a lawyer prior to his recording and that he had changed his mind and was wishing to provide a statement. Edwards then said that he didn't want to and asked for a lawyer again. The audio statement was then turned off. Deputy Herzog was also present during this time and was a witness to the exchange.

Based on the above investigation I find that probable cause exists to arrest and charge Travis Alan Edwards with Aggravated Assault (w/deadly weapon) per FSS. 784.021(1)(a).
