The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☒ was observed by OFC. RUSSO who told OFC. DENIER that he/she saw the arrested person commit the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 21 day of October, 2026 at 14:37 (Specifically include facts constituting cause for arrest.)

My department-issued body-worn camera was activated during this incident.

On Wednesday, 10/21/2026 at approximately 1408 hours, while assigned to uniformed road patrol in my unmarked patrol vehicle, I responded to 700 S Delaware Blvd, Jupiter, FL 33458 in reference to a call for service initiated by Ofc. Russo, ID# 1296, who was assigned as an off-duty uniformed officer to Jupiter Christian School.

Upon my arrival, I observed a black Dodge Ram pickup truck bearing FL Tag JETT8 parked in front of the closed gate for Jupiter Christian School. I observed an older white male wearing a black sleeveless shirt and white shorts standing next to the driver`s side of the truck. The older white male was later positively identified as Trebor Tarris (W/M 09/17/1970) by his valid Florida Class E driver`s license. Ofc. Russo approached me and stated he observed the black Dodge truck stopped at the stop sign at S Delaware Blvd and Mohawk St, facing south, for an extended period. He observed a school security guard approach the driver`s window and begin speaking with Tarris. Tarris then drove the black Dodge in front of the closed school access gate. The security guard told Tarris he could not block the school and had to back up to the stop sign where he was parked in front of the gate. The school begins class dismissals at 1445 hours. Tarris then began to back his vehicle into the roadway and drove onto Mohawk St, parking on the north side of the road with the front half of his vehicle in the roadway. Security again told him to move and reminded him where to go. Tarris moved, but failed to follow directions and again parked in front of the gate. Ofc. Russo then directed Tarris on where to park. Tarris began to reverse and almost struck a pole near the intersection. Tarris drove forward and began to block the gate again. Tarris exited his truck and asked Ofc. Russo where he was supposed to go, even though he had been given the instructions multiple times. Ofc. Russo asked Tarris for his driver`s license. Tarris had to be reminded multiple times to provide his driver`s license. Tarris eventually gave Ofc. Russo an Aldi`s grocery store card. Ofc. Russo asked Tarris

if he had been drinking or if he had any medical issues. Tarris answered "No" to his questions. Tarris informed Ofc. Russo that he was there to pick up his 10-year-old son. (See Ofc. Russo`s supplemental report for further)

I then met with Tarris and asked him not to lean on his vehicle while I spoke with him. Tarris`s eyes appeared glossy, and he appeared to have unsteady balance. I asked Tarris where he was coming from, and he said he came from his house. I asked what he had been doing earlier, and Tarris stated he had been drinking. I asked Tarris what he drank and how much. Tarris stated he drank 9 beers and did not tell me the brand. While speaking with Tarris, he swayed in an orbital manner, and I noticed the odor of an unknown alcoholic beverage coming from his breath, which intensified as he spoke. Tarris` speech was slurred at times when he spoke.

Based on what I had seen thus far and what Ofc. Russo advised me of, I asked Tarris to perform Standardized Field Sobriety Tasks (SFSTs), which he agreed to perform. I asked Tarris if he had any physical defects or disabilities, problems with his eyes, was sick or injured, under the care of a doctor or dentist, or if he had taken any medications or drugs. Tarris answered "No" to my questions but stated he was blind in his left eye. I then relocated my vehicle, and Tarris was escorted to the sidewalk in front of the school. I asked Tarris again if he had any problems with his eyes, and he answered, "No." I then gave Tarris instructions for the Horizontal Gaze Nystagmus Task (HGN), which he stated he understood and had no questions about. I began administering the task, and Tarris would not follow my stimulus as instructed; he moved his head even after I reminded him several times not to move it. I asked Tarris if he wanted to continue with the task, and he said he did. Tarris again did not follow my instructions. I read Tarris his Taylor Warnings, which he stated he understood, and he had no questions. I attempted to administer the HGN task, but Tarris would not follow the instructions. While attempting to administer the HGN task, Tarris stopped and leaned against the fence multiple times.

I then gave the instructions for the Walk and Turn Task. During the instruction stage, I instructed Tarris to place his left foot on the red tape line that I placed on the ground and to put his right foot in front of his left foot in a heel-to-toe manner. Tarris placed his feet on the line as instructed and began walking on the line before I told him to start. I instructed Tarris multiple times to stop walking and stand as instructed. Tarris continued to walk. Tarris stated he was worried because his son would be leaving school soon. Tarris then stated he did want to continue with the tasks and later stated he wanted to continue with the task. I attempted to give the instructions for the Walk and Turn task again, but Tarris continued not to follow my instructions.

I then gave Tarris the instructions for the One Leg Stand, which he stated he understood and had no questions. During the task, Tarris raised his right leg, bent at the knee,

counted 1, 2, 3, 4, 5, 6, and placed his foot on the ground. Tarris then walked to the fence and leaned on it. Tarris stopped the task.

I then gave Tarris instructions for the Finger to Nose task; he stated he understood, had no questions, and showed me he knew his left from his right. During the task, Tarris raised both arms toward his chest, resembling a T-Rex dinosaur. I gave Tarris the instructions for the Finger-to-Nose Task again. During the task, he did the following: 1-Left, he began to raise his right hand, corrected himself, touched the left side of his nose with the side of his finger, and did not bring his hand down immediately. 2-Right, he touched the left side of his nose with the side of his finger. 3-Left, began to raise his right hand, corrected himself, and touched the side of his nose with the side of his finger. 4-Right, he touched the side of his nose with the side of his finger. 5-Right, used his right hand, and touched the side of his nose with the side of his finger. 6-Left, touched the side of his nose with the side of his finger.

As a result of my investigation, I placed Tarris under arrest for DUI and secured his hands behind his back, which were checked for proper spacing and double-locked to prevent further tightening. I placed him in the rear seat of my patrol vehicle and later transported him to the Palm Beach County Breath and Alcohol Testing Center (BAT). Ofc. Russo conducted an inventory of Tarris` vehicle and found an open Natty Ice beer can in a bag directly behind the center console, with a peanut shell on top. Tarris had a bag of peanuts on the center console. This was a 12 oz beer can and was labeled as being 5.9% alcohol.

Upon our arrival at the BAT, I conducted a 20-minute observation period during which Tarris did not consume or regurgitate anything by mouth. I asked Tarris to provide a lawful breath sample, which he declined. I read Tarris the Implied Consent and asked if he understood, and he said he did not. I explained Implied Consent again, and Tarris said he would provide a breath sample. Tarris provided two lawful breath samples: BrAc .296 and BrAc .302. I read Tarris his Miranda Warning, and he asked if he was under arrest and for what. I told him that he was under arrest for DUI. Tarris began saying that he would never be able to see his son and that he would have to start holding a sign on 45th St asking for money.

Based on the facts above, I found probable cause to charge Trebor Tarris with Driving Under the Influence, BAC above .15, pursuant to FSS 316.193(4).
