PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 4 day of May, 2024 at 21:11 (Specifically include facts constituting cause for arrest.)

On 05/04/2024 at approximately 2111 hours, this Officer was conducting speed enforcement in the area of the 12200-block of N Military Trl, PBG, FL, when a vehicle was observed traveling at an increased rate of speed north bound in the outside through lane. Body worn camera and in car video were used.

This Officer visually estimated the vehicle to be traveling approximately 70 MPH in a posted 50 MPH zone. Using RADAR Stalker DSR2X (DB001317), rear antenna (KR027120), this Officer received a steady doppler tone and reading of 73 MPH. The RADAR calibration was last checked on 11/13/2023 and was due on 05/23/2024. Prior to this tour of duty on this date, this Officer ensured the RADAR was in working order, to confirm the accuracy of the unit. At the end of this tour of duty, this Officer did the same. This Officer received RADAR/LIDAR certification on 05/31/2008, in Cannon AFB, NM. This Officer entered the sample lane as the vehicle and observed same drift within the lane from the outside fog line onto the dividing line of the middle through lane. This Officer activated overhead red and blue lights to conduct a traffic stop, to which the vehicle continued north bound at a slower speed before finally coming to a complete stop just south of Heritage Dr.

This Officer approached the driver window and made contact with the driver, identified via Florida Driver License photo, Trisha Hardin (OF), while she was still in actual physical control of same. This Officer observed Hardin to have red watery eyes, flushed red face, very slurred speech, and the strong obvious odor of an unknown alcoholic beverage emanating from her breath at conversational distance. Hardin apologized multiple times for speeding and her highly intoxicated passenger claimed to have been distracting her. Hardin provided her driver license and had to be reminded to provide her registration and insurance. Hardin provided this Officer with a paper from the owner`s manual then said she did not have the registration. Hardin said she was on her way home and said she was coming from a "fucking stupid white trash party". Hardin`s

PROBABLE CAUSE STATEMENT

passenger then claimed the two were coming from "Ralph`s". Hardin claimed to have consumed two drinks on this night and denied consuming narcotics and/or medication.

Based on this Officer`s observations, this Officer expressed concern to Hardin that she was under the influence and asked her to exit the vehicle to participate in Standardized Field Sobriety Exercises, to which she asked for a lawyer. This Officer then commanded Hardin to exit the vehicle, to which she complied. Hardin was uneasy on her feet and walked with an unsteady gait, while placing her left hand onto her vehicle to assist with balance. This Officer told Hardin he respects and understands Hardin`s request for an attorney and Hardin would not be compelled to do the exercises. This Officer then advised Hardin of her Taylor Warnings to which she acknowledged and said "I don`t want to go to jail". This Officer accepted this statement as Hardin recanting her previous request. Hardin said she did not have any medical conditions which would affect the exercises performed.

The first exercise conducted was the Horizontal Gaze Nystagmus. The stimulus used was a Streamlight Stylus with an illuminated red tip. Hardin had a lack of smooth pursuit in both eyes as well as involuntary jerking at maximum deviation in both eyes. Hard also had the onset of Nystagmus in both eyes prior to 45 degrees. Hardin had to be told multiple times not to move her head.

The second exercise conducted was the Walk and Turn. The line used was a strip of yellow tape placed upon the pavement by this Officer. During the instructions, Hardin had great difficulty getting into and remaining in the starting position. Hardin stepped out of the starting position and raised her arms from her sides. Hardin also started the exercise prior to being told to do so. During the first set of steps Hardin, missed heel-to-toe on all steps and missed the line five times. Hardin raised her arms more than six inches from her sides and paused to regain balance after step six. Hardin took 15 steps rather than nine then conducted an improper turnaround by way of walking around rather than a series of small steps. During the return set of steps, Hardin kept her arms raised well over six inches from her sides and again missed heel-to-toe on all steps. Hardin missed the line four times and paused every three steps. Hardin took 15 steps rather than nine.

The third exercise conducted was the One-Leg Stand. During the exercise Hardin raised her left foot. Hardin swayed side-to-side and raised her arms more than six inches from her sides. Hardin placed her foot down twice prior to being told to do so. Hardin also bent her raised knee, had to be reminded to look at her raised foot and she did not count aloud as instructed.

Based on this Officer`s observations, Hardin was placed under arrest at 2132 hours. During an inventory of the vehicle, Ofc Badolati 552 located a clear plastic cup in the center console with a yellow liquid and ice cubes contained within. The liquid had the

PROBABLE CAUSE STATEMENT

obvious odor of an alcoholic beverage. Using Intoximeters Alco-Sensor FST (#259219), this Officer positioned the device above the lip of the cup and received a reading of .033 indicating the beverage contained alcohol. Ofc Badolati also located prescription medication in Hardin`s purse in a plastic rectangular box, which was not a properly labeled prescription bottle. There were two blue oval pills stamped G3721 and two white oval pills stamped 377. Both of these were later determined to be controlled substances, which Hardin claimed to have a prescription.

At PBSO BAT, this Officer conducted a 20 minute observation period noting no issues. This Officer requested Hardin provide a breath sample for the purpose of determining its alcohol content, to which she requested a lawyer. This Officer explained the request was not possible at this time and read Florida Implied Consent to Hardin, to which she aknowledged and consented. At 2238 hours she provided an incomplete breath sample of .109. At 2242 hours she provided a breath sample of .115. At 2248 hours, she provided another incomplete breath sample of .107. Hardin was given clear, simple instructions by this Officer and PBSO Breath Tech Ragin multiple times. Hardin failed to provide two valid breath samples which was declared a failure to submit at 2249 hours.

Based on the results of the investigation, this Officer has probable cause to charge Trisha Hardin with driving under the influence to the extent her normal faculties were impaired, with an unlawful breath alcohol content, in violation of FSS 316.193(1)(C). Hardin was also carrying prescription medication which was not properly labeled to indicate that possession is by a valid prescription of a practitioner licensed by law, in violation of FSS 499.03(2).
