The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

The defendant was driving a gray 2017 Jeep 4x4 eastbound in the left lane of W. Platt St at a high rate of speed. I confirmed his speed to be 57 MPH in a posted 30 MPH speed zone with my Stalker DSR-E Dual radar system.

During the traffic stop for the speeding infraction, the defendant was identified via a USA passport and a David Photo. He exhibited several clues of impairment, to include: watery/bloodshot eyes, blank/dazed stare, slurred speech, tired/lethargic appearance, slow/deliberate movements, confusion with his paperwork, disorientation (he thought we were in Lakeland), fumbling fingers, he was in possession of an opened can of High Noon (alcoholic beverage), he admitted to drinking "a beer" at a friend's house, and he emitted a distinct odor of an alcoholic beverage on his breath.

The defendant was arrested for DUI following a poor performance on SFSEs and was transported to booking.

While at CBT, the defendant refused to submit to a breath test, despite being advised of Implied Consent.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
