PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☐ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 30 day of June, 2023 at 02:19 (Specifically include facts constituting cause for arrest.)

On 06/30/2023 at approximately 0154 hours, I was patrolling the area of 100 S. Federal Hwy when I observed a white BMW convertible bearing GA temp tag S1571586 driving eastbound on SE 1st St approaching S. Federal Hwy. The vehicle then continued eastbound and crossed S. Federal Hwy using the northbound left turn lane, then continued eastbound onto SE 1st St. The vehicle then made a northbound turn onto SE 1st Ave, where it then failed to stop at a stop sign at E. Royal Palm Rd., in violation of F.S.S. 316.074(1).

I activated my lights and sirens in my marked patrol vehicle, and the vehicle came to a stop just north of E. Royal Palm Rd. on SE 1st Ave. I then made contact with the driver and sole occupant of the vehicle. I informed the driver that I stopped her due to crossing S. Federal Hwy incorrectly, and then failing to stop at the stop sign. I then asked the driver for her driver`s license, vehicle registration, and vehicle insurance. She provided me her Florida driver`s license, identifying her as Vanessa Bipat. She then handed me a card with a photo of her dog on it. I asked her where she was coming from and where she was heading, and she replied she had just dropped her friend off, and before that she was coming from a Kava bar around the corner where she consumed two tequila drinks. She advised she was heading home to her residence. She then advised she had just bought the car and did not know where her registration and insurance was. She then continued to look and eventually found her temporary GA registration. While waiting for the insurance, I observed Bipat had slurred speech, glossy eyes, and had slowed movements. Based on her driving patten and my observations, I became concerned that Bipat was possibly operating a motor vehicle while under the influence of alcohol and/or a chemically controlled substance. I asked Bipat to step outside the vehicle to speak with me outside of the roadway. She complied and willingly stepped out. Bipat advised she does not take any prescription medications and she has no physical injuries. While still waiting for her insurance, I could smell a strong odor of an unknown alcoholic beverage emanating from her breath and person. I asked Bipat if she would be willing to participate in field sobriety tasks to dispel my alarm that she was under the influence.

PROBABLE CAUSE STATEMENT

Bipat agreed to participate in the tasks. I explained and demonstrated each task.

According to Bipat, she does not use prescription glasses or contact lenses, does not have any issues with her eyes, has no medical issues, first language is English, and highest level of education is a graduate degree.

The first task was the Horizontal Gaze Nystagmus. After explaining the instructions, I asked Bipat if she had any questions. She replied "no." I then asked if she understood the task, and she replied "yes." During this task, I had to remind Bipat not to move her head. I noticed a lack of smooth pursuit in both eyes, Bipat would lose focus of the tip of the pen multiple times, she had distinct and sustained nystagmus at maximum deviation in both eyes, and nystagmus in both eyes prior to 45 degrees.

I then guided Bipat over to a solid straight yellow line on a flat and dry surface in a well-lit area. There were two yellow lines, so I pointed to the line we would be using. Bipat acknowledged and pointed to the line with her foot. I afforded Bipat the opportunity to participate in the following tasks with her sandals on or off, and she chose to use her sandals.

The second task was the Walk and Turn. After explaining the instructions, I asked Bipat if she had any questions. She replied "no." I then asked if she understood the task, and she replied "yes." Bipat could not maintain the starting position. It took me multiple times explaining to her to have her start in the correct starting position as she could not distinguish her left and right foot. Once in the correct position, she then took wide steps, not keeping heel-to-toe, took an incorrect number of steps until she reached another marked patrol vehicle, turned improperly, stopped to ask me what to do next, and then stepped on the other (incorrect) line, took wide steps, not keeping heel-to-toe, took an incorrect number of steps until she reached the end of the line.

The third task was the One Leg Stand. After explaining the instructions, I asked Bipat if she had any questions. She replied "no." I then asked if she understood the task, and she replied "yes." Bipat had to put her foot down multiple times, she stopped counting at one point, she counted incorrectly, and she was swaying.

The fourth task was the Finger to Nose (L-R-L-R-R-L). After I explained and demonstrated the task, she advised she understood. She showed me she knew what hand was her left and right. She also showed me she knew what her index finger was, and where the tip of her nose was. I had to remind her to keep her head tilted back, she missed one attempt, and she started using her left hand on the third right, then changed to her right hand.

The fifth and final task was the Rhomberg Alphabet (A-Z). Bipat advised she could recite the English alphabet from A-Z without singing it and without skipping any letters. Bipat then recited the alphabet correctly, however, paused toward the ending.

PROBABLE CAUSE STATEMENT

Based on the above information, I developed probable cause to arrest Vanessa Bipat for DUI. I handcuffed Bipat, checked for tightness and proper fit. I conducted a search of her person and then placed her inside of my marked police vehicle. I then transported Bipat to BRPD booking to obtain a breath sample. Ofc. Timoney responded to BRPD booking as the breath tech operator. Upon arrival, a 20-minute observation was conducted and then Bipat was taken into the BRPD BAT room. I requested Bipat to provide a sample of her breath for the purposes of determining the alcohol content. Bipat declined to provide a breath sample. I then read Bipat her Florida Implied Consent Warnings, and she acknowledged she understood. I then asked Bipat if she would provide a breath sample with those Implied Consent Warnings in mind, and she again refused to provide a breath sample. I then read Bipat her Constitutional Warnings, and she advised she understood. She declined to answer any questions.

Vanessa Bipat is being charged with DUI pursuant to F.S.S. 316.193(1)(a). I issued Bipat a DUI citation (#AG43D9E). I also issued Bipat a warning citation for running a stop sign (#1228748). Bipat was transported to Palm Beach County Jail without issue.
