On the 5 day of March, 2023 at 17:27 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On March 05, 2023, at approximately 1700 hours, I was dispatched to a reckless driver near Clint Moore Road and N Military Trail. Boca Raton Dispatch advised an anonymous caller saw a white Mercedes Benz Suv bearing Florida tag # 51AYUN failing to maintain its lane and was last seen driving eastbound on Clint Moore Road from N Military Trail.

I then located the vehicle in the eastbound thru lane at Clint Moore Road and Congress Avenue. The vehicle was stopped in the crosswalk at a solid red light. I then positioned my BRPD marked unit #458 behind the vehicle and activated my in-car camera. The traffic signal then turned green. The vehicle stopped in the middle of the intersection and abruptly turned northbound, almost causing a vehicle accident.

I then activated my emergency lights and sirens to conduct a traffic stop at Clint Moore Road and Congress Avenue. The vehicle continued driving northbound on Congress Avenue. I had to use my siren to get the driver`s attention before she finally stopped in the parking lot of Costco, located at 17800 Congress Avenue. Officer Horne responded to the scene as a backup officer.

I walked up to the vehicle and observed a white female, later identified as Victoria Salem, who was in the Driver`s Seat. Salem attempted to exit her vehicle until I told her to sit back inside. I explained to Salem why I pulled her over and asked for her driver`s license, insurance, and registration. Salm advised she could not provide a Florida driver`s license because she had not received it in the mail. I asked Salem where she was coming from, and she stated painting. While speaking with Salem, I was able to smell an odor of an alcoholic beverage coming from Salem`s breath. Her eyes were red and glassy. Her speech was slow and slurred. Her face was red and flush.

I then asked Salem to step out of the vehicle and in front of my marked unit. Once out of the vehicle, she was swaying back and forth. I explained again the reason why I

pulled her over. Salem stated she was sorry. I then asked Salem if she would be willing to submit to some roadside sobriety tasks to dispel my alarm that she is drinking and driving, and she stated yes.

I asked Salem if she had any medical issues or injuries, and she stated, "No." It should be noted we were on a flat smooth, and dry surface. I explained to Salem that she should take off her high heels because it could affect some of her performance, and she said no.

The first task was the horizontal gaze nystagmus. Salem was swaying side to side while standing. Salem stated she does not wear glasses or contacts. There was a lack of smooth pursuit in each eye. There was distinct and sustained nystagmus at maximum deviation in each eye. There was an onset of nystagmus prior to 45 degrees in each eye.

The second task was the walk and turn. Salem could not maintain the starting position as she was instructed. Salem did not have her arms at her side and did not stay still. Salem stated that she understood the instructions. I then had Salem remove her high heels before she began the task. Salem failed to look at her feet, touch heel to toe, and she made an improper turn. Salem was unable to complete the task as instructed, she did not count out loud, and she walked more than nine steps forward and on the way back.

The third task was the one-leg stand. Salem was unable to maintain the starting position. She was swaying back and forth and did not keep her arms to his side. Salem failed to look at her toe as she was instructed. She also used her hands to maintain her balance by putting them up in the air, and she did not count out loud like she was instructed (One thousand one...). Salm chose to use her left foot as the elevated foot but put her foot down several times. Salem did not follow the instructions even though she stated she understood them.

The fourth task was the finger-to-nose (L-R-L-R-R-L). I asked Salem if she understood the instructions, and she stated, "yes." Salem did not have her head tilted back when conducting the task, eyes closed, and was swaying back and forth. Salem did not put her index finger back down to her side after touching her nose as she was instructed to.

The fifth task was the Romberg Alphabet. Salem advised she is currently attending F.A.U. to receive her Masters. Salem did not have her head tilted back nor her eyes closed. I asked if she understood the instructions, and he stated, "yes." Salem began to recite the alphabet rhythmically and stopped at G. I asked Salem if she was more comfortable reciting the alphabet in French because that was her first language, and she said Yes. Salem began to recite the alphabet in French but then started to say it in English, again reciting it rhythmically.

The sixth task was the Romberg Balance. I asked Salem to estimate 30 seconds in her

head, and once she was done, she was told to say stop. On my watch, I observed 15 seconds pass when Salem said stop. Salem did not have her head tilted back as instructed.

At 1727 hours, I placed Victoria Salem under arrest. I placed Salem into handcuffs which were double locked and checked for tightness. Officer Harrison then responded to the scene to search Salem. After the search was completed, Salem refused to get inside my BRPD-marked unit. After several attempts to convince Salem to enter my vehicle, she refused. Officer Horne and I then picked up Salem and placed her in the back of my vehicle.

I transported Salem to BRPD to be processed. Officer Horne conducted The Intoxilyzer 8000 testing. During the Observation period, Salem began to threaten us because who her husband was. Salem then requested a lawyer.

Once inside the BRPD B.A.T. room, I asked Salem to provide a breath sample. She stated, "No," and asked what the consequences were. I read her Implied Consent. I had to explain it to Salem several times until she understood. Salem stated she would not decide with the handcuffs on. I asked her again to provide a breath sample, and she stated, "Take the handcuffs off and let me blow my nose." At 1834 hours, she was issued a refusal.

I then asked Salem to sign her D.U.I. Citation, but she said No. I explained to consequences of refusing to sign a D.U.I. citation, but she still refused. Salem was charged with D.U.I. F.S.S. 316.193(1)(a) Resisting without violence per F.S.S. 843.02, and Failure to sign per F.S.S. 318.1(3). She was given the court date of 04/03/2023 at 8:30 am. Westway Towing towed the vehicle. After processing, she was transported to The Palm Beach County Jail.
