Probable Cause

On 10/17/2025 at approximately 8:55 AM Trooper Tiano #1923 and I were dispatched to a crash that had occurred southbound on State Road 91 (Florida's Turnpike) on the Exit Ramp to State Road-804. Upon arrival Trooper Tiano #1923 took over the crash investigation. Trooper Tiano observed two vehicles on scene, one on the shoulder and the other on the outside shoulder grassy ditch facing in the opposite direction. Trooper Tiano completed the crash investigation and changed hats and began a DUI investigation.

Personal Contact:
Trooper Tiano approached the vehicle on the driver's side and observed the driver behind the wheel of the vehicle. The driver who he later identified with by their FL/DL (N-438-898-96-000-0) to be Victoria Elizabeth Nemerson with a DOB of 08/11/1961. Ms. Nemerson advised Trooper Tiano that Ms. Nemerson had no recollection of the crash and what had occurred. She appeared to confused and would give Trooper Tiano the wrong answers to the questions. Ms. Nemerson had slurred speech and delayed responses. Had glasses and bloodshot eyes. She was unable to maintain balance and needed to lean on the vehicle in order to keep herself from falling over.

Pre-Arrest Screening:
Before the exercises, Trooper Tiano asked the subject a series of medical questions, learning that the subject was not sick but had a previous hip injury from a fall. The subject had no physical defects. The subject was prescribed medications which will be listed in the incident report. Trooper Tiano then began the exercises, starting with checking the subjects' eyes.

HGN-Horizontal Gaze Nystagmus-
During this exercise Trooper Tiano was unable to perform this or any other exercise due to the subject falling and failed to listen to and understand the instructions that were given to her. Based on what Trooper Tiano observed there were indicators for decision to point to arrest for DUI.

At approximately 11:09 AM Trooper Tiano placed the subject under arrest for DUI and advised her of the same, Trooper Tiano then asked the subject if she would provide a sample of his breath for the purpose of determining its alcohol content, to which she agreed. The subject was then transported to Palm Beach County Jail for booking when he was unable to obtain two samples of breath due to the subject failing to cooperate. Trooper Tiano then read implied consent, subsequently resulting in the subject understanding what the result would be. The subject was issued a DUI refusal.
