The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

The defendant was observed driving his motor vehicle (black Toyota Tundra, FL tag IJ28ZB) the wrong way on a one way street by Officer W. Burbridge #479. A lawful traffic stop was conducted and the defendant (driver) negotiated a u-turn to face the correct way to pull over. Upon making contact with the defendant, he was observed in the driver's seat and was the lone occupant of the vehicle. I was called to assist with conducting a DUI investigation. While speaking to the defendant, I smelled a strong odor of an alcoholic beverage emanating from his breath. The defendant's speech was slurred, and he had red, watery, bloodshot eyes.

The defendant agreed to perform standardized field sobriety exercises (SFSE). I observed indicators of impairment on HGN, Walk and Turn, and One Leg Stand. The defendant was read Implied Consent on recorded video at CBT and subsequently agreed to provide breath samples. The defendant's first breath sample produced a BrAC of 0.179 and his second produced a BrAC of 0.180. The defendant had no prior DUI convictions per a DHSMV/DAVID query.

The defendant was positively identified by his FLDL.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
