PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that I have just and reasonable grounds to believe, and do believe that the above named Defendant committed the listed violation(s) of law. The Person taken into custody:

- ☐ Committed the below acts in my presence.
- ☐ Confessed to [WITNESS] admitting to the below facts.
- ☐ Was observed by [WITNESS] who told [WITNESS] that he/she saw the arrested person commit the below acts.
- ☒ Was found to have committed the below acts, resulting from my (described) investigation.

On October 11th, 2026 at approximately 20:59, I responded to [redacted] in unincorporated [redacted] reference a domestic disturbance.

Upon arrival, I made contact with Wallison Moura and he stated that he and [redacted] had attended church earlier in the day and spent time with their children at a playground. He explained that after returning home, both children had fallen asleep in the car. [redacted] asked him to take the dog inside first so it would not bark and wake the children. Moura took the dog for a walk while [redacted] attempted to keep the children asleep. The younger child woke up. [redacted] became upset and brought the child to Moura while he was in the bathroom, telling him it was his turn to care for the child because the child had woken due to him. Moura stated [redacted] was yelling at him and he became frustrated. He had a roll of toilet paper in his hand and threw it at [redacted], striking her in the neck area. [redacted] then approached him and struck him multiple times on his chest and back.

I observed redness along Moura's chest and back along with scratch marks on his back. Moura stated this was the first time any physical altercation had occurred between them. He indicated [redacted] takes medication for anxiety and expressed concern that she might take their two children, ages four years and nearly two years, to Brazil.

I then spoke with [redacted] through a translator who was present at the residence. [redacted] provided a sworn taped statements stating she had been caring for the children all day and was tired. After returning home from church, she attempted to put the younger child to sleep while Moura was in the bathroom. The child woke up and she brought the child to Moura, stating he needed to care for the child. An argument began and Moura threw a toilet paper roll at her face and neck area with force. She approached him in response and struck him on the chest. The translator, who was present in the residence during the incident, stated he observed Moura throw the toilet paper roll at [redacted] from behind, striking her in the neck area.

I did not observe any visible injuries on [redacted] where the toilet paper roll struck her. She confirmed they

had been together for five years and had two children together but were not legally married. [redacted] also stated she did not wish to prosecute.

Based on my investigation, I determined Wallison Moura was the primary aggressor because he threw a roll of toilet paper at [redacted] head, initiating the physical altercation. Moura was placed under arrest, finger gapped, double locked and checked for proper fit, for domestic violence battery. I transported Moura to the Palm Beach County Jail without incident.

I further acknowledge that I have reviewed the report, made any necessary edits, and believe it to be an accurate representation of my recollection of the reported events. I am willing to testify to the accuracy of this report.
