The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On 4/5/2025, at approximately 0008 hours, HCSO received a call from Class Act Showbar located at 14731 N Florida Ave in reference to a vehicle that had struck other vehicles in the parking lot. Prior to arrival, all vehicles involved with contact in the parking lot had fled the scene.

I arrived and observed a gray Dodge Ram 3500 pickup truck bearing Florida Tag 45EQP being driven by the defendant. I approached the defendant and observed that his face was flushed and his eyes were glassy, bloodshot, and watery. When retrieving his driver's license, the defendant had fumbling fingers and slow movements. The defendant exited the vehicle and had a noticeable sway and difficulty keeping balance. Due to a language barrier, Deputy Albiter (ABN 264221) translated to the defendant. While speaking, the defendant's speech was slowed, and slurred, and he was speaking with a thick tongue.

I requested the defendant perform Standardized Field Sobriety Exercises (SFSEs), which the defendant agreed to. During SFSEs, indicators of impairment were observed and the defendant was placed under arrest and cited for DUI (AFYJJSE).

The defendant was transported to Central Breath Testing, where he agreed to provide a breath sample. However, after the 20-minute observation, the defendant refused to provide a breath sample. Deputy Diaz (ABN 260234) read the defendant's implied consent in room 1 of CBT. The defendant advised he understood the implied consent and refused to provide a breath sample.

The identity of the defendant was confirmed via DAVID.
