PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that I have just and reasonable grounds to believe, and do believe that the above named Defendant committed the listed violation(s) of law. The Person taken into custody:

- ☐ Committed the below acts in my presence.
- ☐ Confessed to [WITNESS] admitting to the below facts.
- ☐ Was observed by [WITNESS] who told [WITNES S] that he/she saw the arrested person commit the below acts.
- ☒ Was found to have committed the below acts, resulting from my (described) investigation.

On June 28th, 2026, I, Detective B. Branco with the Palm Beach County Sheriff's Office – Targeted Violence Unit (PBSO TVU), was assigned to follow up on a complaint regarding a series of emails beings transmitted by the suspect, Yehiel Kyle Israel, and sent to the victim, [redacted] the [redacted] of the Jewish Lawyers Association of Palm Beach County ("JLA"), and possibly others. [redacted] contacted law enforcement to report that Israel, a former member of the JLA, had been transmitting a high volume of unsolicited emails to him personally, as well as to other identified members of the association and additional recipients, and that the communications had been escalating in frequency, emotional intensity, and threatening content throughout the month of June 2026.

I made contact with [redacted] via cellphone, who provided me with the following information. [redacted] is a managing partner of [redacted] and also the [redacted] of the JLA of Palm Beach County. In 2025, Israel, who is a private attorney, joined the JLA. Since joining, Israel's behavior and email communications to several subjects, including [redacted] other members of [redacted] association such as Heather Stohlman, and federal judges and senators, have become concerning and questionable and [redacted] believes it is escalating. [redacted] advised that over the span of approximately one month, Israel has sent hundreds of emails from "kyleislaw@gmail.com" to him and the subjects mentioned above. The context of these emails varies, but typically include odd requests or demands such as "physiological restitution", describing his dissatisfaction with entities such as Orlando Police Department, Palm Beach County Sheriff's Office, The Florida Bar, [redacted] himself, "the Daneshgar Empire" , and so on. I asked [redacted] if any of the emails contained a written threat to kill or cause harm to anyone, which he advised no. I then asked [redacted] to email me any pertinent emails he would like me to review, which he agreed to do at a later date.

[redacted] advised that the email chains that would be provided were not the entirety of the communications

NOT A CERTIFIED COPY

Israel had transmitted, as he has received hundreds of emails, but rather a representative sample of the most recent and most escalating series of emails. [redacted] reiterated that the volume of emails he had received from Israel over the last month numbered in the hundreds, and that he had, on prior occasions, responded to Israel directly and requested that Israel stop sending the emails. I also requested that [redacted] provide me with a copy of his email to Israel requesting he cease and desist any further communication. [redacted] stated that rather than ceasing the communications upon receiving that request, Israel's conduct escalated further, becoming more frequent, more aggressive in tone, and more personal.

On Monday, June 29th and Tuesday, June 30th, 2026, [redacted] provided me with six email chains, each containing multiple individual email messages authored and transmitted by Israel from "kyleislaw@gmail.com" and "kyle@protectingyourfuturelawgroup" to [redacted] email [redacted] with various other recipients copied on each, including [redacted] advised that the communications had caused him substantial emotional distress and that he was bringing the matter to the attention of law enforcement due to a recent series of emails that he described as containing more threatening language, specifically referencing a communication in which Israel stated: "IF YOU DO NOT HELP ME I HOPE GOD PUNISHES YOU SO BAD / AS BAD AS IV HAD IT / DISEASE / POVERTY / INJURED FAMILY / Y EAH I WENT THERE / FUCKING ASSHOLES."

I thoroughly reviewed the entirety of all six email chains provided by [redacted] The emails span a period of approximately 21 days and collectively contain dozens of individual messages transmitted by Israel to [redacted] and the additional recipients mentioned above. The following is a summary of the content, tone, and escalating nature of those communications:

The first email chain, containing the subject line "RE:#WhereIsMyPhoto", was transmitted on June 6th, 2026 at 1027 hours and continued through June 9th, 2026 at 1408 hours. The initial email from "kyleislaw@gmail.com" asked to receive copies of pictures he took with the Honorable Judge Roy Altman at an event. After being informed that he would be notified when these pictures are available, Israel responded on June 8th, 2026, at 1838 hours stating how "it is quite disappointing to still be waiting for the photograph with Judge Altman nearly a week after the event." [redacted] who is the [redacted] of the JLA as of July 1st, 2026, responded to Israel, stating she had reached out to the photographer personally and obtained his photos for him. Israel responds on June 9th, 2026 at 1150 hours by apologizing for "the tone of my previous correspondence. I am currently navigating an incredibly difficult professional ordeal involving a matter with The Florida Bar that has been quite overwhelming." Between 1150 and 1401 hours, Israel sends 11 more emails. In one of the emails, Israel describes feeling "isolated as I face potential disciplinary action regarding free speech issues, especially after my efforts to hold various Jews like Joseph Daneshgar accountable for crime". Israel continues, stating "It is so hard for me because I feel all alone while Judge Altman gets to be so famous and have so much fun and success and meanwhile, I'm getting pounded by the most powerful people in our society...". Israel then proceeds to send more emails, asking if Judge Altman has read certain PDFs sent by him, stating "Isn't it crazy how I'm unemployed...you would think the community would embrace me", and "I feel like a lot of people love Israel and talk so nicely about it and the way more people hate it, but nobody really has Kyle Israel's back which is ironic because Kyle Israel's family helped create Israel".

On the same date, at 1408 hours, [redacted] tells Israel that the individuals receiving his emails are not the proper forum or recipients for the issues he was raising and wishes him the best of luck. Israel responds with approximately 12 emails between 1414 and 1659 hours. Israel states "To be honest [redacted] yes I'll go away...because I know how this goes. If I don't I'll get a fifth bar complaint while the Jewish community continues to fail to support me. Kyle Israel stays broke. The boomers stay rich and hold galas about their LOOOOVE of Israel :)", mentions stopping "Joseph Daneshgar from criminally abusing Floridians...people may start to think Jews are greedy!", and mocking [redacted] by stating "YOU'VE BEEN AUDITED...do you

NOT A CERTIFIED COPY

have any well connected friends in Brazilian govt?...I know [redacted] I know, I was just supposed to go away and get suspended like a good boy...take me under your wing!...I promise the audit will end 😂". On June 9th, 2026, at 1729 hours, [redacted] sent Israel an email formally requesting that he cease and desists sending any further emails. Israel has sent hundreds of emails since this.

The second email chain, containing the subject line "Re: Official Requisition for the JLA Civilian Lifesaver Commendation," was transmitted on June 11th, 2026 at 0117 hours from "kyleislaw@gmail.com", and continued through approximately 1847 hours the same day. These emails reflect Israel's initiation of direct, unsolicited contact with [redacted] for the purpose of demanding personal financial investment and career advancement. In the early hours of June 11th, Israel transmitted a email styled as a "TRANSLATION MATRIX" in which he describes his desired arrangement with [redacted] as a "sugar baby" arrangement, proposing that [redacted] provide him with a high-compensation, no-billable-hour position at his firm in exchange for Israel lending his claimed family legacy to [redacted] professional brand. In a subsequent email transmitted at approximately 0204 hours, on the same date, Israel submitted what he described as an "Official Requisition for the JLA Civilian Lifesaver Commendation," demanding that the JLA commission present him with a gold-plated medal in recognition of his role in correcting a PBSO public safety flyer. Later that afternoon, between 1210 and 1221 hours, Israel requests his JLA dues be refunded to him and provides a formal litigation preservation demand to [redacted] stating that [redacted] and the Association were "under a formal duty, as is the rest of the deal to preserve every single record that may relate to this, including ESI" in connection with a potential class-action lawsuit, and warning: "if this matter is not resolved immediately, I intend to initiate formal legal action against both the Association and you personally." Israel further stated: "you must pick one or you will get sued." The chain then escalated significantly throughout the afternoon, with Israel transmitting a lengthy essay at 1649 in which he issued the following declaration: "You are either with Israel or against Israel. And if you are against Israel, you will be destroyed." In a separate communication transmitted at approximately 1709 hours, Israel issued what he styled a "REQUISITION FOR INSTITUTIONAL RESTITUTION & STRATEGIC ALIGNMENT," listing a series of demands he described as "non-negotiable," including that [redacted] personally attend one of three "mandatory, high-level strategy luncheons," and "a sizable, full-scale capital investment from the elite Palm Beach legal establishment to fund my practice, commensurate with the generational clout of the Israel Bros Construction and Irgun legacy." This request concluded with the statement "You are either with Israel, or you are against Israel. Choose wisely." In another communication within the same chain, Israel demanded that [redacted] and the other recipients collectively purchase him a $2,999.99 two-person Costco sauna, which he described as a "non-negotiable medical requisition," instructing each party to "immediately open your wallets, pool your resources, and purchase" the item by the end of the week.

The third email chain, bearing the subject line "Re: U.S. Army Audit," was transmitted beginning the evening of June 14th, 2026 at 1740 hours from, and continuing through June 15th, 2026 at 0304 hours from "kyleislaw@gmail.com". The emails within this chain reflect a significant escalation in both the delusional content and the emotional dysregulation of Israel's writings, transmitted to [redacted] in the overnight hours. Over the course of this chain, Israel transmitted more than a dozen individual emails beginning late at night, including social media posts from himself (@YehielKyleISrael) and references, among other subjects, his belief that he should be fast-tracked into the United States Army Judge Advocate General's Corps, his application to the Department of Government Efficiency (DOGE), and his characterization of himself as a "GENERATIONAL TALENT" and "stable genius." Israel demanded that PBSO write a letter of recommendation to the Pentagon on his behalf and that Donald Trump fund and construct a building named "The Yehiel Kyle Israel Auditorium" in Palm Beach County. The transmission of these communications between 0000 and 3000 hours, directly to [redacted] and copying [redacted] who is not affiliated with the United States Army, DOGE, or any of the other entities Israel was referencing, reflects conduct that served no legitimate professional or personal purpose with respect to [redacted] and which any reasonable person would find distressing to receive in the middle of the night on a repeated basis.

MEDIA CERTIFIED COPY

The fourth email chain, bearing the subject line "Re: A MESSAGE directly to former Florida Bar President [redacted]," was transmitted from the evening of June 19th, 2026 at 2155 hours, through the early morning hours of June 21st, 2026 at 0433 hours from "kyleislaw@gmail.com". At approximately 0433 hours on June 21st, Israel wrote: "You made an excellent choice refunding me. You are the wealthy boomers. Judge Altman goes on Fox. You all drive nice cars and live in nice places. Why the hell should I pay you even $1. IM BROKE. TOTALLY BACKWARDS. HOWEVER, you are not off the hook yet. Good job refunding me. Now make me rich like you! My poverty is a travesty and a direct reflection of your failure to the Jewish community." In a series of emails transmitted immediately prior, Israel wrote "Stop ignoring me it is beyond rude [redacted] My family did way more for Israel than yours. Show me the respect I deserve. Empower me so I can be wealthy like you." Two minutes later, Israel wrote: "I don't care about your feelings. I am a young struggling Jew in your community with ties so strong to Israel I'm practically the heir being totally ignored by you while you pose as stewards of the Jewish legal community in Palm Beach. It's not acceptable. Step up to the plate and help me get my finances right [redacted] These communications are significant in that they establish Israel's awareness that [redacted] was attempting to disengage by refunding him his JLA membership fee and terminate contact with Israel and his response was to intensify the communications in direct response to that disengagement.

The fifth email chain, bearing the subject line "Re: The Scoreboard is Rigged: The Death of Honor in the Legal Profession," was transmitted from "kyle@protectingyourfuturelawgroup.com" on June 26th, 2026 at 1423 hours to approximately 15 recipients, including [redacted] Stohlman, "tips@fox.com", Federal Judge Altman, and others. This chain reflects Israel's continued pattern of directing a high volume of extended written communications to Lesser, and includes content in which Israel publicly characterizes [redacted] and the JLA in derogatory terms, describing the organization as "pure Aer — meaning nothing but wind. They are completely unhelpful, totally worthless, and all talk." Israel also appears to copy and paste social media posts from his Truth Social account "@yehielkyleisrawl", attacking United States District Judge Roy K. Altman, who was CC'd on some of these email chains, calling him "WEAK," "PATHETIC," and stating repeatedly that he "will NEVER, EVER, EVER, EVER, EVER make the call" on Israel's behalf.

The sixth and final email chain, bearing the subject line "Re: Why," was transmitted from "kyleislaw@gmail.com" on June 27th through June 28th, 2026, and represents the most acute escalation in Israel's conduct reflected in the documents provided. Beginning at approximately 2352 hours, on June 27th 2026 and continuing through 0001 hours on June 28th, Israel transmitted approximately nine separate email messages to [redacted] Stolhman, and other associates of the JLA within the span of approximately nine minutes. At 2352 hours, Israel wrote: "Why am I broke? HELP ME! OUR TRIBE IS A JOKE HELP ME MAKE MONEY." One minute later, at 2353 hours, Israel wrote "GET OFF YOUR ASS AND HELP ME NOT BE POOR IM THE NEXT GEN OF JEWISH LAWYERS ITS UR WHOLE FUCKING JOB." In the same minute, Israel transmitted "STOP IGNORING ME YOU ASSHOLES." Two minutes later, at 2355 hours, Israel wrote "NOBO DY HELPS ANYONE U ALL JUST WATCH ME BURN." Two minutes after that, at approximately 2357 hours, Israel wrote: "FUCK ALL OF YOU HOW DARE YOU NOT HELP ME AND WATCH ME SUFFER IN POVERTY FUCK YOU [redacted] / FUCK YOU HEATHER / FUCK YOU ALTMAN / FUCK YOU MATTHEW / FUCK YOU CARESSA / HELP ME IT IS MY HOUR OF NEED / I AM FUCKING POOR / HELP ME OR I WILL HATE YOU FOREVER." At approximately 2359 hours, Israel transmitted what I identified as the most alarming communication in the chain: "IF YOU DO NOT HELP ME I HOPE GOD PUNISHES YOU SO BAD / AS BAD AS IV HAD IT / DISEASE / POVERTY / INJURED FAMILY / YEAH / I WENT THERE / FUCKING ASSHOLES." In the final messages of the chain, transmitted within the same nine-minute window and at 0001 hours, Israel wrote: "EVERYWHERE I GO IM UNSAFE / YOU DONT GIVE A FUCK / U CIRCLE JERK OVER ISRAEL / WHAT ABOUT ME MOTHER FUCKERS / YOU ARE WEAK / WEAK WEAK WEAK / YOU DO NOTHING FOR JEWS / WEAK AIR / I AM AIRBENDING YOU / YOU WILL HELP ME."

These emails were later uploaded as evidence on evidence.com. I asked [redacted] if he wished to press charges, if a suspect is linked to the case at hand, which he advised yes.

On Thursday, July 2nd, 2026, I located to 1201 US Hwy 1 Suite 220, North Palm Beach, FL 33408, to obtain a sworn recorded statement from [redacted] who has been a recipient of these emails. I made contact with [redacted] who provided the following summarized sworn statement.

[redacted] stated she is the current [redacted] of the JLA of Palm Beach County and was the [redacted] when this incidents began. [redacted] began describing her personal knowledge of Israel by informing me that the association hosted an event at the end of May 2026 with Federal Judge Roy Altman, which Israel attended. Several days after the event, Israel sent approximately eight emails to the chapter administrator emphasizing the importance of obtaining a photograph of himself with Judge Altman. This was reviewed in the emails previously provided by [redacted] stated Israel sent these emails from kyleislaw@gmail.com and possibly another address she described as containing "Israel protection something or other." The second email was later discovered to be "kyle@protectingyourfuturelawgroup.com".

[redacted] stated that due to the disturbing nature of Israel's emails, the association increased security for the event by hiring additional detail. She stated it is standard to hire security detail but not standard to close doors and refuse access to unregistered individuals. Security personnel informed [redacted] and the president that they had increased security measures. The event occurred without incident, and Israel did not cause any disturbances that day.

[redacted] continued by stated that Israel began to sent emails from 10 to 15 per day to 20 to 30 per day and became increasingly disturbing. She stated Israel's initial emails included recipients [redacted] (the former president), herself, the chapter administrator, the incoming Executive Vice President, and the then [redacted] stated that on a daily basis, she and the other recipients receive between five and twenty-plus emails from Israel. She stated that as of Sunday, June 28th, 2026, she had received approximately 450 emails, and as of the date of this interview, she had received over 700 to 800 emails total. [redacted] stated that between Sunday and the morning of July 2nd, 2026, she received an additional 200 emails. She stated she stopped compiling emails for me to review at approximately 1040 hours on July 2nd, 2026, and Israel had sent approximately twenty more emails since that time. [redacted] recalls reading one of Israel's emails which stated "I know you can't do anything about this. I'm just gonna keep on emailing you," demonstrating that his conduct was intentional and willful. In one email I reviewed that was later provided to me by [redacted] (email containing subject line "Re: The Ultimate Irony: Criminal Liberty vs. Professional Purgatory), [redacted] and [redacted] were CC'ed in an email sent by Israel on July 2nd, 2026 at 1047 hours from kyle@protectingyourfuturelawgroup.com to "communications@pincecrestr.edu". In the email, Israel makes several statements such as "You can't stop me..."you don't have the power to issue a retraining order...stop ignoring me...I've been emailing you hundreds of emails you don't respond at all..."

[redacted] stated the volume and content of Israel's emails constituted a course of conduct directed at her and the other recipients that caused substantial emotional distress and served no legitimate purpose. She discussed with her husband the need to increase their home alarm system and to carry mace. [redacted] stated she now carries mace, her assistant carries mace, their office front door remains locked, and an extra canister of mace is kept in the main lobby for anyone who needs it. She stated she has become uncomfortable and notices certain people when walking around in the parking garage.

[redacted] also confirmed that [redacted] sent Israel a cease and desist email at one point. She stated she and

NOT A CERTIFIED COPY

[redacted] discussed the email prior to [redacted] sending it and estimated that since June 9th, 2026, her, [redacted] and the other recipients had received approximately 800 emails.

[redacted] stated Israel's emails be came increasingly disturbing over time. She stated that all recipients except herself and [redacted] had blocked Israel's email address. [redacted] stated that given her experience as a family law attorney, she wanted to monitor the emails to know when they became increasingly worse, particularly in case Israel wrote a threat with an imminent timeframe.

[redacted] described specific emails that caught her attention, which she compiled and provided on a flash drive. One email, sent either Saturday, June 27th or Sunday, June 28th, 2026, stated in all capital letters: "Fuck you, [redacted] Fuck you [redacted] fuck you [redacted], fuck you, Altman," referring to Federal Judge Roy Altman. This email was reviewed in the initial emails provided by [redacted] and documented above. In the same email, Israel stated he wanted the recipients' families to suffer injuries like his family had suffered. Israel also stated that if the recipients did not do something, he was going to hate them forever and they would be his enemy. [redacted] stated she felt this was a threat of violence but did not know how to interpret the level of violence.

[redacted] described another email, sent either on June 30th or July 1st, 2026, contained an AI-created image depicting a burning hotel with text directed at Judge Altman. [redacted] stated Israel was copying approximately twenty different people on this email. I reviewed this email, sent by "kyle@protectingyourfuturelawgroup.com" on July 1st, 2026 at 1344 hours to "communications@pinecrest.edu" and [redacted] and [redacted] were also CC'ed, with subject line "Re: The Roy K Altman Audit". I observed two images, which appeared to be AI-generated, of two men staring at a building caught on fire. In the first image, the building has a sign at the top stating "Judge Altman Hotel". Israel then sends a follow up email, stating "sorry please see revised". The AI-image was then changed to have the sign say "Hypocrisy Hotel". There is a body of text below these images, not directly, in a different font that Israel has been using. In summary, the text stated "don't let the Mandrias fool you. They work for us and say how terrible it was...that 6,000,000 Jews went into the over...", "then let me ask you this, if I may. Do you have the power to call off this strike? I have. If a compelling reason turned up. Why? Then call it off...It doesn't take much strength to set off 200 pounds of dynamite...You'd still set it off, knowing you've lost? Of course". While reviewing this email, I did not see a specific written threat to kill or do bodily harm.

[redacted] stated that on Sunday, June 28th, 2026, Israel sent an email from kyleislaw@gmail.com to [redacted] and [redacted] stating

"starting Monday, from 9-5, I will email you all every 5 minutes and call until I get opportunities...Gary you hired some random black kid...what about Kyle ISRAEL?! Wtf u got jobs for everyone but lawyers in ur own tribe?!"

[redacted] stated Israel has been sending emails at all hours of the day and night, including early morning hours, and all emails are timestamped.

I asked [redacted] if there was a formal application that Israel completed to join the JLA. [redacted] stated he did and that applicants complete an online application by filling out their name, address, and email address, then selecting membership options. [redacted] later provided me a copy of Israel's application via email. I reviewed this online application which had the name "Yehiel Kyle Israel, Esq" as the name of the applicant, with an address of "100 Waterway Dr. S. #204, Lantana, FL 33462", primary email "kyleislaw@gmail.com", and primary phone number "561-558-5992". Through investigative leads, I confirmed that this phone number is a Verizon wireless phone number with subscriber information associated to "Yehiel Israel DOB 8/17/96". I also located Israel's Florida Bar profile on "floridabar.org", in

NOT A CERTIFIED COPY

which Israel lists his primary email as "kyleislaw@gmail.com" and primary phone number as "561-558-5992." A copy of his JLA application and his Florida Bar profile was later uploaded to evidence.com. I asked [redacted] if she wished to press charges, if a suspect is linked to the case at hand, which she advised yes.

I also asked [redacted] if she had ever met Israel in person. [redacted] stated she does not recall specific interactions, and that the only event she remembers meeting Israel in person was at the Altman event mentioned earlier. [redacted] then provided me with a flash drive containing every email Israel sent from the beginning of the communications through 10:40 AM on July 2nd, 2026. The flash drive contained 1 PDF file, which within contained approximately 670 emails from Israel, either from kyleislaw@gmail.com or kyle@protectingyourfuturelawgroup.com, that [redacted] and [redacted] have received, either directly or when they were CC'ed. This file was later extracted and uploaded to evidence.com and the flash drive was physically placed into evidence.

On July 7th, 2026, I located to [redacted] to obtain a sworn recorded statement from [redacted] I made contact with [redacted] who provided the following summarized sworn statement. [redacted] corroborated most of the information described above, stating that a few days before the JLA event with Federal Judge Altman, he he was informed that someone was emailing Judge Altman and caused him to be concerned. The JLA arranged for extra security and were told to be on the lookout for Israel and not let him in. [redacted] stated he did not know Israel's name at that time and had never met him.

[redacted] stated he was not exactly sure what triggered the floods of email to him, [redacted], and others, and that the emails were argumentative, threatening, innocuous, and had nothing to do with what they as a small organization do. [redacted] stated he has received hundreds and hundred of emails, possibly 400 to 600 from Israel. [redacted] stated initially when there were just so many emails, he emailed Israel a short email asking him to please stop. [redacted] stated this seemed to inflame Israel and cause him to email more, and this is when some of the threatening emails started to appear. Ultimately, [redacted] blocked Israel's emails. [redacted] confirmed he formally emailed Israel to stop emailing him but is still receiving emails to the point that it has filled his cloud storage, causing his computer to now crash.

[redacted] stated the email that primarily got the attention of [redacted] and him was the 6th email chain mentioned earlier in this report. [redacted] was concerned and unsure what Israel meant when he wished injury to his family. I then showed [redacted] the email from Israel sent on June 28th, 2026 at 0012 hours with the subject line "new plan" in which Israel stated "Starting Monday, from 9-5, I will email you all every 5 minutes and call until I get opportunities..." [redacted] confirmed he recalled this email, stating this email was proof that Israel is not going to stop until he gets "opportunities". I asked [redacted] how he interprets this email and whether these are some sort of demands to the point of extortion. [redacted] stated he believes it is a threat that rises to the level of extortion and that is what made [redacted] and him concerned. [redacted] stated he cannot give Israel these unknown opportunities, and if he had anything to give him, he does not think Israel would be able to have the mental capacity to accept it. I asked [redacted] if he has ever met Israel. [redacted] stated he does not have a memory of ever meeting Israel. [redacted] stated that him receiving the hundreds of emails from Israel has caused substantial emotional distress to him and serves no legitimate purpose. [redacted] stated he wished to press charges if a suspect is linked to the case at hand.

Throughout this investigation, the emails and associated materials self-identify Israel for many reasons. The emails have been authored and transmitted by "Yehiel Kyle Israel" and are corroborated by independent records linking him to the email accounts used. In multiple chains, the "from" field reflects "Kyle Israel" or "kyleislaw@gmail.com" as the sender, and the messages themselves contain numerous first-person references and signature blocks identifying "Yehiel Kyle Israel, Esq." by name. For example,

after [redacted] personally obtained and sent Israel the photographs of him with Judge Altman at the JLA event that he requested, Israel responded on June 9th, 2026 at approximately 1150 hours, thanking her for her assistance "in obtaining the photographs from the event. I truly appreciate you reaching out...to ensure I received these memories; they mean a great deal to me and my family" and apologizing "for the tone of my previous correspondence" and explaining that he was "currently navigating an incredibly difficult professional ordeal involving a matter with the Florida Bar," explicitly tying the apology to his own prior emails and circumstances. [redacted] corroborates Israel's "difficult professional ordeal involving a matter with the Florid Bar" by stating in her interview that she was the "past chair of grievance committee 15F" and contacted a senior bar counsel to see if there were any open cases against him. [redacted] was informed that Israel has three open bar grievances against him, one of which is for incompetency.

Due to the totality of the circumstances, I find probable cause exists that Yehiel Kyle Israel is in violation of Florida State Statue (F.S.S.) 784.048(2) (Cyberstalking), in that Israel did willfully and maliciously engage in a course of conduct to communicate words and language via email directed at [redacted] Heather [redacted], and others, causing substantial emotional distress to [redacted] and [redacted] that serves no legitimate purpose. Specifically, Israel transmitted a sustained pattern of escalating emails to [redacted] and [redacted] spanning approximately one month, including hundreds of emails transmitted since June 6th which has not stopped, which included personal profanity directed at [redacted] by name, grandiose and delusional demands for personal financial enrichment and career advancement bearing no lawful basis. This is also after [redacted] formally emailed Israel to cease and desist.

I also find probable cause exists that Yehiel Kyle Israel is in violation of F.S.S. 836.05(1) (Extortion), in that in these emails, Israel maliciously made several demands with intent to extort a pecuniary advantage. Throughout the course of these emails, Israel made repeated written demands for things such as "medical requestions", demanding a $2,999.99 Costco sauna, a high-compensation no-work position at [redacted] firm, a "heavy gold-plated medal", and "a sizable, full-scale capital investment from the elite Palm Beach legal establishment to fund my practice," all described as "non-negotiable." In conjunction with these demands, on June 28th, 2026, at 0012 hours, Israel states "Starting Monday, from 9-5, I will email you all every 5 minutes and call until I get opportunities." These threats were made maliciously and made with intent to extort any pecuniary advantage against the victim's will.
