	On the above date, I was standing at 828 Lake Ave in the City of Lake Worth, FL. I was speaking with Sgt. Padilla-Rodriguez when we both observed a white Toyota Scion driving westbound in the eastbound left lanes. Lake Ave is a one directional roadway and has arrow signs posted on each intersection advising drivers where to go. As the Toyota continued to drive westbound in the wrong direction, a unknown vehicle traveling eastbound in the left lane had to utilize their vehicle horn and flash their lights to warn the driver of the Toyota. Sgt Padilla-Rodriguez activated his overhead emergency lights and siren on his marked patrol vehicle to warn the driver of the potential collision that was going to occur between the two vehicles. Sgt Padilla-Rodriguez's vehicle should have captured the driving pattern on his in-car camera. The driver of the Toyota then attempted to conduct a u-turn in the middle of 800 Lake Ave. The driver stopped in the middle of the right lane as he attempted to back up. It appeared that the vehicle would move forward and then back as if the driver was trying to negotiate the u-turn. I made contact with the driver, Adam Haluska, who trying to manipulate the gear shifter. He was moving the gear shifter back and forth and continued to have difficulty trying to find the proper gears after many attempts. After a couple seconds of this action still occurring, I ordered Haluska to place the car in park. He had difficulty placing the vehicle in park after a few more seconds. He was finally able to place the vehicle in park and turn the ignition off. I had Haluska exit the vehicle since I could see that he was having dexterity issues and stared off into space. I made contact with Haluska on the driver side and immediately smelled an odor of an alcoholic beverage coming from his breath as he spoke. I could see that he had a blank stare to his face as if he was looking right through me. I could see that Haluska had bloodshot, watery eyes. His speech was very slow, mumbled, and he continued to just stare. I asked Haluska if he had drank any alcoholic drinks which he responded by saying that he drank two beers. He had just left Proganda which was located on S. J Street and Lake Ave. Haluska stated that he had traveled in the area multiple times and was enroute to take his friend Jonathan home. Jonathan was riding in the front passenger seat at the time of the stop. I contacted Cpl. Walton from the DUI Unit via the radio to respond. Cpl. Walton took over the investigation upon his arrival.
