Ramraj could not follow basic instructions from Officers Frenz and Fowler. When I spoke with Ramraj he told me he had a few drinks and I could smell a strong alcoholic beverage odor emanating from his breath. Ramraj stated he should not be driving and he appeared to defecate himself. Also, Ramraj had his fly down, his speech as swaying at times while I was on scene. Ramraj advised he did not have any medical problems. At this point I asked Ramraj if he would conduct some roadside exercises and he said no. I advised Ramraj that refusing to perform these exercises can be used against him in a court of law and he refused a second time. Based on the above and my training and experience he was placed under arrest for driving under the influence. I transported Ramraj to the Boca Raton Police Department and Officer Miller conducted the breath tech operation. Ramraj refused to provide a lawful breath sample and I read him implied consent. Ramraj refused again after I read him implied consent. Ramraj was transported to Palm Beach County Jail and his vehicle was towed to Westway Towing on 07/02/2017. The video of the incident was downloaded into evidence on 07/02/2017. Per Florida State Statute 316.193(1), Ramraj did drive or was in actual physical control of a vehicle, while under the influence of alcoholic beverages/ chemical substances and was affected to the extent that his normal faculties were impaired.
