On Monday, March 26, 2018, at approximately 0250 hours, I arrived at 13410 South shore blvd, in the Village of Wellington, Palm Beach County, Florida 33414 reference an accident.

Upon arrival, I observed a white male, later identified as Andrea De Lucchi standing at the front right of his vehicle, a red Mercedes SL 500 bearing Fiorida license plate *Y39BMP. When I asked Mr. De Lucchi what had occurred, he stated that he was making a right turn and rear ended a Nissan Altima, bearing FL plate *Y49SEY. Mr. De Lucchi mentioned that he was driving the vehicle and kept stating how much to fix this. While speaking with Mr. De Lucchi, I noted a strong odor of an unknown alcoholic beverage emanating from his breath. As I asked him for his license, insurance and registration, Mr. De Lucchi fumbled around in the car, slowly moving and unable to find his insurance and registration. Mr. De Lucchi attempted several times to open up the padding to the right passenger side door in an attempt to open a non-compartment of the vehicle. Mr. De Lucchi then stood up outside of the vehicle to talk to me, and nearly fell over several times standing. Mr. De Lucchi was swaying in a circle and eventually rested himself against the front of his vehicle.

The driver of the Nissan Altima, Mr. Jean Ellen advised to me that the driver of the vehicle was Mr. De Lucchi and that he had attempted several times to leave the area. Mr. Ellen stated that the individual was wearing a white shirt and jeans and pointed Mr. De Lucchi out to me.

Based on the above observations, I contacted D/S Sheehan #7952 to conduct a DUI investigation.
