PROBABLE CAUSE

On 5/24/2017, I was in service in Palm Beach County. I was in the area of Lantana Road and Haverhill Road when I came upon Corporal M. Deleeuw 1185 who was on scene of a 2 car crash in the inside lane of eastbound Lantana Road. I made contact with Cpl. Deleeuw and he advised that the driver of the white pickup may be possibly impaired. I then made contact with the driver of the white pickup who was identified by FL DL as Christopher Allen Testerman DOB 12-10-1987 and observed him to be in the driver's seat of the vehicle with no other occupants. I observed the driver to have glassy eyes and slow lethargic movements and slurred speech when speaking to him. I was then advised by Cpl. Deleeuw that he had concluded his crash investigation. I then made contact with Mr. Testerman and advised him that Cpl. Deleeuw that concluded the crash investigation and that I would be conducting a criminal investigation. I asked him to exit the vehicle and he agreed to do so. I then advised him of his Constitutional Warnings and he advised that he understood. I then asked the driver what had happened tonight and he advised that he tried to stop when he observed the red vehicle stopped ahead of him but couldn't due to his vehicle's brakes and the road being wet and a result of this, his vehicle collided with the red vehicle and that he feels bad about the crash. He advised that he knows that it was his fault for the crash and feels bad for it. He advised that he was not hurt in the crash and was the only occupant in the vehicle. He advised that he was coming from his buddy's place. While speaking with the driver outside of the vehicle, I observed the driver to have an odor of an unknown alcoholic beverage coming from his mouth area and breath. I asked the driver if he had anything to drink tonight and he advised no. I asked him if he takes any medication or head injuries and he advised no. He also advised that he does not have any physical injuries. I then asked the driver to perform roadside exercises to check for impairment and the driver agreed.

Horizontal Gaze Nystagmus-

- Left eye- lack of smooth pursuit
- Right eye- lack of smooth pursuit
- Left eye- distinct and sustained nystagmus at maximum deviation
- Right eye- distinct and sustained nystagmus at maximum deviation
- Left eye- onset of nystagmus prior to 45 degrees
- Right eye- onset of nystagmus prior to 45 degrees

Observed subject to have equal tracking and pupil size. Observed subject to have onset of nystagmus at approximately 20 degrees in each eye. Observed subject to have vertical nystagmus. Observed subject to have glassy eyes and odor of an unknown alcoholic beverage coming from his mouth area and breath.

Walk and Turn-

Subject advised that he did not have any physical injuries. Used solid white line. Subject advised that he understood the instructions and did not have any additional questions. Subject could not keep balance while listening to instructions. Subject did not take correct number of steps and took 10 steps on the first 9 heel to toe steps and 10 on the second 9 heel to toe steps. Subject used arms for balance. Missed heel to toe on several steps. Subject did not turn as instructed and did not keep front foot on the line to turn.

One Leg Stand-

Subject advised that he did not have any physical injuries. Subject advised that he understood the instructions and did not have any questions. Subject raised right leg, Subject placed foot down several times. Subject used arms for balance. Subject swayed during task. Subject stopped exercise and advised that he was unable to do the exercise because it was being performed on a hill.

Driver stopped any further exercises and was advised of the Taylor Warnings several times. The driver ultimately placed under arrest for DUI and he was advised. I then escorted the driver to the front of my patrol vehicle to conduct a search of the driver and he began to get upset and verbally combative. I checked the driver's mouth and observed the driver to have a discolored tongue (yellow and orange in color). The driver began to get upset and asked why this was being done and advised that there is nothing in his mouth "you fucking asshole". I asked the driver what he said and he again advised the same. The driver was then placed in the rear of my marked patrol vehicle and transported to the Palm Beach County jail. Upon arrival, I escorted the driver to the Breath Alcohol Testing center and conducted a 20 minute observation to ensure the driver did not take anything by mouth or regurgitate. After the 20 minute observation, the driver was escorted to the testing room and was requested to submit to a test of his breath. The driver initially advised that he would not submit. The driver was then advised of the implied consent. He initially advised that he did not understand the implied consent and the implied consent was clarified for him where he did not understand. He then advised that he will submit to a test of his breath and advised let's blow into this sucker. The driver provided 3 samples and were the following: 0.310, 0.267, and 0.290. The driver was advised of the results upon completion of the test and was surprised of the results. The driver was then taken to Wellington Regional Hospital due the breath result of over 0.300. The driver was cleared and then transported to Palm Beach County jail for booking. *video is available through evidence.

ON THE 24TH DAY OF MAY 20 17, AT 2210 AM ☒ PM
SUBJECT: CHRISTOPHER ALLEN TESTERMAN CASE NUMBER: FHPL17OFF040862
AGENCY: PALM BEACH COUNTY SHERIFF'S OFFICE ARRESTING OFFICER: TPR. L. E. ESCARAN 3335
Florida Highway Patrol **PERSONAL CONTACT**

DRIVING PATTERN: ACTUAL PHYSICAL CONTROL (PHYSICAL EVIDENCE OR STATEMENTS PUTTING DEF. BEHIND WHEEL OF VEHICLE)

On 5/24/2017, I was in service in Palm Beach County. I was in the area of Lantana Road and Haverhill Road when I came upon Corporal M. Deleeuw 1185 who was on scene of a 2 car crash in the inside lane of eastbound Lantana Road. I made contact with Cpl. Deleeuw and he advised that the driver of the white pickup may be possibly impaired. I then made contact with the driver of the white pickup who was identified by FL DL as Christopher Allen Testerman DOB 12-10-1987 and observed him to be in the driver's seat of the vehicle with no other occupants. I observed the driver to have glassy eyes and slow lethargic movements and slurred speech when speaking to him. I was then advised by Cpl. Deleeuw that he had concluded his crash investigation. I then made contact with Mr. Testerman and advised him that Cpl. Deleeuw that concluded the crash investigation and that I would be conducting a criminal investigation. I asked him to exit the vehicle and he agreed to do so. I then advised him of his Constitutional Warnings and he advised that he understood.

OBSERVATION OF DRIVER:

I then asked the driver what had happened tonight and he advised that he tried to stop when he observed the red vehicle stopped ahead of him but couldn't due to his vehicle's brakes and the road being wet and a result of this, his vehicle collided with the red vehicle and that he feels bad about the crash. He advised that he knows that it was his fault for the crash and feels bad for it. He advised that he was not hurt in the crash and was the only occupant in the vehicle. He advised that he was coming from his buddy's place. While speaking with the driver outside of the vehicle, I observed the driver to have an odor of an unknown alcoholic beverage coming from his mouth area and breath. I asked the driver if he had anything to drink tonight and he advised no. I asked him if he takes any medication or head injuries and he advised no. He also advised that he does not have any physical injuries. I then asked the driver to perform roadside exercises to check for impairment and the driver agreed. Driver stopped any further exercises and was advised of the Taylor Warnings several times. The driver ultimately placed under arrest for DUI and he was advised. I then escorted the driver to the front of my patrol vehicle to conduct a search of the driver and he began to get upset and verbally combative.

DRIVER'S STATEMENTS:

I check the driver's mouth and observed the driver to have a discolored tongue (yellow and orange in color). The driver began to get upset and asked why this was being done and advised that there is nothing in his mouth "you fucking asshole". I asked the driver what he said and he again advised the same. The driver was then placed in the rear of my marked patrol vehicle and transported to the Palm Beach County jail. Upon arrival, I escorted the driver to the Breath Alcohol Testing center and conducted a 20 minute observation to ensure the driver did not take anything by mouth or regurgitate. After the 20 minute observation, the driver was escorted to the testing room and was requested to submit to a test of his breath. The driver initially advised that he would not submit. The driver was then advised of the implied consent. He initially advised that he did not understand the implied consent and the implied consent was clarified for him where he did not understand. He then advised that he will submit to a test of his breath and advised let's blow into this sucker.

ODORS:

The driver provided 3 samples and were the following: 0.310, 0.267, and 0.290. The driver was advised of the results upon completion of the test and was surprised of the results. The driver was then taken to Wellington Regional Hospital due the breath result of over 0.300. The driver was cleared and then transported to Palm Beach County jail for booking. *video is available through evidence.

MAY 29 2017

SUBJECT: Christopher Allen Testerman CASE NUMBER: FHPL17OFF040862

IMPLIED CONSENT FOR DUI IN A MOTOR VEHICLE

NOTE: READ ONLY THE PARAGRAPH APPLICABLE TO THE TYPE OF TEST YOU ARE REQUESTING.

I am now requesting that you submit to a lawful test of your BREATH for the purpose of determining its alcohol content.

-OR-

I am now requesting that you submit to a lawful test of your URINE for the purpose of detecting the presence of chemical or controlled substances.

-OR-

I am now requesting that you submit to a lawful test of your BLOOD for the purpose of detecting its alcohol content and the presence of chemical or controlled substances.

NOTE: READ ONLY IF THE SUBJECT DOES NOT COMPLY WITH YOUR REQUEST.

I am TPM L.E. ESCARAN 3335 of the FHP

If you fail to submit to the test I have requested of you, your privilege to operate a motor vehicle will be suspended for a period of one (1) year for a first refusal, or eighteen (18) months if your privilege has been previously suspended as a result of a refusal to submit to a lawful test of your breath, urine or blood. Additionally, if you refuse to submit to the test I have requested of you and if your driving privilege has been previously suspended for a prior refusal to submit to a lawful test of your breath, urine or blood, you will be committing a misdemeanor. Refusal to submit to the test I have requested of you is admissible into evidence in any criminal proceeding.
