I was stopped at the intersection of W. Atlantic Ave and S. Military Tr to travel westbound when I noticed a vehicle approaching my location from the rear at an high rate of speed. As the vehicle approached my location, the driver immediately slammed on his brakes and thereby causing his vehicle to skid into the intersection. The vehicle then proceeded northbound on S. Military Tr from W. Atlantic Ave at an high rate of speed. I immediately attempted to catch up to the vehicle while traveling at a speed of 65mph in a 45mph speed zone. Once behind the vehicle, I conducted a traffic stop by activating my overhead lights and sirens. The vehicle stopped in front of the entrance to the Fountains Apartments. The vehicle was bearing a Florida Tag of JRAX52. I met with the driver, who verbally identified as David Robert Gillis. This was confirmed by his Florida Driver License. I asked Gillis where he was going a an high rate of speed and he stated, "To my girlfriend apartment." He stated that he was going through somethings at this moment and his girlfriend was also mad at him. While speaking with him, I could smell a strong marijuana odor emitting from within side of the vehicle. I issued Gillis a written warning for his unlawful speed. After issuing him his written warning, I advised him that I was finished with my traffic stop and I am now conducting a criminal investigation. I asked Gillis if there was anything inside of the vehicle that should be brought to my attention and he stated yes. He told me that he had an 1/8 of a gram of marijuana inside of the center console. I asked him to step out of the vehicle while a retrieve the marijuana from the center console. I opened the center console and observed a small sandwich bag containing a small amount of marijuana. I also observed a 9mm Keltec semi-automatic firearm inside of a black holster. I also recovered a gray and black backpack from the passenger's floor board. Inside of the backpack there were several small sandwich bags, a digital scale with marijuana residue and 44.91 grams of a green leafy like substance. Through my years of law enforcement training, experience and narcotics investigations, I identified the substance as marijuana. I field tested the substance utilizing a Duquenois Levine Test Kit. The substance tested positive for the presence of marijuana. Gillis was arrested and charged with poss of marijuana over 20grams and poss of drug paraphernalia. I read Gillis his Miranda Rights Warnings and he was interviewed. He confessed to the ownership of the marijuana and digital scale. He stated that the digital scale was used to weigh the marijuana and also to make sure that no one was trying to, "fuck him" during the purchase. He stated that the items was for personal use. The Keltec firearm was placed into evidence for safe keeping. Gillis was transported to the Palm Beach County Jail for processing.
