The Person taken into custody ☒ committed the below acts in my presence. ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts. ☐ confessed to _____ admitting to the below facts. ☒ was found to have committed the below acts, resulting from my (described) investigation. On the <u>25</u> day of <u>October</u>, <u>2018</u> at <u>18:40</u> (Specifically include facts constituting cause for arrest.) On 10/25/2018 at approximately 1753 hours, Officers responded to 1605 S US Highway 1 in the Town of Jupiter, Palm Beach County, FL in reference to a suspicious incident. The caller advised a white male was observed in a silver vehicle slipping in and out of consciousness. PBCFR was also called to respond to the scene. At the time, I was driving a fully-marked Jupiter Police Department patrol vehicle (vehicle 1413), I was wearing a JPD uniform clearly identifying myself as a Jupiter Police Officer, and I was wearing my department-issued Axon body camera. Upon arrival, I observed a silver 2015 Subaru 2 door coupe bearing FL tag # 247MFK stopped in the middle of the trafficway, between the parking spaces on the north and south side of the parking lot. I observed a white male, later identified as David Weinstein (DOB 03/15/1942), wearing a white t-shirt and gray shorts sitting in the driver seat. As I approached the vehicle, I could hear the engine was running, but the vehicle appeared to either be in drive or park. Both the front doors to the vehicle were open upon my arrival on scene. When PBCFR arrived, they evaluated Weinstein and determined he did not require transport to the hospital. I made contact with Weinstein and observed him to be extremely unsteady on his feet to the point that I had him lean up against a responding patrol vehicle while I was talking to him. I observed Weinstein had bloodshot eyes, slurred speech, and the odor of an unknown alcoholic beverage on his breath, which intensified as he spoke. Weinstein agreed to complete roadside tasks but only the HGN, Finger to Nose, and Romberg Alphabet tasks were performed due to Weinstein's inability to stand straight without stumbling for more than a few seconds. For Weinstein's safety, I did not conduct

the Walk and Turn or One Leg Stand for fear that he was going to fall and injure himself. During the roadsides that were completed, I observed Lack of Smooth Pursuit in both Weinstein's eyes, Distinct and Sustained Nystagmus at Maximum Deviation in both Weinstein's eyes, and the Onset of Nystagmus prior to 45 Degrees in both Weinstein's eyes. Weinstein did not keep his eyes closed during the Finger to Nose, missed finger to nose, did not return his arm to his side without being asked, and used the wrong hand. During the Romberg Alphabet, Weinstein did not recite the alphabet correctly. For more information regarding roadside tasks, see DUI Probable Cause Affidavit. I placed Weinstein under arrest and transported him to the Palm Beach County Breath Alcohol Testing Facility where I conducted a 20 minute observation period to ensure he did not ingest or regurgitate anything orally. When the observation was complete, I requested Weinstein provide a breath sample. Weinstein submitted but began playing games, wheezing while at the instrument, and generally being uncooperative while attempting to obtain a breath sample. Due to this lack of cooperation, I read Weinstein Implied Consent, excluding the CDL portion of Implied Consent. Weinstein advised he understood and would provide a breath sample. Weinstein continued the aforementioned behavior and I determined (after multiple attempts) that he was not willing to provide a breath sample. I did not read Weinstein Miranda Warnings or conduct a post-Miranda interrogation due to his increasing lack of cooperation. I removed the handcuffs from Weinstein and placed him in a holding cell. While in the holding cell, Weinstein began punching the door, screaming, and was placed in handcuffs. Weinstein was placed in handcuffs again but began kicking the door and yelling obscenities in the holding cell. Weinstein was restrained in leg restraints. The leg restraints were secured around the handcuffs to restrict Weinstein's movement to prevent any injury to his person. Weinstein would wiggle around on the floor and slam his head against the door. Weinstein had to be repositioned at least five times in the holding cell as he would continually move towards the door and hit his head on the door, knee the door, and roll around on the restraints on the concrete floor. Due to Weinstein's complete lack of cooperation and belligerent demeanor, I concluded he was not willing to sign the criminal citation for DUI. Due to the aforementioned facts, I believe Probable Cause exists to charge David Weinstein with DUI pursuant to FSS 316.193(1) and Refuse to Sign/Accept Traffic Summons pursuant to FSS 318.14(3).
