	The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. The Person taken into custody ☐ committed the below acts in my presence. ☐ confessed to _____ admitting to the below facts. ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts. ☒ was found to have committed the below acts, resulting from my (described) investigation. On the <u>12</u> day of <u>FEBRUARY</u> 20<u>19</u> at <u>0041</u> ☒ A.M. ☐ P.M. (Specifically include facts constituting cause for arrest.) I asked the driver several times for his license. After asking him once for his gun permit he produced it. I told him I needed his driver license. He later produced the license which identified as Dean Alan Bechemeyer. During my interview I noticed the driver's eyes were watery and glossy. His cheeks were flushed and his mouth was dry. I could smell a strong odor of an unknown alcoholic beverage emanating from the inside of the vehicle. I asked the driver had he been drinking. My bases for this question was due to my the previously mentioned indicators of impairment exhibited by him and the aroma of an unknown alcoholic beverage emanating from the inside of the vehicle. He told me he was not drinking. I asked him to exit the vehicle. He sighed as he exit and stood with his feet more than shoulder width apart. I asked if he would consent to performing Standardized Field Sobriety Evaluations (SFSTs) for the purpose of determining if he was impaired while operating a motor vehicle. He declined and told me his mother and father were high ranking members in a police agency. They told him that he should never perform SFSTs because it would not benefit him. I explained Taylor Warnings that informed him performing the SFSTs were voluntary and he did not have to comply. However if he did not comply I would only be left with the evidence before me {previously mentioned indicators} which could be strong basis of him being placed under arrest for DUI. He repeated what his mother and father told him not to do. I told him he was unsteady and could not stand without swaying. He told me he could and was not swaying. I asked him to place his feet side by side instead of them being more than shoulder width apart. He placed his feet side by side and noticeably began swaying from side to side again. He told me he has arthritis in his hip, but only take Advil. I could now smell a strong odor of an alcoholic beverage emanating from his breath that intensified when he spoke. He refused to cooperate further. Based on my observation of personal indicators of impairment exhibited by the defendant, coupled with him being stopped for excessive speed, probable cause was established for DUI. I told the defendant he was being placed under lawful arrest for DUI. He was searched and handcuffed (double locked and checked for proper fit) prior to being seated into the rear of patrol vehicle. I later located a can of Jai Alai India Pale Ale inside the cup holder. This beverage was opened and cold to the touch. It was approximated 3/4 filled with a liquid content that I suspected to be beer. D/S Tejada arranged for the defendant's vehicle to be towed through our rotation request list. He also secured the defendant's gun into evidence for safe keeping. Sheehan's Towing responded to impound his vehicle to their lot. Meanwhile I began transport to the main jail breath analysis facility for further processing.

Upon our arrival I escorted him into the facility and conducted a 20 minute observation. During this time he ingested nothing into his body orally or otherwise. He also did not regurgitate. Afterward I escorted the defendant into the testing room and asked him to provide breath samples for the purpose of determining his alcohol content. He refused. I read him implied consent. Prior to completing the consent he interrupted and told me he wanted his lawyer. I asked him to allow me to finish. After completing the consent I asked if he understood it. He said he understood the consent but wanted his lawyer. At this time he was deemed a "Refusal". Since he asked for his lawyer Q&A was not performed. The defendant was booked into the main jail for DUI.

PERSONAL CONTACT

DRIVING PATTERN: ACTUAL PHYSICAL CONTROL (PHYSICAL EVIDENCE OR STATEMENTS PUTTING DEF. BEHIND WHEEL OF VEHICLE)

On Tuesday, February 12, 2019 at approximately 0041 hours, I stopped a white Ford Diesel F-250 pick up truck for excessive speed. I was stopped in the median at Flying Cow Road (Rd) and State Rd 80 facing east with my lights off conducting speed enforcement. During this time I watched a the previously mentioned vehicle travelling westbound at a high rate of speed. I visually estimated the vehicle to be traveling well above the posted speed limit of 55 miles per hour (mph). I heard a loud and steady high pitch sounding from my radar's audio Doppler displaying a speed of 80 mph inside the target window. As the vehicle passed me I heard it accelerate. The audio Doppler ceased in sounding and the target speed vanished from the window. I proceeded west on SR 80 in an attempt to overtake the vehicle. While travelling behind it I watched it make a right turn onto Seminole Pratt and Whitney and travel north. During this time the vehicle accelerated again which discharged a cloud of black diesel smoke from its tail pipe. I activated my emergency lights in an attempt to stop the vehicle for excessive speed. The vehicle slowed but continued to travel north. After some time it changed to the outside lane and stopped in the intersection of E Whitton Drive. I exited my patrol car and made my approach on the passenger side of the truck. Corporal Reynaldo Soriano and Deputy Albert Tejada arrived on scene as back up officers. I made contact with a white male driver who was the sole occupant inside the vehicle. I asked for his driver license, registration and proof of insurance. The driver failed to provide these documents. I asked if there were any weapons inside the vehicle and he told me he had a gun. I asked him to keep his hands away from the gun. Cpl. Soriano remained on the passenger side of the vehicle while I walked to the driver side.
