S T A T E	On the above date at approximately 1813 hours I was dispatched to a call of a possibly impaired driver in the parking lot of the Chili's Restaurant located at 65 North US Highway 1, in the Town of Jupiter, Palm Beach County, Florida. At approximately 1756 hours, a citizen caller, Haydn Asinas, called to advise a female driving a 2015 Lexus SUV bearing Florida license plate GXZT56 was driving erratically, including having difficulty maintaining a lane and driving off the roadway. Asinas saw the vehicle pull into the Shoppes at Jupiter Plaza. Asinas pulled into the plaza and saw the vehicle drive erratically in the plaza. Asinas then saw the vehicle park outside the Chili's Restaurant. Asinas saw the driver slumped down leaning out of her vehicle and called Jupiter Police back. Asinas later gave me a sworn statement regarding what he saw which was captured on my body worn camera. Upon my arrival, I spoke to Asinas and saw the Lexus SUV. Its lights were on and as I approached, I saw that the vehicle was running. I walked up to the driver's side door. I could see the driver, later identified to me as Deborah Zub in the driver's seat. Zub's eyes were closed and she did not appear to be aware of my arrival. I could see a dark stain on Zub's arm/left side of her chest which I thought may be blood, but which I later found to be consistent with vomit. There was vomit on the running board of the vehicle and on the ground, though I didn't see that until after I spoke to Zub. Based on the totality of the circumstances, I knocked on the window to attempt to wake Zub. Zub opened her eyes after a few seconds and appeared disoriented. A moment later Zub lowered the window. I immediately detected a very strong odor of an unknown alcoholic beverage coming from within the vehicle. Zub's eyes were bloodshot and glassy. I asked Zub if she was having a medical problem and she indicated she was not. Zub's movements were slow and her coordination was generally poor. I asked Zub how much she'd had to drink. Zub stated she was unable to quantify how much exactly she'd had.

I returned to Asinas and obtained a sworn recorded statement from him. I repositioned my vehicle nearby and had Zub exit her vehicle and walk to the front of mine. In response to my questions, Zub stated she got off work at about 3 and went to the Waterway Café in Palm Beach Gardens. Zub stated she didn't think she should be driving. Zub also stated that on an inebriation scale of 1-10 she felt like a, "four". I asked Zub to complete SFSTs. She agreed. I first conducted the Horizontal Gaze Nystagmus. Though I was able to see lack of smooth pursuit, Zub had great difficulty following the instructions to keep her head still and I was unable to properly complete the task due to Zub's inability to follow the simple instructions. Zub was swaying visibly during the exercise. I next conducted the Walk and Turn task. Zub lost her balance in the starting position several times. Zub started early. Zub missed heel to toe on the 2nd, 4th, and 5th steps. Zub stepped off the line on the 5th step. Zub missed heel to toe on the 6th and 7th steps. Zub stepped off the line on the 7th and 9th steps. Zub had her arms out to the side during most of the first part of the exercise. Zub stopped and asked if she should turn. I told her to continue in the manner I instructed. Zub turned improperly and nearly lost her balance. Zub missed heel to toe and stepped off the line on the first step, raising her arms out to the side again for balance, where they remained for the rest of the task. Zub missed heel to toe on the 2nd and 3rd steps, stepping off the line to the right on the third step. Zub missed heel to toe on the 4th and 5th steps, stepping off the line completely on the 5th step. Zub stepped back towards the line, missing heel to toe on the 6th and 9th steps. Zub stepped off the line on the 7th and 10th steps. Zub took 10 steps in total. I next conducted the One Leg Stand. Zub became hesitant and stated she just wanted to go home. I advised Zub of Taylor Warnings and Zub remained indecisive. After some conversation and Zub repeating that she just wanted to go home, Zub agreed to complete roadsides. Zub at first put her foot behind her with her knee bent rather than straight out to the front with knee straight as I had demonstrated and explained. Zub had her arms to the side for balance. Zub placed her foot down several times and was swaying visibly during the task. I next conducted the Finger to Nose. I observed the following: L1: Zub used the pad of her finger to touch her face next to the left side of her nose and forgot to put her finger back down to the side. I reminded her. R2: Zub touched over the left side of her left nostril with the pad of her finger. L3: Zub touched the tip of her nose with the pad of her finger. R4: Zub touched the tip of her nose with the pad of her finger. R5: Zub used the wrong hand before switching, touching the tip of her nose with her finger at the first knuckle. Zub forgot to put her finger back down to the side. L6: Zub touched the tip of her nose with the pad of her finger at the first knuckle.

I next conducted the Romberg/Alphabet task. Zub stated the alphabet as follows: "A B C D E F G H I J K L M N O P Q R S T U V W X and Z". Zub was swaying visibly during the task. Zub opened her eyes around "W" and kept them open for the remainder of the task.

I then placed Zub under arrest for DUI and advised her. I secured Zub in handcuffs which I checked for spacing and double locked. I transported Zub to the Palm Beach County Breath Alcohol Testing Facility. I conducted a 20 minute observation period. I then requested that Zub provide a sample of her breath. Zub said, "no". I then read Implied Consent to Zub. Zub stated she didn't understand and I broke Implied Consent down to simpler terms, which Zub stated that she understood. Zub then agreed to provide a sample of her breath. Zub then prevaricated and asked for a lawyer. I told Zub she didn't have the right to a lawyer at that point. Zub stated she didn't understand. I told Zub again and asked if she had further questions. After further conversation, Zub declined to provide a sample of her breath. I took the refusal at 2009 hours. I read Zub her Miranda Rights but did not question her. I secured Zub in a holding cell while I completed my paperwork. Upon completion of my paperwork, I booked Zub into the Palm Beach County Jail where I charged her with DUI per FSS 316.193(1).

My on scene investigation was captured on my issued body worn camera.
