Upon Officer Dorfman's (ID# 889) arrival at St Mary's Hospital, he met with Agnew who informed me of the following information:

Agnew advised that when he arrived home around 0040 hours, he went inside his residence where his roommate/ex-girlfriend (separated for six months, on and off relationship) W/F Debbie Marshall (dob 08/13/60) started an argument because he was out too late. While they were arguing Agnew told Marshall to leave him alone, Agnew then went to his bedroom (located in the northwest corner of the residence) and went to bed.

When Agnew was almost asleep he felt someone stabbing him. He saw a 10-inch kitchen knife with a black handle with blood on it, laying on the right side of his body. Agnew ran to the bathroom with the knife to patch up the wound, once it was it was sealed he ran to his car and went to his ex-wife Stephanie Addison (dob 08/12/71) residence located 270 Russlyn Dr, West Palm Beach, FL 33405.

It should be noted that Agnew took the knife with him to Addison's residence leaving it in his car on the front passenger seat.

Addison then contacted West Palm Beach Fire Rescue to transport Agnew to St Mary's hospital.

Three digital photos of the victim were taken and placed into evidence. There was a stab wound (in the middle of Agnew's back) from the knife.

Officer Esposito #895 was dispatched to 270 Russlyn Dr, West Palm Beach, FL 33405 per request of Sergeant Schaaf to preserve possible evidence.

Upon arrival Ofc Esposito made contact with WPBPD Officer, Donde (WPBPD Case #192092) who advised the vehicle of the victim was in the driveway (FL tag #EHRH81). Contact was then made with home owner, Stephanie Addison D.O.B 08/12/1971 (also ex-wife of the victim) who stated the following;

Her ex-husband, Charles Agnew D.O.B 07/26/1961 called her cell phone stating that his roommate, Debbie Marshall stabbed him in the back and that he was on the way to her house, and that he had the knife used on him in his vehicle.

Upon arrival Addison made contact with Agnew and observed a laceration to his back from the stab wound. Addison then told Agnew that he needed to go to the hospital. Addison then dialed 911 and requested fire rescue. Fire rescue arrived at her residence and transported Agnew to St Marys, located at 901 45th St, West Palm Beach, FL 33407.

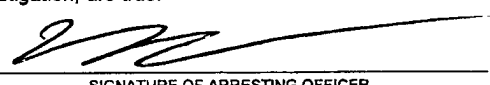

End of statement.

It should be noted that I observed what appeared to be a 10 inch kitchen knife on the passenger seat of Agnew's vehicle. I then observed what appeared to be a blood like substance on the driver seat where a person's back would usually rest. 5 digital photos were taken of the vehicle and what I had observed. It should also be noted that I did not touch the interior of the vehicle or make contact in order to preserve evidence.

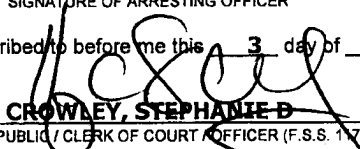

I Inv Gibson (ID# 844) arrived at St Mary's Hospital and completed an audio recorder interview with Agnew who

changed her mind and did wish to speak with a lawyer and wished to provide her statement.

Marshall Consented to a DNA Search at which time she was read the DNA Consent form which she signed and QTY-2 DNA samples were taken orally and placed into evidence.

Marshall was interviewed and advised the following:

That she was at the OLD KEY LINE HOUSE with Agnew at approximately 2230hrs. She stated that Agnew and herself were supposed to go to a friend's house named Stephanie after he was done with his band.

Marshall stated to Agnew she would go home and wait for him to come pick her up so they could go together. Several hours went by and Agnew never returned home so Marshall began calling him and found that he had already gone to the friends house and was on his way home. The two then began to argue as he walked into the house which led into the kitchen. Marshall stated that she made a statement to Agnew that sometimes he makes her want to kill herself. Marshall stated that Agnew removes a knife from the kitchen draw and says to her if you want to kill yourself then here and states Agnew cuts her wrist. Marshall states to him that's not how you do it with her grabbing the knife while he still holds it and cuts her own wrist. She stated that the two go back and forth cutting Marshalls wrist several times before Marshall swats him away and runs to her room and shuts and locks the door.

Marshall stated that Agnew comes to her door and states that you stabbed me.

Marshall stated that she exited the room and Agnew was gone.

Marshall stated that she never stabbed Agnew in his bed.

I asked so it happened in the kitchen then and she replied yes in the kitchen.

Marshall was inconsistent with her statements and then stated that he probably did it himself.

NOTE: the stab wound was in the middle of Agnews back and was in a position where it would be very difficult to self-inflict a wound with a large knife in this particular location.

Marshall was asked if Agnew was facing her or facing away which she could not clearly remember .

Marshall stated that she does not recall how Agnew was stabbed, but the stabbing did occur in the kitchen.

Marshall stated that the whole incident is kind of a blur.

Both knives were swabbed for DNA on the handle and the blades and placed into evidence.

Marshalls shirt and sports bra that were soaked with blood were placed into evidence.

Agnew's shirt that was soaked in blood that was wore during the stabbing was also placed into evidence.

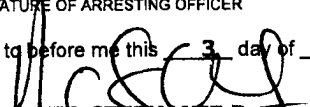

All recorded interviews as well as photos were all placed into evidence.

	was shown a familiarization photo of Marshall by Ofc Dorfman from facebook which he positively identified as the person whom stabbed him and advised the following: He arrived home after work when he was confronted at the front door by Marshall whom immediately began yelling at him and attempting to hit him. Agnew stated that he put up his arms in a defensive manner to keep Marshall from striking his face. Agnew stated the arguing continued before he ultimately had laid down on his bed fully clothed because he was so tired. Agnew stated that he quickly fell asleep, however awoke to a heavy weight on his back and then a sharp pain in his back that quickly went numb. Agnew stated that he abruptly sat up and saw a large kitchen knife laying next to him. He then got up as he observed Debra Marshal walking away from his room do and down the hallway towards the kitchen area. He then ran to the bathroom removed his shirt and looked at his back in the bathroom vanity mirror, at which time he observed a large amount of blood coming from a wound. Agnew stated that he quickly ran outside to the rear patio where Marshall was sitting and asked for her help, however she just ignored him. Agnew stated that he then wrapped cloth around his chest, taking the knife which he laid on his passenger seat of his personally owner vehicle and drove to his ex-wives house at which point rescue was called. Agnew stated that no one else was in the residence at the time of the incident other than Marshall. Agnew completed and signed a Consent to Search of his vehicle, a signed Consent to Search his residence (which he alone personally owns) with both sets of keys being turned over to myself. Agnew also consented to a DNA Search which was obtained orally. I Inv Gibson arrived at 270 Russlyn Dr at which time Ofc Esposito took several more photos of the vehicle and I Inv Gibson removed the large kitchen knife from the passenger side seat, which was later placed into evidence. I Inv Gibson and Ofc Esposito then arrived at 1302 Sandpiper Lane, Lantana, FL 33462 (where incident occurred) where Ofc Esposito took digital photos of the crime scene. All digital photos were turned over to myself from Ofc Esposito. A small steak knife was located outside the front door area on the ground which was collected and placed into evidence. Prior to my arrival at 1302 Sandpiper Ln Debra Marshal (dob 8/13/1960) was seen walking from the residence at which time she was detained and transported back to LPD for questioning. I Inv Gibson and Ofc Crowley made contact with Marshall in the holding cell. Marshall had superficial wounds consistent cuts to her left wrist. Large bruises were also observed throughout her arms, sides and legs. All bruises and cuts were photographed. I Inv Gibson then read Marshall her Miranda Warnings with her first requesting her lawyer, however then
