<p>On 2-21-2017 at 0136 hours, while on routine patrol, I observed a Black Honda Civic bearing Fl Tag# ERA C12 traveling westbound on NW 13th St. I began following the vehicle and saw that the car was failing to maintain a single lane. I turned on my in-car camera to capture the vehicle's driving pattern. At one point while following the car, the vehicle swerved out of the roadway and into the grass. The vehicle also had an obstructed license plate. I then conducted a traffic stop on the car, it stopped at 1400 NW 15th Ave. I approached the driver's side portion of the car and made contact with a W/F driver identified as Demy Salvidar. Upon speaking with Salvidar, I immediately detected the odor coming from her person. Salvidar had a slurred speech and her eyes were red/bloodshot. I asked Salvidar where she was coming from, Salvidar first advised that she was coming from "Bru's Room," she quickly changed her story and said she was coming from The Ninja, which is a local restaurant. Salvidar further stated that she is almost home and is very tired. Ofc. K. Cohen arrived on scene a short time later to provide back-up.</p> <p>At this point I asked Salvidar to exit her car so that I could ask her further questions. Salvidar exited her vehicle and walked to the front of my marked police vehicle. While there, Salvidar advised that she just got off from work and was driving home before I stopped her. I informed Salvidar that she just told me that she was coming from The Ninja. Salvidar seemed confused and could not provide a valid timeline as to what time she got off from work and when she went to The Ninja. Salvidar advised that she had consumed, "two glasses of wine" while at dinner. A short time later, Salvidar changed her story and said she only drank one and a half glasses of wine. It should be noted that while speaking with Salvidar outside of the vehicle, I continued to smell the odor of alcohol coming from her breath. Salvidar was also slightly swaying while speaking with me.</p> <p>I informed Salvidar of my observations and requested that she submit to the standard roadside exercises to dispel my alarm she was driving impaired. She informed me she did</p>

not have any injuries. Salvidar said that she takes medication for depression but she could not name the name of the medication.  
I explained and demonstrated each task before she performed them.

The first task was the Horizontal Gaze Nystagmus. While observing HGN, each eye had a constant jerking while at maximum deviation. Lack of smooth pursuit was present in both eyes. Onset prior to 45 degrees was also present. While performing this task, Salvidar stated that she could feel herself "swaying."

The second task was the Walk and Turn. She did not maintain the starting position by falling off the line several times. While performing the task she used her arms for balance. She did not go heel to toe the entire time. After walking her first 9 steps, she asked me if she should turn.

The third task was the One Leg Stand. She did not follow the instructions and initially had her leg bent. I had to stop the exercise and re-explain the task. Salvidar used her arms for balance while performing the task. She also fell off the line and lost her balance. She counted the number 16 twice. She did not count out loud as instructed the entire time.

The fourth task was the Finger to Nose (L-R-L-R-R-L). L- Salvidar raised her right index finger to her nose instead of her left. She was swaying. She held her finger to her nose and I had to remind her to bring it directly back down to her side. R- Missed the tip of her nose. L- no issue. R- No issue. R- No issue. L- No issue.

The fifth task was the Rhomberg Alphabet. Salvidar stated she could complete the task without incident. Salvidar stated the Alphabet as follows: V, H, I, J, K, I, N, G, H, I. Salvidar then said, "fuck" and "sorry." She continued the Alphabet with L, M, N, O, P, R, S, T, U, V. Salvidar stopped and could not fish the exercise.

Based on my investigation, I placed Salvidar under arrest for DUI per F.S.S. 316.193(1) and transported her to the Boca Raton Police Dept. for processing. Ofc. Reissi conducted the Intoxilyzer Testing. While in the DUI room, Salvidar refused to provide a breath sample. I read her implied consent and again she refused to provide a breath sample.

Salvidar was later transported to the Palm Beach County Jail for final disposition. The vehicle was towed by Westway Towing. The video of the roadside exercises were uploaded into BRPD Evidence.
