The undersigned swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. The person taken into custody... ☒ committed the below acts in my presence. ☐ was observed by _____ who told that he/she saw the arrested person commit the below acts. ☐ confessed to admitting to the below facts ☒ was found to have committed the below acts, resulting from (described) investigation. On the 9TH day of MARCH 20 19 at 03:50 ☐ AM ☒ PM							

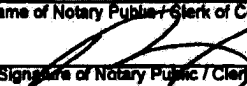

On March 9th 2019, at approximately 1550 hours, D/S Sanchez ID# 24967 and I, D/S Gilmore ID# 14457, were on patrol in the area of Haverford Way and Brentwood Blvd, Lake Worth (Palm Beach County) Florida 33463, in an unmarked PBSO vehicle. We observed a red Chevy Blazer bearing FL Temp Tag CJK7792, fail to come to a complete stop at the stop sign of Gillette Dr and Brentwood Blvd.

Florida Highway Patrol (FHP) Trooper McWherter assisted by conducting a traffic stop on the vehicle in the area of Melaleuca Ln and Sherwood Forest Blvd. Contact was made with the driver and sole occupant W/M Dominick Votto 07/12/78. While speaking with Votto, Trooper McWherter and D/S Sanchez advised they could smell the odor of marijuana emitting from the interior of vehicle. Trooper McWherter advised when Votto stepped out of the vehicle, he observed a marijuana / hashish oil "Vape pen" located on the front driver seat where Votto was sitting. Votto advised he also had a hypodermic needle in the center console unknown if it was capped or not. I then located a capped hypodermic needle next to a spoon with a burnt bottom, and a piece of cotton with what appeared to be heroin residue in the center console. Based on my training and experience, I know these to be consistent with heroin use as drug paraphernalia. No other drugs or contraband was found in the vehicle at this time.

The Vape pen's contents were tested on scene with a Sirchie Number#8 field test kit (THC) which yielded a positive result. The "Vape Pen", and spoon with the heroin residue were both placed into PBSO evidence. The hypodermic needle was placed in to the Biohazard sharps container located at district 18 to be disposed of.

Votto was issued a citation for running a stop sign (citation# AB4GQ4E from FHP).

Based on my investigation there is probable cause to charge Votto with Possession of Hashish (Oil) and Possession of Drug Paraphernalia. Votto was knowingly in actual or constructive possession of any parts of any plant of the genus Cannabis, commonly known as HASHISH, a controlled substance, whether growing or not, the seeds thereof, the resin extracted from any part of the plant cannabis, and every compound, manufacture, salt, derivative, mixture, or preparation of the plant or its seeds or resin, contrary to Florida Statute 893.13(6)(a), and Votto did use or possess with intent to use spoon w/ residue, and hypodermic needle, drug paraphernalia, for injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance, contrary to Florida Statute 893.147(1)(b).

The foregoing instrument was sworn to and affirmed before me this <u>13TH</u> day of <u>MARCH</u> 20 <u>19</u> , by
