## PROBABLE CAUSE

On July 15th, 2017 I Trooper Lucas M. Tavares (3913/1555) with the Florida Highway Patrol was on active patrol in Palm Beach County, Florida. I was in a marked FHP unit equipped with overhead emergency lights and external siren. At approximately 1:50 a.m. I was traveling eastbound on 6th Avenue in Lake Worth, Florida. I observed a white pick-up truck traveling eastbound on 6th Avenue directly in front of me, in the inside travel lane. The vehicle was traveling at a high rate of speed. I visually estimated the vehicle to be traveling at 50 miles per hour in a posted 35 mile per hour zone. I then paced clocked the vehicle at 50 mph or greater.

I then activated my overhead emergency lights and sirens and initiated a traffic stop upon the vehicle. The vehicle then made a right turn onto N. "H" St. The vehicle then came to a full stop on the right side of N. "H" St. I then approached the driver's side of the vehicle and made contact with the driver. The driver of the vehicle was a white male who I later identified as Dylan James Pomianowski by his Florida's Driver's License: (P552-170-92-091-0). I then asked him for his license and vehicle registration. Mr. Pomianowski then pulled out his black wallet and began searching for his license. I visually observed him pass over his license multiple times. He then put his wallet down and opened his glove box and pulled out a bundle of papers. Mr. Pomianowski then handed me the title for the vehicle (not as requested). I then reminded him that I wanted his license that was in his wallet. He then slowly pulled out his license.

While talking to Mr. Pomianowski, his voice was slurred and there was a very strong odor of an unknown alcoholic beverage coming from within the vehicle. I then asked Mr. Pomianowski if he had anything to drink that night and he stated no. I then had Mr. Pomianowski step out of his vehicle. Mr. Pomianowski movements were very slow.

Suspect Vehicle: 2004 White Chevy Silverado Pick-Up with Florida Tag: (JJ01E) attached.

Based upon my observations of Mr. Pomianowski, I then requested that he performs field sobriety exercises. He stated that he would.

## Standardized Field Sobriety Exercises (SFSE):

The area for the following roadside exercises was level hard surface and was free of debris. The weather was clear.

## Horizontal Gaze Nystagmus:

I advised the subject to stand straight with their feet together and arms down by their side. I asked subject if they wear any glasses or contacts, they advised they do not. For the exercise I used my issued red pen light and illuminated it with a Streamlight white in color flash light. I asked the subject if they could see the red pen light, they stated yes. The subject was asked about any current medical conditions, they stated that they did not have any other than that they had a lazy eye (left eye). I advised the subject to follow the red pen light with their eyes and eyes only, and to not move their head. I asked subject if they understood the instructions I gave to them. They stated yes. I asked if they had any questions they stated no.

While performing the exercise, the subject was not following the light as instructed. I had to instruct the subject to follow the light with his eyes. The subject was moving his head (not as instructed). The subject was swaying during the exercise.

## The following was observed during Horizontal Gaze Nystagmus:
