CASE # 2018-0013148

FL0500800

DEFENDANT: Edward W. Napleton Jr. Race: W Sex: M DOB: 12/13/1979

VICTIM: [REDACTED] W/F 09/25/1985

Local Address: [REDACTED]

On August 8, 2018, the crime of a Sexual Battery on a Helpless Person occurred at 1001 Okeechobee Blvd., Room 102, West Palm Beach, Palm Beach County, Florida (Marriot Hotel).

During a sworn statement, the victim, [REDACTED], advised she was in West Palm Beach for a work related function. She had a couple of glasses of wine at a local restaurant and then woke up naked in a bed in a hotel room. The victim does not recall what occurred in-between. She was adamant she would not have let anyone in the room and that she would not consent to having sexual intercourse with anyone except for her boyfriend. A Sexual Assault Kit and a Toxicology Kit were collected.

Marriott Hotel video surveillance revealed the victim and two males, identified by the victim as Dee Grinnell and Edward W. Napleton Jr. (DEFENDANT), walked to room #102 at approximately 0008 hours on August 8, 2018. The victim then fell to the ground and appeared to be unconscious. Grinnell grabbed the victim by her feet and dragged her into the room. Both males entered the room and were in the room for approximately 30 seconds before leaving. Shortly after the males left, the victim exited the room and fell in the hallway unconscious. Hotel staff found her unconscious and put her in a wheel chair due to immobility. The victim was unresponsive to hotel staff. Grinnell recognized the victim and gave the correct room number. At approximately 0031 hours, hotel staff returned the victim to her room. The victim still appeared to be in an unconscious state.

At 0121 hours, video surveillance revealed hotel staff providing Grinnell with a room key (room #102) which he immediately gave to the DEFENDANT. At 0132 hours, both males left the lobby and walked to room #102. They stood outside the room #102 briefly and then the DEFENDANT entered the room. He remained in the room until 0733 hours.

Your Affiant attempted to speak with the DEFENDANT but was told he was unavailable. Your Affiant attempted several more times over the course of the investigation but the DEFENDANT refused to provide a statement.

Per the Palm Beach County Sheriff's Office (PBSO) Toxicology Unit

CASE # 2018-0013148

FL0500800

DEFENDANT: Edward W. Napleton Jr. Race: W Sex: M DOB: 12/13/1979

VICTIM: [REDACTED] W/F 09/25/1985

Local Address: [REDACTED]

report, the victim had 0.077 grams of ethanol per 100 milliliters of blood in her system. It should be noted, the blood sample was taken at 1355 hours on August 8, 2018, approximately fourteen (14) hours after the victim last consumed alcohol.

Per the PBSO Forensic Biology Unit (FBU) report, possible male DNA was indicated on the vaginal vault, vaginal vestibule, mons pubis, anal/peri anal, neck and breast/nipple swabs. After receiving the report, the DEFENDANT's DNA standard was obtained and submitted for comparison.

Per a subsequent FBU report, there were two contributors to the vaginal vault swabs' sperm fraction: Contributor 1 (Victim) was 39% and Contributor 2 (DEFENDANT) was 61%. The DNA profile obtained is approximately 1.68E28 times more likely if it originated from the victim and the DEFENDANT than if the DNA profile obtained originated from the victim and an unknown individual in the population. Two contributors came back for the anal/peri anal swabs. Contributor 1 (Victim) was 23% and Contributor 2 (DEFENDANT) was 77%. The DNA profile obtained is approximately 2.98E28 times more likely if it originated from the victim and the DEFENDANT than if the DNA profile obtained originated from the victim and an unknown individual in the population.

Based on the above, probable cause exists to charge the DEFENDANT, Edward W. Napleton Jr., with one count of Sexual Battery on a Helpless Person per F.S.S. 794.011(4) (b).
