Agency ORI Number: FL 0501700 Agency Name: JUPITER POLICE DEPARTMENT Agency Report Number: 5 | 4 | 17-005335

Name (Last, First, Middle): COLLINS, ELIZABETH COLLEEN Race: W Sex: F Date of Birth: 04/18/1983

Charge Description: 827.03(2)(D) CHILD NEGLECT

Victim's Name (Last, First, Middle): [Redacted] Race: W Sex: M Date of Birth: 07/30/2008

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. The Person taken into custody... committed the below acts in my presence.

On Tuesday, November 8, 2017 at 2259 hours, I responded to [Redacted] to assist DCF with a welfare check on three children at the above address. Upon my arrival, I spoke to DCF investigator Alannah Thayer badge # AT 10192, who advised the following: She arrived to do a welfare check on the children (without law enforcement), because there have been allegations that [Redacted] Elizabeth Collins (W/F 4/18/83) is abusing alcohol and passing out from it when the children are home. Elizabeth [Redacted] The children are [Redacted] (W/F 9/16/05), [Redacted] (W/M 7/30/08) and [Redacted] (W/M 9/29/14). Thayer knocked numerous times as loud as she could and no one was coming to the door. Thayer heard [Redacted] yell that someone was at the door and came to the front window to look out. [Redacted] opened the door and let Thayer into the residence. [Redacted] told her that [Redacted] was passed out on the couch from drinking wine. Thayer could not wake Elizabeth up so called for our assistance. She advised the case has been open for over a month, but she has been unable to make contact with her until tonight to find out if the allegations were founded. When I arrived, I observed Elizabeth lying on the couch in the living room passed out on her back. I yelled her name numerous times and she did not wake up. I then began sternum rubbing her while yelling her name. It took five times of sternum rubbing her until she finally woke up. Officer Schneider and I had to sit her up on the couch to talk to us. When she woke up Elizabeth started screaming at us about what we were doing there and telling us to get the fuck out. Alannah explained to her the situation and why she was there tonight. I asked Elizabeth if she had been drinking and she said she had half a bottle of wine. There was a glass of red wine on the coffee table next to the couch.

All three of the children were awake still at 2330 hours. [REDACTED] said she was taking care of [REDACTED] because Elizabeth had been passed out for hours. No other adult was there to supervise them. I asked the children why they were not in bed yet, because they have school tomorrow and they said because [REDACTED] was passed out no one tells them when to go to bed.

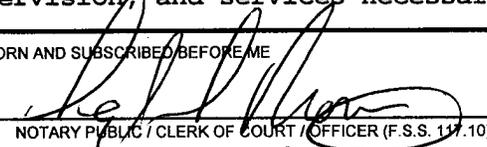

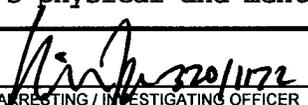

I walked into the bedroom to check on the boys and [REDACTED] was rocking back and fourth on the bed saying he was scared of [REDACTED]. [REDACTED] said she was scared to be left alone with her, because she did not know what she would do to her for talking to the police and DCF. [REDACTED] was very emotional and was tearing up. She spoke very quiet and acted like she was scared for [REDACTED] to hear anything she said. [REDACTED] packed her and her [REDACTED] belongings up before she was even asked to, because she said she did not want to stay there. I asked [REDACTED] if [REDACTED] cooks meals for them and she said only sometimes. [REDACTED] said she takes care of herself and [REDACTED] the majority of the time, because she is too drunk or passed out. I asked if [REDACTED] takes them to school when they should and [REDACTED] said she wakes up everyone in the house and gets them ready and then [REDACTED] will only drive them. [REDACTED] said she is just used to having to be like [REDACTED]

The house was in complete disarray. There was wine on the coffee table which was readily available for the children to drink, a box of wine on the floor. The floors were dirty and filled with toys and dirty clothes where you could barely walk through. The counter tops and tables were piled with miscellaneous items and garbage. There was old food on the couch and in the bedroom on the floor and nightstand. There were cleaning supplies and knives in reach of the children being able to grab when not being supervised.

While on scene Elizabeth was uncompliant and kept yelling "get the fuck out of my house" to us in front of the children. She repetitively called me a "cunt" in front of them. When she was asked to come speak to me away from [REDACTED] and [REDACTED] as a shield from the police. I asked her multiple times to calm down and not act like this in front of the children, but she did not stop and continued acting inappropriate in front of them.

DCF and police had been out to the residence on multiple occasions including on 10/14/17 for an abuse investigation for the allegations of her passing out from drinking, but no contact was made. On 10/2/17 police were called there for a medical call. [REDACTED] called 911, because she could not get Elizabeth to wake up, because of her drinking. A child abuse investigation was completed on 6/9/16 for allegations [REDACTED] [REDACTED], because of being an alcoholic.

The above information gave me probable cause to charge Elizabeth Collins with neglect of a child, because she did fail or omit to provide [REDACTED] with the care, supervision, and services necessary to maintain the child's physical and mental health,
