	had thrown a barstool at her husband, W/M Michael A. Hughes (03-07-78). While Elizabeth was on the phone, Michael also called Northcomm Communications, saying Elizabeth had just thrown a barstool at him and he was currently bleeding. Upon arrival, I met with Michael in front of his open garage. Michael said Elizabeth was inside the residence. Michael had a bleeding cut on his left shin. Michael appeared to be intoxicated, but calm. Michael said Elizabeth got mad at him because he told her he was going to give a ride to a female friend. This led to an argument, during which Elizabeth shouted that Michael grabbed her by the neck. Michael denied doing this, and said Elizabeth then threw a barstool at him, striking him in the left shin. I then entered the residence and spoke to Elizabeth in the master bedroom. Elizabeth appeared to be very intoxicated, crying and upset. Elizabeth said Michael was being abusive, during which she said Michael grabbed her by the back of the head. Elizabeth said she then threw a barstool at him I asked Elizabeth when Michael grabbed her neck rather than her head, and she said the "second time" I asked what she meant by that, and Elizabeth started to cry uncontrollably, saying she'd take the blame and would not explain further. I returned to Michael outside, who said nothing happened besides Elizabeth throwing a barstool at him. Michael mentioned he started to record Elizabeth with his phone audio recorder as the argument was going because he did not trust her. The recording Michael showed me was marked as being started at 3:29am. The Michael said the recording at first was of Elizabeth looking for her ring in the front yard. I heard Elizabeth's voice yelling at Michael to get in the house and yelling at him for trying to give a friend a ride home. Later in the recording Elizabeth could be heard saying "I'm gonna fuckin knock you in the face". A few moments it sounded like something was struck, followed by Michael saying not to hit him again. I did not notice any injuries on Elizabeth. Based upon the statements of Michael and Elizabeth, Michael's injury and what was heard on Michael's audio recording. Probable cause existed Elizabeth was the aggressor in the physical altercation, causing Michael's injury, contrary to Florida Statute 784.03(1)(a)(1).
