Brown eyes.

Upon starting this task, I showed him how I wanted him to follow the pen. The driver did not follow the pen with his eyes at fist he moved his head and stated " donr move my head. I observed the driver with a distinct sway during the exercise.

### Walk and Turn Task

I instructed the driver to stand with his left on the line with his right foot directly in front of the left touching heel to toe with his hands/arms down by his sides. The line was a straight separation in the cement sidewalk. The driver was told to remain in this position until told to begin. I explained and demonstrated the exercise and he said he understood the instructions. During the instructions he stepped out of position at least 3 times. On step 2 he used his arms for balance more than 6". on forward the line was shorter than 9 steps I had the subject continue the return steps on he cement he continued counting from 10. On his step 11, 12, 13, 14, 15 he was very uneasy and lost balance used arms for balance and was off the line. he continued to step 18.

### One Leg Stand

- I had the driver stand with his feet together and hands down at his sides. I explained and demonstrated the exercise and he stated he understood the instructions. He lifted his left leg toe was pointed up and not 6" off the ground as directed. at is count of 15 hop and his foot was placed down counted one more to 16 said "he was sorry" this occurred at approx 24 seconds.

He was ok in his boots "wears them every day"

### Finger To Nose

- I had the driver stand with his feet together, arms/hands down at his sides and index fingers pointed out. I explained and demonstrated the exercise and he stated he understood the instructions. I asked the driver to tilt his head back and close his eyes. On the first left, bridge of nose and repositioned he held it in this position for a few seconds. . On first right was on side of nostril and repositioned to tip of nose. On second left contact was on bridge. second right contact was on tip, third right contact was on tip and third left was repositioned to tip from bridge on nose. I observed the driver swaying

### Romberg Balance

-I explained and demonstrated the exercise and he stated he understood the instructions. I asked the driver close his eyes is eyes and recite the alphabet. 1st attempt A-L then "M.P" continued to W said "H" . said "oh fuck" "I fucked that up", 2nd attempt A-C "D,E,V" " god dam it" "I'm Nervous". \*\*\*Asked why he was nervous advised never been "pulled over in Florida" or in an accident. I has subject relax take a deep breath and asked if he would like to attempt again with his eyes open this time 3rd A-E " F,G,E,H" " god damn it Too Nervous.
