While on Interstate patrol in Palm Beach County, I was dispatched to a report of an possible driver located on northbound Interstate-95 north of State Road 706 (Indiantown Road). A Interstate-95 Road Ranger called the Florida Highway Patrol Lake Worth Dispatch center to report a gray Ford Explorer that driving/ swerving all over all three lanes. The gray Ford Explorer then stopped on the grassy shoulder. That is when Road Ranger Jeffrey Slinger exited his vehicle, and walked up to the Explorer. Mr. Slinger then called the F.H.P. dispatch to report that he thought the Hispanic female driver was possibly under the influence.

I arrived on scene, and approached the vehicle. I observed a Hispanic female with bloodshot watery eyes, had an odor of alcohol emitting from her mouth, and person, and slurred speech. I asked the female driver, later identified as Ms. Grenda Greter Ledo Mora (FL DL # L-356-287-93-891-0), to hand me her driver license. Ms. Ledo Mora fumbled inside her black wallet, unable to simply

take it out of the wallet. She handed the wallet so I could get it.

I then asked her to exit the vehicle. She was unsteady as she exited. I asked where she was headed. Ms. Ledo Mora stated that she was going to her home in the city of Lake Worth, but she had no idea that she had passed the Lake Worth area, and traveled all the way north to the Jupiter Florida area. When asked where she was coming from, she stated from the area of Congress Ave and 10th Ave North. When asked if she had any drinks tonight, she stated to consumed a margarita and a mojito. I asked her if she would perform roadside sobriety exercise, she stated that she would.

The first exercise was HGN. During the exercise she would not keep her head still as instructed on numerous times, did not have smooth of pursuit. I was able to observe on one attempt, rapid pupil movement on both right and left eye. At one time, she would not even follow the tip of my pen being used.

The second exercise was " The Walk And Turn ". I had to instruct and show how to perform the exercise many times. When she finally stated that she understood, she started before being told to start. When she actually attempted the exercise, she failed to perform on how to perform the steps by never keeping heel to toe when stepping, instead she just took wide nine steps forward. She then performed an incorrect turn as instructed. Ms. Ledo Mora on the back nine steps, walked using wide steps.

The third exercise was the " One Leg Stand ". I had to instructed, and performed the exercise to show her many times. When she actually attempted to perform it, she started to step forward.

Based on the evidence, and the exercise, I placed Ms. Ledo Mora under arrest for driving under the influence at 3:50am. Tpr. Jennifer came on scene, and search her. Then placed her in the rear of my patrol vehicle, and transported her to the Palm Beach County Main Jail.

While at the main jail's breath test center, I asked her if she would submit to a breath same, she refused. I then read Florida's Implied Consent to ask again for her to submit to a breath test, but she refused again at 5:17am. Short time later she was then walked over to the main jail's intake center.
