PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody

[X] committed the below acts in my presence.

[ ] confessed to _____ admitting to the below facts.

[ ] was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.

[X] was found to have commited the below acts, resulting from my (described) investigation.

On the 5 day of JAN 20 19 at 03:00 [X] A.M. [ ] P.M. (Specifically include facts constituting cause for arrest.)

On 1/5/19 while on patrol I was sitting in the parking lot of 3095 S Military Trail, in Palm Beach County. I observed a silver car, a Hyundai Elantra bearing FL tag 291NRB, traveling south.

As soon as the vehicle passed I heard the squealing of tires and a loud crash. As I looked south I saw the car turning east on Broadway St. The car was making a loud scraping noise, which through my training and experience I knew to be a vehicle traveling without a tire. I got behind the vehicle as it came to a stop in front of 4432 Broadway St. I made contact with the driver, Jamie Hanson, the sole occupant of the car. Hanson advised that she was not injured and did not need EMS.

As Hanson attempted to locate her vehicle insurance she appeared confused and was looking through Christmas cards and other items. I noticed Hanson's eyes were glassy and there was an odor of an unknown alcoholic beverage coming from the vehicle. When giving her phone number Hanson gave too many numbers. I advised Hanson she had given too many numbers and she repeated her phone number, again giving too many numbers, claiming that it was her correct phone number.

I checked Hanson's car and found that the front passenger tire and rim had been completely sheared off the vehicle, leaving only the very center portion of the rim attached. The rim and tire of Hanson's car was later located in the northbound lanes of Military Trail. (PBSO case 19022532)

Inv. Frey id 9658 responded to the scene and took over the investigation.

PERSONAL CONTACT

DRIVING PATTERN: ACTUAL PHYSICAL CONTROL (PHYSICAL EVIDENCE OR STATEMENTS PUTTING DEF. BEHIND WHEEL OF VEHICLE)

Upon arrival I met Inv. G. Lynch (8568). He told me he was on patrol in the area of 3095 Military Trail. He observed a silver Hyundai Elantra (FL tag 291NRB) traveling southbound. As soon as the vehicle passed his location he heard the "squealing of tires and a loud crash". He observed the vehicle turning onto Broadway St. and could hear a loud scrapping noise coming from the car. He got behind the vehicle as it came to a stop in front of 4432 Broadway St. He made contact with the female driver; she was later identified as Jamie Hanson by her Florida Driver's License. He told me she attempted to locate her insurance card but appeared "confused" and was looking through Christmas cards and other items. He stated her eyes were glassy and he could smell the odor of an unknown alcoholic beverage coming from the vehicle. He asked for her phone number and she gave a number with too many digits. He asked again for her phone number and again she gave the number with too many digits and stated it was her correct phone number. INV Lynch completed a supplemental probable cause affidavit.

OBSERVATION OF DRIVER:

I then met with Jamie. She was sitting in the driver's seat of the vehicle. I could smell the odor of an unknown alcoholic beverage coming from inside the vehicle. Her eyes were watery and glassy. I asked her to exit the vehicle. She stumbled as she walked to the front of my marked patrol vehicle. At the front of my marked patrol vehicle I could smell the odor of an unknown alcoholic beverage coming from her breath. She had difficulty standing with her feet together and had to widen her stance for balance.

DRIVER'S STATEMENTS:

She made the spontaneous utterances that she takes medication for [redacted]. She stated she had taken them approximately 2.5hrs to 3hrs prior.

ODORS:

The odor of an unknown alcoholic beverage coming from her breath.
