Came out of house and walked up to SUV man behind drivers seat. The wheels were spinning when I got to the door the driver stated he had hydroplaned. No one else was in the car. He said he called AAA to help him get the vehicle moved. I told him he was high centered on the berm and mentioned to him there was no water on the road. Once again he stated that triple A was on the way. He appeared to me that he may have been under the influence of some substance because he was slurring his words.
