PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law

The Person taken into custody

☐ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 24 day of September, 2018 at 02:50 (Specifically include facts constituting cause for arrest.)

On 09/24/2018 at approximately 0238 hours, I was patrolling the parking lot at 71 E Indiantown Rd. (Johnny Mango`s) in the Town of Jupiter, Palm Beach County, FL. At the time, I was driving a fully marked Jupiter Police Department patrol vehicle (vehicle 1413), I was wearing a JPD uniform clearly identifying myself as a Jupiter Police Officer, and I was wearing my department-issued Axon body camera.

I observed a silver 2014 Honda Accord parked, facing west, in a parking space on the east side of the aforementioned closed business. This vehicle drew my attention as it was the only vehicle in the parking lot with its hazard lights flashing. Additionally, the vehicle was parked askew in the parking space (within the lines) giving the appearance that whoever last drove the vehicle had hastily parked it in the parking space.

As I approached the vehicle, I noted it had dark tinted windows all around. I observed a white female, later identified by her Class E Florida driver license to be Janice Walker (w/f; 04/20/1970), wearing a yellow shirt, blue jean shorts, and no shoes sitting in the driver seat of the vehicle. Walker was the sole occupant of the vehicle at the time and it appeared as though she was sleeping. I utilized my flashlight to visually inspect the interior contents of the vehicle to ensure there were no visible weapons. I also noted the keys to the vehicle were on the seat, next to Walker`s right leg.

Due to the fact that the vehicle`s hazard lights were flashing, the vehicle was hastily parked, and the driver was observed sleeping in the parking lot of a closed business, I knocked on the driver window to conduct a welfare check on the occupant. I knocked for approximately 10 seconds, progressively getting louder and knocking harder before Walker woke up. When Walker woke up, she stretched her arms out as if she was looking to turn the vehicle on but was unable to locate the keys to the vehicle. Walker appeared incoherent and did not look out the window of her vehicle, although I was shining a

flashlight right at her.

Due to Walker`s strange actions after waking up, I was concerned she was having a medical issue and possibly in need of Fire Rescue so I opened the driver door to her vehicle. Immediately when I opened the door, I could smell the strong odor of an unknown alcoholic beverage inside the vehicle and on Walker`s breath which intensified as she spoke. Walker had bloodshot/glassy eyes and was severely slurring her speech.

Due to my observations of possible alcohol impairment and the fact that Walker`s keys to the vehicle were within her immediate reach, allowing her to easily place the keys in the ignition, start the vehicle, and drive away, I requested Walker provide her driver license and began a DUI investigation.

I attempted to explain to Walker why I was asking her to complete roadside tasks but Walker continually interrupted me. Walker advised multiple times that she would not drive. Walker requested I walk her into the restaurant and I advised I would not. Walker advised she was looking in her vehicle for her shoes and ignored officer`s instructions to stop reaching around in the car. Walker had mood swings and would go from being calm one minute to irate and uncooperative the next. At one point, Walker was handling her cell phone and appeared to have an extremely difficult time locating the "home" button, pressing on the earpiece with her finger.

I attempted multiple times to explain, at Walker`s request, what Standardized Field Sobriety Exercises I was going to ask her to complete, however, she continued to interrupt me. Eventually, I concluded that Walker was either unwilling to complete SFSTs or too intoxicated to coherently provide an answer without arguing so I advised her of her Taylor Warnings. Walker advised she understood her Taylor Warnings.

I allowed Walker to stand outside her vehicle, also at her request, and observed she was unsteady on her feet, swaying back and forth and attempting to walk towards the front door of Johnny Mango`s. I again asked if Walker was going to listen to me and she stated "no."

At this time, I concluded that Walker was unwilling to complete roadside tasks and I placed her under arrest for DUI. I secured Walker in handcuffs which were checked for proper spacing and double-locked to prevent tightening. I sat walker in the rear passenger seat of my patrol vehicle and transported her to the Jupiter Police Department where a female Palm Beach Gardens Police Officer conducted a search of Walker`s person.

I transported Walker to the Palm Beach County Breath Alcohol Testing Facility where I conducted a 20 minute observation period to ensure she did not ingest or regurgitate anything orally. At the conclusion of the observation period, I requested Walker provide a lawful sample of her breath for the purpose of determining the alcohol content.

PROBABLE CAUSE STATEMENT

Walker refused. I read Walker Implied Consent from a prepared text twice (she did not understand the first time) and confirmed she understood. Walker consented to provide a breath sample and later provided two adequate samples of .212 and .212, both over the legal limit of .08.

I read Walker her Miranda Warnings from a prepared text and confirmed she understood each one. I conducted a post-arrest/post-Miranda interrogation with Walker in which she advised she was drinking at the Square Grouper (located approximately two miles from where Walker was located) before sleeping in the parking lot at Johnny Mango's.

I believe Probable Cause exists to charge Janice Walker with DUI - Enhanced BAC over .15 because she was in actual physical control of a vehicle, while having a breath alcohol level of .08 or more grams of alcohol per 210 liters of breath, contrary to Florida Statute 316.193(1) and during the course of driving a vehicle while under the influence of alcoholic beverages, did have a breath alcohol level of .15 or more grams of alcohol per 210 liters of breath, contrary to Florida Statute 316.193(1) and (4).
