PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

[X] committed the below acts in my presence.

[ ] was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

[ ] confessed to _____ admitting to the below facts.

[ ] was found to have committed the below acts, resulting from my (described) investigation.

On the 19 day of August, 2018 at 00:22 (Specifically include facts constituting cause for arrest.)

On the above date at approximately 0022 hours, I was on routine patrol in the area of North Central Boulevard and West Indiantown Road, in the Town of Jupiter, Palm Beach County, Florida.

I was in the right hand left turn lane to turn east on West Indiantown Road. I could see the east and west bound lights for West Indiantown Road were red. The light for southbound North Central Boulevard across West Indiantown Road was green. I observed a 2012 BMW four door approach the light on eastbound West Indiantown Road in the right hand turn lane. The vehicle failed to stop at the solid red light and only slowed enough to make the right hand turn. I entered traffic southbound to follow the vehicle. I observed the vehicle travel in the left hand lane at a speed of approximately 35 miles per hour. The vehicle was swerving within its lane. I initiated a traffic stop of the vehicle as it continued south. The vehicle pulled over to the right.

I made contact with the driver / sole occupant, Janine Tangredi. Tangredi had bloodshot glassy eyes and I could smell the odor of an unknown alcoholic beverage on her breath. Tangredi appeared to be attempting to cover up the odor by using a vape style cigarette. Tangredi was rambling when she spoke. Tangredi forgot the other documents I had asked for and had to be reminded several times. Tangredi began to make inappropriate comments and commenting on my appearance in uniform. Tangredi`s speech was slurred. I asked Tangredi whether she had taken any medication. Tangredi denied that she had. Tangredi stated she`d consumed two drinks only at a bar she couldn`t name as she was with a man she had just met who drove her there.

I had Tangredi exit the vehicle. She appeared generally unsteady on her feet. I asked Tangredi on a scale of 0-10 how intoxicated that she felt. Tangredi stated, "4". I asked Tangredi to complete SFSTs. Tangredi agreed. Tangredi tended to speak over me throughout the exercises. I am a certified Drug Recognition Expert and noted all six

clues of Horizontal Gaze Nystagmus. I also noted several standardized clues in Walk and Turn and One Leg Stand. Tangredi also completed the Finger to Nose and Romberg Alphabet Tasks. For a complete recounting please see my DUI roadside task PC Affidavit, which will be completed on my next duty shift.

I determined that based on the totality of my investigation that I had probable cause to arrest Tangredi for DUI. I placed Tangredi in handcuffs which I checked for spacing and double locked. I placed Tangredi in the rear of my police car and fastened the seatbelt. I transported Tangredi to the Palm Beach County Breath Alcohol Testing Facility. Tangredi became extremely insulting, loud, and repetitive during this time. Tangredi made references to being the "source" and other nonsensical ideas. Upon my arrival, I conducted a 20 minute observation period where I ensured Tangredi did not take anything by mouth or regurgitate. Tangredi remained exceptionally insulting and verbally abusive during this time. Tangredi rambled strings of insults non-stop. Upon completion of a very long 20 minute period, I asked Tangredi to provide a sample of her breath. She at first agreed. Tangredi then stated she didn't want to take the test. I read Implied Consent from a prepared text. Tangredi spewed abusive insults in a loud voice during this (and many, many other) time(s). Tangredi then stated she wouldn't speak to me but would speak to and take the BAT technician's test. BAT Technician Pound restarted the instrument's testing process. Tangredi provided samples of .145 and .146. I then read Tangredi her Miranda Rights from a prepared text. I made no attempt to interview Tangredi. Tangredi did not invoke her right to remain silent.

I then placed Tangredi in a holding cell while I completed my paperwork. Tangredi declared she had low blood pressure and was having a stroke, though this did not appear to affect her speech or movements. I transported Tangredi to the Wellington Medical Center for medical clearance for jail. Tangredi remained loud and abusive during this time. I initially did not have my body worn camera on as it is a medical facility and I was observing others and Tangredi's privacy during this time. When the original nurse was finished with his paperwork, I had Tangredi sit up in the bed so I could handcuff her to the railing. When I was securing Tangredi's right hand to the railing, Tangredi, who had worked herself into a frenzy of repetitive insults and abuse raised her right leg yelled "I'll kick you, bitch" and struck my right shoulder with her shin, narrowly missing my face with her foot. A few minutes later, Tangredi started trying to remove her right hand from her handcuff by slipping it through the loop. I readjusted the handcuff. Tangredi was resistant to me and locked her foot in the railing with her upper leg near her wrist to obstruct my access to it. I noticed at this time my body camera was not activated and turned it on. I continued to adjust Tangredi's handcuff. Showing considerable stamina, Tangredi's insults continued along with mood swings and general uncontrolled juvenile bluster. It was clear throughout my time with Tangredi that she had virtually no control of her faculties.

Tangredi was cleared without receiving any medical treatment. Tangredi's claim of
