NARRATIVE

a comment about Williams` drivers licenses and he became upset. Ferguson stated that Williams began to tell her how to drive so she said, "You can`t tell me how to drive you don`t even have a driver`s licenses."

Ferguson advised that when they arrived at Vic and Angelo`s Williams got out the car and walked away. Ferguson advised that he usually goes around and open the car door for her but this time he walked inside the restaurant alone and went directly to the bar. He began to ignore her, so she left and returned home. Ferguson advised that two hours later Williams returned home in an Uber.

Ferguson stated that she was packing her things and that she would be out by the end of the week. Ferguson advised that her twenty-one-year-old son sent her a video and Williams grabbed the phone out of her hand and threw it across the room. The incident occurred in the living room. At that time Ferguson stated that Williams told her that there are two things that are facts, one that he will never see her again. Then he grabbed her around the throat with both hands for about 30 seconds. Ferguson stated that she then slapped him with her right hand which allowed him to let go. She then ran into the master bedroom where her phone was and call 911, by that time Williams had left the home.

I checked Ferguson`s neck and the right side of her neck had red marks and the left side was normal.

While speaking with Ferguson, Williams came home. I spoke with Williams who advised that he and Ferguson had an argument at Vic and Angelo`s but that she left and when he came home in an Uber she was not at home so he went for a walk around the neighborhood looking for fish in the canal. Williams stated that he did not hit Ferguson. Williams did advise that he had been drinking alcoholic beverages. I did check Williams face for injures and there were none.

Jason Williams is Charge with Simple Battery contrary to FSS 784.03(1)(A)(1).
