NARRATIVE:

On November 24th, 2018 at approximetly 0010 hours I was patrolling the 700 block of Military Trail when I observed a gray Honda 4dr bearing Florida tag KFQ32 driving north on Military Trail with the tail lights not functioning. The vehicle continued north on Military Trail towards Gun Club Rd when I observed the vehicle begin to swerve within their lane. I activated my overhead emergency lights to conduct a traffic stop. The vehicle came to a stop in the 300 block of Military Trail.

I approached the vehicle on the driver side and observed a hispanic male, later identified as Jesus Perez, wearing a gray shirt and black pants sitting behind the driver seat. I also obseved the front left tire to be blown and the vehicle was riding on the rim. While talking to Jesus, I began to smell an unknown alcoholic beverage emitting from his breath. While Jesus was gathering the documention asked of he spontaneosly stated he did not drink and that he could blow in a breathlyzer.

Investigator Zeitz # 24970 arrived on scene and and the remainder of this investigation was turned over to him.

This concludes my involvment.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The Person taken into custody

☐ committed the below acts in my presence.
☐ confessed to _____ admitting to the below facts.
☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.
☐ was found to have commited the below acts, resulting from my (described) investigation.

On the _____ day of _____ 20 18 at 0010 ☐ A.M. ☐ P.M. (Specifically include facts constituting cause for arrest.)

On 11/24/2018 at approximately 0041hrs, I was called to the scene of a traffic stop near the intersection of Military Trl and Gun Club Rd, which is located in unincorporated Palm Beach County, Florida. I arrived at the scene at approximately 0019hrs. D/S Foster #12413 relayed to me, and completed a written signed sworn supplemental Probable Cause Affidavit, that he had stopped the defendant's vehicle, a gray 2004 Honda bearing FL tag KFQ32, because the vehicle had inoperable tail lights. The vehicle was also traveling with a blown front left tire and was driving on the rim. D/S Foster noticed that the defendant had articulable indicators of impairment, so he called for a DUI unit to conduct a possible DUI investigation. D/S Foster identified the defendant, to me, as the driver and sole occupant of the vehicle, at the time of the stop.

Upon arrival I checked on the vehicle and observed the blown front left tire. I then spoke to the driver of the vehicle, who was identified as W/M Jesus Manuel Perez by his Florida Driver's License. He was leaning against the car at that time. I introduced myself and asked Perez what happened to his vehicle. He said that the tire blew earlier. He pulled to the side of the road to fix it but did not have a jack. He then made the decision to drive the vehicle home in its unsafe condition. While explaining what happened, I could smell the clear odor of an unknown alcoholic beverage coming from his breath. This odor became stronger as he spoke. Perez's speech was slurred. I the asked if Perez would participate in roadside tasks. He agreed. He was brought to the front of my patrol car to continue the investigation on video.

Once at the front of my patrol car, I put Perez in the instructional stance for Horizontal Gaze Nystagmus. He stated that he understood the instructions and would participate. I could see Perez sway in a front to back and side to side manner. I asked Perez to reach out with his index finger to touch the stimulus to identify the point to be tracked. Instead of following the instructions, he reached out and put his middle finger in my face. I again gave him the instructions, which he did not not touch the tip of the stimulus as directed. I began checking for Horizontal Gaze Nystagmus. Perez had to be told numerous times to follow the light with his eyes and his eyes only. He would wince his face and continually move his head and arms, despite being given the instructions numerous times. I attempted to get Perez to properly get into the instructed stance so that I could continue. Perez continually interrupted me and began gritting his teeth while looking at me as if he wanted to fight. Perez became argumentative and became increasingly hostile. He continued to say that he was willing to participate, but refused to get into the proper stance or follow instructions. I issued Perez his Taylor warnings while he continually talked over me. I ensured that he understood and gave him another chance to continue. I was able to observe a lack of smooth pursuit in both eyes and distinct and sustained nystagmus in his right eye. This is as far as I could get before Perez became argumentative and did not continue. I placed Perez under arrest for DUI.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law
The Person taken into custody

- ☐ committed the below acts in my presence.
- ☐ confessed to _____ admitting to the below facts
- ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.
- ☐ was found to have commited the below acts, resulting from my (described) investigation.

On the _____ day of _____ 20 18 at 0010 ☐ A.M. ☐ P.M. (Specifically include facts constituting cause for arrest.)

I placed Perez into handcuffs that were checked for fit and double locked. While I attempted to conduct a search of Perez's person, he whipped his head in my direction in an apparent attempt to strike me with his head. Perez was restrained over the hood of my car at that time. He remained there until my search of his person was complete. He was then placed into my marked patrol vehicle for transport to the Palm Beach County BAT for breath testing.

Upon arrival to the BAT, I brought him out of my vehicle. When I took hold of his arm, he immediately clinched up and told me, "Dont fucking touch me." While walking him into the BAT, he began stiffening up and forcing me to move him along. Once inside of the BAT doors, he stiffened further and again forced me into moving him into the BAT. Once inside, I informed him to sit in the designated chairs to begin the 20 minute observation period. He ripped his arm away from me and turned as if he was going to get in my face. He was forcibly sat down in the chair. He jumped up out of the chair again to try to get into my face. He again was forced down into the chair. He became irate and started yelling at myself and other officers inside of the BAT. It was determined at that time that due to his combative nature, a 20 minute observation period would not be conducted. He was immediately placed into a holding cell at that time. For the safety of the myself, breath techs and for the safety of the defendant, breath testing was not conducted. An immediate refusal was documented at 0120hrs.

While sitting inside of the cells, Perez continued to be belligerent and yell continuously in the cells. Perez went on to continually threaten me saying that, "Ill find you." He went on to say that, "You, you're family, everybody will see me." He also continued on by saying that he was going to look up my address on the property appraisers website so that he could, "Find exactly what room I sleep in." Perez did unlawfully threaten myself and my family during the commission of my investigation. While I was completing arrest paperwork, Breath Tech O' Neal #6212 was standing at the copier. Perez intentionally pulled out his penis in full view of tech O'Neal. This caused her to stop what she was doing and turn round to avoid having to look at his penis. O'Neal completed a written statement that is included with this report.

Due to the above mentioned facts, probable cause exists for the arrest W/M Jesus M. Perez or the following charges:
