PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 2 day of April, 2019 at 18:02 (Specifically include facts constituting cause for arrest.)

On Tuesday, April 2, 2019 at approximately 1518 hours, I responded to the area of Crescent Dr. and Main St., Jupiter, Palm Beach County, Florida in reference to a delayed report of a possible domestic dispute. Upon my arrival, I activated my BWC and met with [redacted]. [redacted] was visibly upset, crying with mucous running down her face. [redacted] advised she and her [redacted] of several years, John Dobrick (W/M 8-15-65) had been arguing and she was scared to go home and concerned about her blood pressure. Palm Beach County Fire Rescue happened to be on scene assisting with a separate incident and I asked [redacted] several times if she wanted the medics to check her out to which she eventually said she did.

[redacted], who was still very upset, began telling me of several incidents that occurred over the past several days and months. [redacted] was also concerned about her [redacted] (W/F 9-18-03) coming home after school and her [redacted] causing some kind of problem with her. It took some time to get her calm enough to tell me what happened over the past two days but eventually she did calm down and advised the following: Please note, this is a summary from my BWC and not verbatim:

[redacted] advised she and her [redacted] have had a rough marriage, but about a year ago, she advised they were in a "good place." [redacted] stated at that time, she and her [redacted] took several explicit videos of her including a video in which [redacted] was fondling her vagina. [redacted] stated her [redacted] kept those videos on his phone. [redacted] went on to say, their relationship became rough again and the two have not slept in the same bedroom for months.

[redacted] stated sometime on 4-1-19, her [redacted] found one text message in their phone records in which she texted a male. [redacted] advised Mr. Dobrick confronted her about it at their home sometime in the evening and at that time, [redacted] was home. [redacted] stated earlier in the day, she had been at a bank in West Palm Beach

PROBABLE CAUSE STATEMENT

when her [redacted] called her and demanded to know where she was at. [redacted] stated she knew he was upset and tried to delay going home so she went grocery shopping. [redacted] believes she got home some time around 1700 hours on 4-1-19 after texting her [redacted] and asking her to be downstairs when she gets home. When asked why she asked her [redacted] to do that, [redacted] stated she thought her [redacted] would not be as aggressive around her if [redacted] was present. In an effort to ignore her [redacted], [redacted] had ear buds in and was listening to music while she put the groceries away. [redacted] stated her [redacted] came into the kitchen and "stared her down." Concerned he may want her cell phone, [redacted] stated she had placed it in one of her front pockets but accidentally pulled it partially out during their time in the kitchen. [redacted] then advised she had her back to her [redacted] and was facing the counter when she advised Mr. Dobrick began "patting her down" and then pulled her phone out of her pocket. [redacted] then stated several times she did not care about the phone but I noted she had contradicted herself earlier, advising he had taken her phone and she needed it to call in a refill on a prescription.

[redacted] advised she continued to listen to her music until it disconnected from her phone while her [redacted] continued to say things to her such as how he was going to get to the bottom of things. [redacted] then advised at some point, her [redacted] had pulled out his cell phone and showed [redacted] the video of her fondling herself, saying to [redacted] that this is what her [redacted] sends to other men. [redacted] did not believe her [redacted] saw the video because she thought her [redacted] had bowed her head down.

[redacted] then advised on today's date, she had locked herself in the masterbedroom (the room she sleeps in) in an attempt to avoid her [redacted] and also that she was scared of him. [redacted] then advised sometime in the afternoon, her [redacted] came into the bedroom anyway and waved an SD card in her face. [redacted] advised her [redacted] accused her of taking nude photos of herself to send to another male. [redacted] then explained to me she is an amateur photographer and she usually goes to bed very late as she does not have regular employment. [redacted] then told me she was up very late, around 0200 hours, taking photographs of herself and those were the photos on the SD card. [redacted] then advised during the course of the day, her [redacted] took her purse which had her wallet and medication, her laptop, and blocked her car in the driveway so she could not leave in the car. [redacted] stated her [redacted] still had her cell phone from the previous day.

When asked if Mr. Dobrick had hit or struck or pushed her over the past two days, [redacted] advised no, but stated her [redacted] is a bully and has an alcohol problem. [redacted] advised she left their house today on foot with the intention of going to the Jupiter substation located at 1155 Main St. and reporting the incident but also to use a phone to call in her prescription refill.

PROBABLE CAUSE STATEMENT

I radioed for a unit to assist to which Pfc. J. Ercolano arrived shortly there after. Pfc. Ercolano and I then went to [redacted] residence at [redacted] did ride with me to the residence to which I had her wait on the front porch area. [redacted] was not home upon our arrival, but did show up approximately ten minutes later.

I then made contact with Mr. Dobrick and we sat in the front dining room area table. I asked Mr. Dobrick about what had been going on over the past couple of days and Mr. Dobrick advised he found over 160 text messages his [redacted] had with an unknown male. Mr. Dobrick stated he did confront his [redacted] about them yesterday and admitted to taking her cell phone, but advised he had picked it up from the counter. When asked if he removed it from her pocket, Mr. Dobrick denied doing so. Mr. Dobrick also stated the cell phone was his because it was in his name. I advised Mr. Dobrick that in Florida, once a couple marries, property becomes community property regardless of whose name it is in and that [redacted] has just as much right to their shared property as he.

I then asked Mr. Dobrick about [redacted] purse and blocking her car. Mr. Dobrick admitted to taking his [redacted] purse but stated he had placed it back on her bed and it was there now. Mr. Dobrick also admitted to intentionally blocking his [redacted] car in the driveway because he wanted to force her to speak with him. Mr. Dobrick then advised he would move his vehicle out of the way.

I then asked about yesterday and asked if [redacted] had been present during the argument. Mr. Dobrick advised she was. I then asked Mr. Dobrick if he showed some kind of video during the arguement and he advised yes. Mr. Dobrick then advised he did show the explicit video to his [redacted] and said within ear shot of his [redacted] something to the effect about his [redacted] fidelity. When asked if he thought that was appropriate for his [redacted] to hear, Mr. Dobrick eventually admitted it was not. I then asked Mr. Dobrick if he showed his [redacted] the video and he quickly denied doing that. I asked Mr. Dobrick if he was sure he did not show his [redacted] the video and he denied it again. Shortly there after, [redacted] came home.

I had noted during my conversation with Mr. Dobrick he seemed calm and compliant. Mr. Dobrick even stated he was not angry with his [redacted] and was calm because he had forgiven her previous infidelity and was "over" the situation. I asked Pfc. Ercolano if she was okay standing by with Mr. Dobrick while I spoke with his [redacted] to which Pfc. Ercolano advised yes. I then went outside and made contact with [redacted]

I advised [redacted] that the police were there in reference to on going issues with her [redacted] and I asked if she was okay. [redacted] initially said yes, but I could see she seemed to be holding back. When I asked her further if she was really okay, [redacted] admitted she was scared. When asked what she was scared about, [redacted] advised she had noticed her [redacted] was visibly scared of her [redacted] and had "jumped" in her presence

when her [redacted] had spoken to her [redacted] on the day before. [redacted] then spoke about the interaction her [redacted] had yesterday and said her [redacted] had "stared down" her [redacted] while she was putting groceries away. [redacted] then said she saw her [redacted] "reach around" her [redacted] and pull her cell phone out, but she did not see exactly where her [redacted] pulled the phone from. [redacted] did not mention any video so I asked her if her [redacted] showed her any video or pictures. [redacted] advised yes and said her [redacted] showed her a video. I asked [redacted] what the video was of and she replied, "A vagina." I then asked [redacted] if her [redacted] was saying anything to her when he showed her the video and she said he was saying her [redacted] was sending those videos to other men. [redacted] began crying. I did ask [redacted] how far away she was from her [redacted] when he showed her the video and she pointed to an area and told me about that far. When I asked her if that was about ten feet, [redacted] advised yes. [redacted] later advised her [redacted] has stared her down before and blocked her way from leaving rooms in an attempt to bully her.

I then went back inside and spoke with Mr. Dobrick again. Since Mr. Dobrick had been so compliant and Pfc. Ercolano advised he continued to be compliant, I advised Mr. Dobrick his [redacted] had seen the video. He claimed that he did not show her. I told Mr.Dobrick that as a result of his [redacted] statement, I may have to place him under arrest. Mr. Dobrick then advised his company had donated over $800,000 dollars in support of police officers and if there was anyone I could call in reference to his situation. I advised I was going to speak to my sergeant reference this case and his company`s contributions had no relevance to my investigation. Pfc. Ercolano was still okay standing by with Mr. Dobrick so I stepped outside and called Sgt. Allen from my patrol car. I explained the situation and he agreed with me reference charges for child abuse.

I then went back inside the residence to which Mr. Dobrick and Pfc. Ercolano were now in the kitchenette area that was close to the garage door. I had noted previously that Mr. Dobrick had two bags with him, a duffel and a backpack, which were placed on the floor. Mr. Dobrick was sitting at the table in a high chair. I advised Mr. Dobrick that he was going to be placed under arrest for child abuse as his [redacted] did see the pornographic video of her [redacted] he showed her. Mr. Dobrick asked if he could call someone and I advised he could make a call at the county jail. I noted Mr. Dobrick had a pair of glasses hanging from his shirt and I asked him if he needed them for reading or for regular seeing. Mr. Dobrick said he needed them for regular sight and then placed them on top of his head. I advised Mr. Dobrick he had to wear them over his eyes or the jail would not let him wear them. Mr. Dobrick then put them over his eyes and I told him to stand up and place his hands behind his back. Mr. Dobrick reluctantly stood and then knocked over the chair he had been sitting in. Mr. Dobrick then picked up the chair and I reached for his arm with my handcuffs already out. Mr. Dobrick then flung his left arm back toward me and at the same time lunged for the black back pack on the floor. As I continued to grab for Mr. Dobrick`s arm he still tried running away from me and dashed for the garage door which was approximately four feet away. Mr.

PROBABLE CAUSE STATEMENT

Dobrick opened the door as I tried to grab around his waist. Mr. Dobrick continued to try and get away from me and pushed or swatted at me to get off of him. There was a step down into the garage that I could not see as the light was off and as I crossed the threshold trying to hang onto Mr. Dobrick, I fell, slamming my knees into the concrete floor. Just then, Pfc. Ercolano deployed her taser and was able to stop Mr. Dobrick from further running away. Mr. Dobrick fell to the ground and he was ordered several times to stay down and put his hands behind his back. I was able to radio that the Taser had been deployed and to send a supervisor. Mr. Dobrick kept saying he just wanted to hide his back pack and asked several times if he could still hide it from his [redacted] I was able to handcuff Mr. Dobrick and kept him on the floor until additional units arrived. Pfc. Ercolano radioed for Fire Rescue to respond and shortly there after additional units did arrive on scene. Both of my knees were sore from the fall and I noted some minor scrapes to both of my hands. The back pack was eventually checked and there were several electronics such as laptops and several bottles of alcohol. [redacted] also found her phone in the bag.

Sgt. Allen arrived on scene and I advised him of the situation. Ofc. Lowe and Pfc. Ercolano escorted Mr. Dobrick outside where PBCFR #16 (run#19036151) assessed Mr. Dobrick who complained of lightheadedness. Mr. Dobrick was transported to Jupiter Medical Center ER where he was treated. Mr. Dobrick's drug test and CT scan came back fine, however Mr. Dobrick now complained of blurred vision in one eye and said he was naseous, but at the writing of this report, he had not vomited. Mr. Dobrick asked to go to the restroom twice, to which Ofc. L. Jurac responded. On the first bathroom break, Ofc. Jurac watched Mr. Dobrick in the restroom and he was able to use the facility with no assistance. On the second bathroom break, Mr. Dobrick walked to the bathroom and Ofc. Jurac watched again with the door open. Ofc. Jurac then reported Mr. Dobrick just fell and hit his head on the sink. Medical staff assisted Mr. back to his bed and assessed him again. I noted a small red spot in the middle of Mr. Dobrick's forehead and the doctor advised of a small contusion at the back of his head. Mr. Dobrick was now complaining of rib pain.

Prior to leaving the residence, I gave [redacted] a case card and a domestic violence pamphlet. I also advised [redacted] that I would be contacting DCF which is protocol for this situation. At approximately 2017 hours, I contacted DCF via the LEO hotline and spoke with Teshonda #429. Teshonda advised her agency would be taking a report. Mr. Dobrick was eventually medically cleared from the hospital and transported to the Palm Beach County Jail, charged with Child Abuse and Resisting Arrest with Violence.
