PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☐ was found to have committed the below acts, resulting from my (described) investigation.

On the 2 day of May, 2019 at 01:44 (Specifically include facts constituting cause for arrest.)

This is a brief summary of events completed in order to book John Wood into the Palm Beach County Jail for the offense of DUI that occurred on 5/2/2019. A full report will be completed in the near future.

On the above date at approximately 0144 hours I was on routine patrol in the area of West Indiantown Road and Delaware Boulevard in the Town of Jupiter, Palm Beach County, Florida.

I observed a 2015 Chevrolet sports car bearing Florida license plate IZYK14 traveling west in front of me. I noticed it swerving within its lane several times. The vehicle`s speed was varying from 40-50 miles per hour. The vehicle then turned north on North Central Boulevard. It continued to swerve in its lane and over the lane markers. The vehicle accelerated to a visually estimated speed of 50 miles per hour in the posted 40 mile per hour zone. I confirmed a speed of 49 miles per hour using my in car radar.

I initiated a traffic stop and spoke to the driver John Wood. Wood had the odor of an unknown alcoholic beverage on his breath and his speech was slurred. I also observed Wood`s eyes to be bloodshot and glassy. Wood left his vehicle in reverse and then told me it wasn`t when I pointed it out and asked him to put it in park (it was). Wood had the music in the car very loud when I walked up and I had to ask him to turn it down as I tried to yell over it. Wood indicated he is handicapped and has a partially amputated foot. Wood stated he`d had a "couple" of drinks and later stated he`d had a "few". Wood was extremely unsteady on his feet when he stood up and stumbled several times while on the roadside.

Wood agreed to complete seated roadsides. I attempted to conduct HGN. Wood had great difficulty following the simple instructions to keep his eyes on the stimulus. I

observed Lack of Smooth Pursuit and Distinct and Sustained Nystagmus at Maximum deviation in both eyes. I was unable to observe onset prior to 45 degrees as Wood`s attention got progressively shorter and he would not keep his eyes on the stimulus.

I next conducted Finger to Nose. Wood again had great difficulty following the instructions and his performance got increasingly worse. By the end, Wood was touching his eyes with the pads of his finger.

Wood tended to constantly talk over me and repeated himself constantly. As Wood was clearly unable to follow even simple instructions, I did not complete the seated roadsides as they get progressively more complex and Wood`s normal faculties were obviously impaired. I arrested Wood for DUI and transported him to the Palm Beach County Breath Alcohol Testing Center.

I conducted a 20 minute observation and requested Wood provide a sample of his breath. He at first declined, but then agreed to do so. Wood did not follow the instructions being given to him and would not seal his lips over the tube. Wood did not attempt to give anything approaching a steady, continuous breath, and again would not follow the simple instructions being given to him. Wood provided one adequate sample of .084 and failed to provide an adequate sample on four other attempts. I called a refusal at 0336 hours as Wood was clearly unwilling to follow the instructions being given to him.

I then completed my paperwork and booked Wood into the Palm Beach County Jail where I charged him with DUI per FSS 316.193(1).
