PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law
The Person taken into custody

☒ committed the below acts in my presence.
☐ confessed to _____ admitting to the below facts
☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts
☒ was found to have commited the below acts, resulting from my (described) investigation

On the 17th day of MARCH 20 19 at 12:30 ☐ A M ☒ P M (Specifically include facts constituting cause for arrest)

I responded to the intersection of Citrus Gove Blvd and 120th Ave North, West Palm Beach Florida 33412 in reference to a man down sick person call. Upon my arrival, I observed West Palm Beach Fire Rescue waking up a white male later identified as Jon A. Latronica by his Pennsylvania driver's license.

Upon my approach, I observed fire rescue identify themselves and inform Jon that they received a call about an unresponsive male laying close to the canal back. Fire rescue asked Jon to come away from the canal and started to assist him away from the canal bank so he would not fall in. Upon Jon standing up, fire rescue had to hold him up due to him being unable to stand. Fire rescue and I noticed that he was intoxicated due to his sweats, *blood shot eyes*, unable to stand, and losing balance nearly falling down. We also observed that he urinated on himself.

Fire Rescue and I also observed underneath Jon was an unopened Silver 16oz can of Steel Reserve 2'11. It should be noted that 2'11 is an alcoholic beverage that contains 12% of alcohol in a single can.

Fire Rescue continued to assist and asked Jon to sit on the rear of the rig while they check his vital signs Jon complied, but became verbally abusive with fire rescue using profanity towards them. I asked Jon to calm down and allow them to treat him to ensure he was ok and in no need of medical care. Jon complied at first, but then became more abusive with fire rescue telling them "I don't need shit from you mother fuckers".

Jon then took of their finger pulse reader and slug it off his finger in which it hit the ground. Fire rescue medic picked it up and asked Jon to calm down and that they just wanted to make sure he was ok before they left. Jon was told that, that was the last thing they needed was to take his blood pressure and then he sat again and complied.

After fire rescue obtained his vitals to make he did not need medical attention, Jon stood up agitated and asked if he can just walk away. He was told yes, but was asked to sign the tablet due to fire rescue checking him out and his refusal. I asked Jon where did he resided and he told me 12136 Citrus Grove Blvd. It should be noted that we was currently adjacent to the 12000 block of Citrus Grove Blvd.

Jon continued to become agitated and fire rescue asked him for his signature. Jon using his index finger with unnecessary force, pressed hard on the tablet in an irate manner. Jon then took his *middle finger pressing* on the tablet in the same way while saying "fuck this, and you guys can get the middle finger". Fire rescue recovered the tablet from Jon and walked away.

Prior to clearing the scene, I observed Jon walk to the property of 12136 Citrus Grove Blvd. I assumed this was the place of residence where he resided *I called the homeowner Mrs.* Sutton in which I was advised that Jon used to work at a labor pool with Keith. I was informed that Jon did stay a few nights at this residence but hasn't in a few days Mrs. Sutton also advised that Jon over stayed his welcome was not allowed to return to the property. This call was cleared and fire rescue and I cleared the seen.

At approximately 11:30 hours, I was conducting a routine neighborhood patrol in the 7000 block of 120th Ave North; a motorist approached me and informed me that a male wearing a gray jacket and blue jeans was possibly asleep laying extremely close to the canal. They advised they did not want to get close and yelled to him but that the male did not budge. I drove north on 120th Ave North and was stopped by a golf cart with (2) adults and (2) younger children on the back. They advised that they were in the process of calling the paramedics because the male looked dead laying along the canal.

The white male juvenile on the back of the golf cart, showed me a photo of the male they were talking about. I immediately recognized the male to be Jon Latronica. Upon my arrival to the same location I made contact with Jon at, Citrus Grove Blvd and 120th Ave North, I observed several golfers across the canal looking in the direction of Jon. One Golfer advised that this canal have several large gators in it.

At this time, I honk the horn and Jon remained in a sleep position asleep. I exited my vehicle, calling his name in which he did not budge. Another motorist, pulled up to me asking is everything ok. At this time I went to my vehicle and retrieved my PBSO issued camera. I was able to take several photographs for this case to submit as evidence
I made contact with Jon waking him up from his sleep. I noticed in the grass was an open container of Steel Reserve 2'11 near the canal edge. At this time, Jon was asked to stand up in which he was placed into custody. *The handcuffs* were checked for proper fitting and were double locked. Jon was searched for contraband and placed in the rear of my patrol vehicle to be transported to the West Detention Center

Based on the above facts, Jon Latronica did commit such acts as are of a nature to corrupt the public morals and outrage the sense of public decency. Jon did affect the peace and quiet of persons who may witness them and engaged in conduct constituting a breach of the peace or disorderly conduct, contrary to Florida Statute 877.03
