Probable Cause

On September 15th, 2018, at approxiametly 4:00 am, I was traveling eastbound on Gun club road when I observed a while in color vehicle exiting the gentlemans club by the name of Ultra. Ulta is located on the northside of Congress Ave (SR-807), in the corner of Gun Club Road. I stopped at the left turn signal, facing east to turn north on Congress Ave. The vehicle exited the parking lot on the traveling westward, across the northbound lanes onto the northbound left turn lanes to westbound Gun club Road. I looked up, and observed the left turn signals were red. I went after the vehicle. At this time, the vehicle was in the center lane on Congress Ave, traveling south. As I approached the vehicle, I noticed the veered to the left. Vehicle switched lane to the outside lane and almost hit the curb at the intersection of Summit Blvd. I conducted a traffic stop on the vehicle in the outside lane, just south of Summit Blvd in front of a Mobil gas station.

Upon approach, I observed the drivers eyes were red, glossy and bloodshot. I advised him the nature

of the stop and asked him for his drivers license, which Identified the driver as Jose Estaban Vintimilla. He pulled his wallet out of his pocket. He looked for a while, cipher through a few cards and finally was able to see his license and handed it to me. The driver was hesitant to look in my eyes. I asked the driver where he was coming from, and he advised that he was coming out of the bar/club. I then asked him if he had anything to drink tonight and stated that he two drinks at the bar.

Upon the arrival of back up units, I went and asked Mr. Vintimilla to exit the vehicle. As he was exiting, he looked unsteady on his feet, swaying. I then asked him and the other officers to escort him in a parking lot so we can conduct roadsides exercises.

All roadsides exercises were instructed and demonstrated on a flat surface. Mr. Vintimilla advised that he understood the instructions as given. The driver did not stand as instructed. On the first step taken, the defendant stumbled off course and missed heel to toe. Mr. Vintimilla missed all heel to toe steps while swaying. He only took 6 step while the instruction was for him to take 9 steps. He did not turn as instructed and took 6 steps back, missed all heel to toe.

On the one leg stand, foot did left the ground. he left the heel of his shoes on the ground for balance. did not count as instructed. He then swayed and lost balance. He then attempted to do the one leg stand one more time, lost balance and stopped.

On the Finger to nose, he did not stand as instructed. When I called out the left finger, he touch the side of his nose and did not return to the start position. The same occurred when I called out the right finger. This happed throughout this exercise.

After the conclusion of the exercises, I went ahead and placed Mr. Vintimilla under arrest for DUI and transported him the Palm Beach County Jail. This occurred within the city limits of West Palm Beach, Palm Beach County Florida
